PERCY ELLIOTT LINDLEY, A.B., A.M., Litt.D.

Percy Elliott Lindley was actively associated with High Point College from its beginning until his death, and his sudden and unexpected passing on October 9, 1952, left the entire college family stunned and saddened.

Dr. Lindley, over the years, served as Dean of the Faculty, Dean of Students, Head of the Department of Religious Education, and Director of Religious Activities. He organized the first college band and served as its director for several years. He had a part in setting up and advising every religious organization on the campus, and as chairman of the lecture and assembly committees, he brought to the college and community many programs of culture and entertainment. He was an ordained minister of the Methodist Church, and served as pastor of several churches. He was in constant demand as a speaker at churches, schools, and civic clubs throughout the state. Through his books he served a still wider public.

“Dean” Lindley, as he was always affectionately called, fulfilled completely the character of Chaucer’s “parson”:

“But Cristes loore, and his apostles twelve
He taughte, but first he folwed it hymselfe.”

His winsome Christian character, his sincerity and honesty, and his kindness and understanding were evident in classroom, pulpit, and private conference. He was never too busy to listen generously and graciously to any one who needed help, advice, or sympathy. He loved everybody and every cause to which he attached himself. A tireless worker and student himself, he was the symbol of authority on all phases of college life. These Christian qualities, along with a soft voice and the delightful sense of humor for which he was noted, made him the perfect teacher. Through all the years no student left High Point College without having come under his influence. He has left a place in our college that no one can fill. We shall miss him, but his spirit will live on here on the campus and in pulpit and classroom wherever High Point College students are found.

To the memory of Dean Lindley, Christian gentleman, faithful friend, and great teacher, we, the editors and staff, affectionately and sadly dedicate the 1953 ZENITH.

FOREWORD

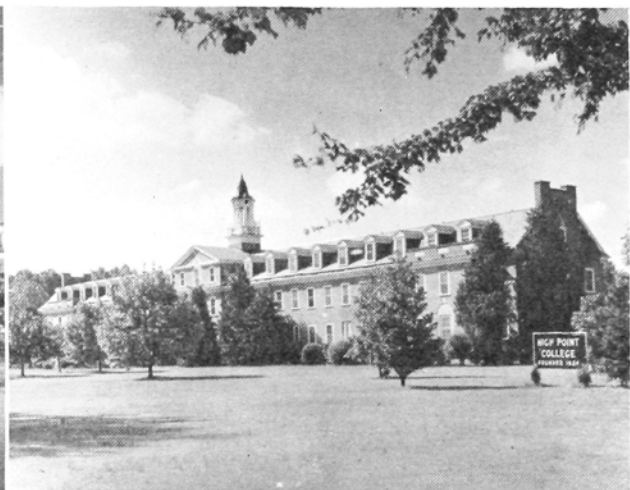

On the pages of this volume are recorded some of the High Point College happenings in nineteen hundred and fifty-three. Here are memories, pictorial and printed, depicting the general characteristics of campus living, socially, intellectually, and spiritually.

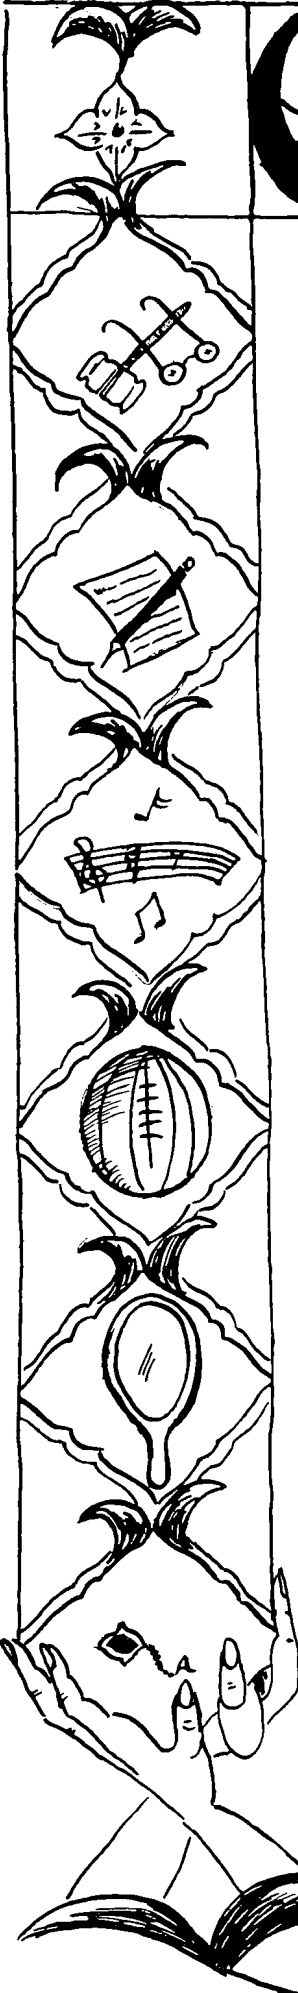

Should the whole volume represent a year, each section a month, each page a day, each picture and each printed word the hours and minutes, they could not approach the bigness of our hearts and minds as we recall the memories of this year, but they do represent some of the highlights of our most serious contemplations and our most joyous experiences.

Student Government

Good is done by degrees; therefore, however large or numerous the responsibilities placed before it, the Student Government has tackled them one by one with the hope of accomplishing the greatest amount of good for the greatest number of people. It is true that the Student Government has not reached perfection, but in the struggle toward perfection the desire of its members has been to strengthen the character of the school and to give stability to the student body.

On these pages appear the faces of classmates who have so completely become a part of our lives that we hesitate to say goodbye. We have mutually shared work and play, joys and sorrows, failures and successes. We shall not soon forget these beautiful friendships nor the events which made our four years at High Point College a rich experience. It is, therefore, with mixed emotions of joy and sadness that we leave these halls. We are beginning a new phase of an exciting adventure, and already we feel the pressure of great responsibilities to a restive society. These creative years have provided a foundation, and we hope that, as we achieve some measure of success in our individual lives, we shall be able to reflect praise and honor upon our alma mater.

Three years ago we, the Juniors at High Point College, started together on one of the major journeys of life. Our travel has taken us along many interesting highways of achievements, and we have often found it hard work to climb the hill of advancements with disappointments lurking around the sharp turns in the road. We can now smile together, however, knowing in our hearts that we have covered three-fourths of the distance of our academic journey.

We, the freshman class of 1952, entered High Point College with misgivings as to what the future held for us; but our fears were soon overcome by the help and guidance of "big brothers and sisters." Their friendship replaced our anxieties concerning "rat court" and helped us to adjust ourselves more rapidly to college life. We know that the road ahead will be hard and difficult, but we will go on regardless of the odds. To be boosters and not knockers will be our goal, as we try to make High Point College proud of us.

Faculty Makes Selection

At the regular assembly program at 10:20 a. m. on October 22 in Harrison gymnasium, the new marshals were installed. This is an annual custom. The marshal's post is one of honor for the student and they are chosen by the faculty vote and committee recommendations. Dependability, good appearance at all times, and better-than-average grades are the basic requirements of the marshals. The purpose is to serve at all public programs of the college, and to check and record absences at assembly programs, and to serve as otherwise needed.

The following juniors were chosen as marshals, and they have already begun their new duties:

H. C. Hudgins, Jr., (Chief Marshal) of Hobbsville; Charles Caudill, Princeton; Bobby Joe Dennis Troy; C. F. Sherman, High Point; Neil Smith, Rural Hall; Betty Lou Floyd, Thomasville; Eleanor Goldston, Concord; Betty Lou Rose, Winston-Salem; Audrey

We finally made it! After much hair pulling and brain racking, we are proud to present to you the 1953 ZENITH. It wasn't easy worrying over appointments, drawing and redrawing pages in the dummy, begging for snapshots, waiting for proofs to return, and doing the thousand and one other jobs that go into making up an annual, but we feel it was worth all the effort and hard work.

Reggie was buried on top of the world (at the ZENITH office in the attic of the library) most of the time with pencil and paper bringing his ideas to life. His assistant, Helen Coltrane,

worked herself into an appendectomy, but shared her ideas with the staff from her hospital bed. Betty Lou brought her artistic ability into the drawings for the main pages. Audrey, assisted by Nancy and Edith, was busy at the typewriter day and night, but was still able to joke with Barbara and "Lib" as they labored with the features. Charles and Kent followed up the sports to make our activities complete. One could not help running into "Abbey" at every turn with his camera, doing that all-important job of taking pictures for the ZENITH.

The ZENITH Business Staff

We could never have reached our goal without the financial aid of our business staff. Howard Graham and Jo Bundy were on the job from the very first of the year collecting ads. With the aid of Ruth Craven, Mary Jean Newell, and a few others, these business managers have been able to accomplish a difficult job with great efficiency.

These pages cannot capture the headaches and despair that accompanied the business staff in their work, but we feel along with them, that anything is not too much for our H. P. C.

MR. BOB DAVIS
Head Basketball Coach

This is Bob's second year as head coach. He came to High Point in 1950 as C. Q. Smith's assistant. Then in 1951 he became head man. Last year he took his team to the finals of the conference tournament and won 20 of the 30 games on the schedule. Coach Davis' hometown is Huntington, W. Va. During the last war he served in the Navy Air Corps as a Machinist Mate. He graduated from Georgetown College at Georgetown, Kentucky, in 1950.

Basketball

Starting his second year as Athletic Director and fifth year as Director of Physical Education, Paschal came to H.P.C. from Oklahoma A & M. Former Director of Athletics, Boxing Coach and Line Coach at Bacone College, Muchogee, Oklahoma, 1937-46. Graduated Northern Oklahoma in 1937, B.S. Oklahoma A & M, M.S. Lt. United States Navy Reserves, four active duty, Gunnery and Communication, Pacific.

Basketball Outlook for 1952-1953

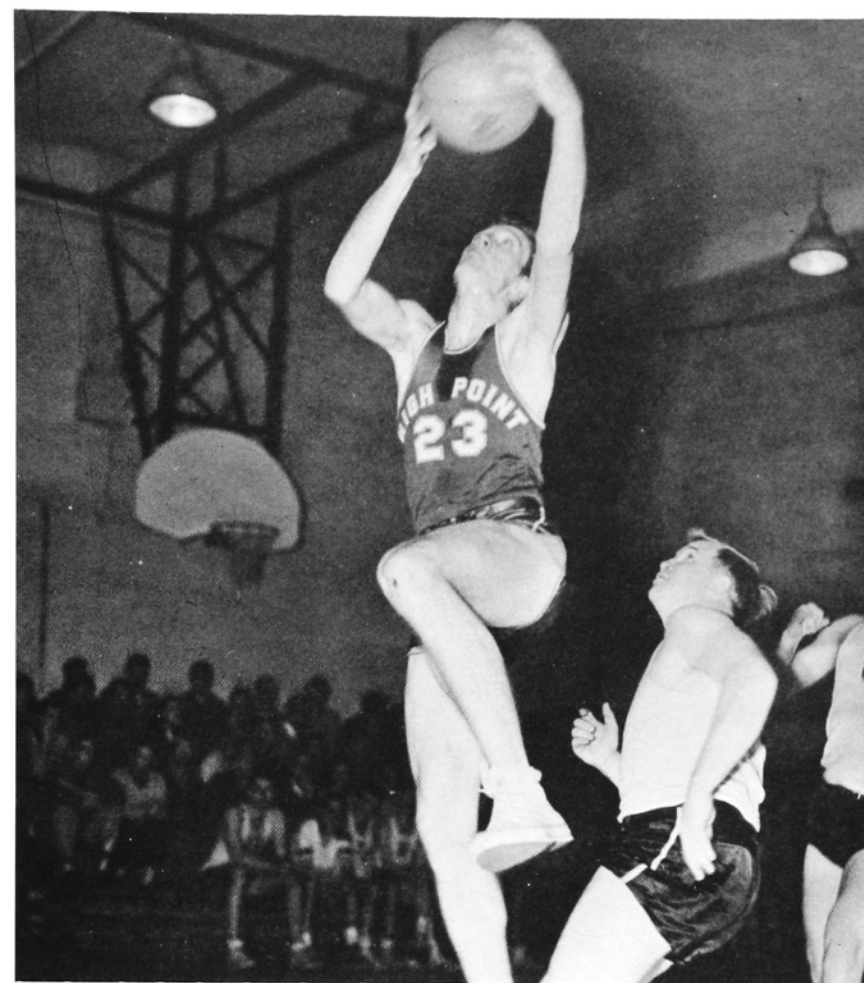

On paper, the outlook for the Purple Panthers looks very dim for the '52-53 season; there are no great individual stars like Ed Sueta or Jessie Joyce to lead the team to honors. But the hardest thing in the world would be to convince Coach Bob Davis and the players that the paper tells the true story! What they lack in individual stars the current Panther squad is planning to make up in teamwork, hustle, and a fighting spirit.

Fighting for the forward positions as the season opens are: Tony Lisk, 6 ft. 4 inch junior; Harold Sykes, 6 ft. 4 inch sophomore; Billy Hicks, 6 ft. 2 inch senior; Conrad West, 6 ft. junior; and 6 ft. 3 inch freshman, Paul Wessler. Sykes and Lisk now seem to hold the edge for the forward positions.

The center positions will probably be filled by big Howard Alexander, freshman, 6 ft. 7 inches tall and weighing 270. Sophomore 6 ft. 5 inch Bob Popp and freshman 6 ft. 6 inch Bill Simpson, will be giving Alexander a fight for the center spot.

The Panthers will be stronger at the guard spots this year with Captain Bobby Davidson, Sonny Thornton, Ken Frazier, all lettermen who returned to the college, and transfer Kent Moseley fighting for starting positions.

Since the team is composed almost entirely of inexperienced men—only one senior on the team—the Panthers are looking forward to a great team for next year, but who knows, maybe this will be the year!

First row: George Holland, Ronnie Owens, Charles Caudill, Charles Maulsby, George Armstrong, W. H. Needham, Jose Lopez, Fred Darkis.

Second row: Johnnie Miles, Allen Smith, Jim Warren, Fred Hasty, Harold Sykes, Sonny Thornton, Roy Cockerham, Ed Sueta, Bob Popp, Paul Pryor.

The 1952 intramural softball season wound up with a tight neck-to-neck finish. The EPO, who tied for fourth place with the EHO, walloped them and went on to beat the NDM for the softball championship. Ed Sueta, the star pitcher and captain for the EPO charges, belted a brace of home runs to aid the winners in their brilliant victory.

The 1952 intramural football season started off with a bang with a hard charging NDM team leading the way. The NDM team seemed to have that needed spark in every game to carry it to a hard earned championship. After vainly trying to cope with the champions, the ITK's wound up in second place.

The 1952 intramural basketball teams look fast and seem to be evenly matched. This should prove to be a thrilling season for the basketball fans. Last year the ITK won the Fraternity League Championship, and the "Travelers" won the Independent League Championship. Then in an exciting playoff contest between these two clubs, the "Travelers" won the intramural basketball championship. Each player on the championship team was awarded a trophy.

Thanks to the student participation in these intramural contests, the morale of the activities on the High Point College campus has grown and developed along with the institution itself.

Delta Omega Chapter of Pi Kappa Alpha Fraternity

ORGANIZED 1952

This chapter having been installed at High Point College February 6, 1953, completed a successful year in June. Many hours of hard work, both physical and mental, went into the formation of the first national fraternity on our campus. We, the founders of Delta Omega Chapter of Pi Kappa Alpha Fraternity, believe that our efforts will reward both our fraternity and our school, and hope that the future will bring the happiness and success that the past has left.
