At the last meeting of the faculty at High Point College for the winter term of 1921-22, it was decided to undertake, during the coming summer vacation, a trip to the Empire State. This decision was reached after careful consideration of the various factors involved, and it was decided that the trip would be undertaken in the late summer of 1922.

The trip was to be made in a motor bus, and it was decided that each member of the faculty would contribute $50 towards the cost of the trip. The tour would include visits to the major cities of the United States, and it was hoped that the faculty would have an opportunity to see some of the most interesting places in the country.

The tour was to begin in New York City and would include visits to Boston, Philadelphia, Washington, D.C., Chicago, St. Louis, Kansas City, Denver, Los Angeles, San Francisco, and Seattle. The tour would conclude in New York City, where the faculty would spend a few days before returning home.

The tour was to be conducted by a professional tour guide, and it was hoped that the faculty would have an opportunity to learn more about the history and culture of the United States during the course of the trip.

The trip was to be undertaken in the spirit of cooperation and friendship, and it was hoped that the faculty would have an opportunity to strengthen their ties with one another during the course of the tour.

The trip was to take place during the summer vacation, and it was hoped that the faculty would be able to return to their teaching duties in time for the fall term.

The trip was to be undertaken with the full support of the faculty and administration of High Point College, and it was hoped that the trip would be a valuable learning experience for all involved.
WISHBONE OR BACKBONE

Physiologists tell us that the body contains over 200 bones. Among this number are two which play a very important part in the daily life of the average college campus. One is the backbone and the other is the wishbone.

The wishbone has been raised about the modern college student and what ails him, and volumes have been written on the subject. Many alumni come from an under-development of the backbone and an over-development of the wishesbone. The wishbone of many college folk is nothing more than the wish for next year's wishbone, for to have the backbone to go off by themselves each day without having some definite wave of wishes. It is not their less often that wish that they could make good. The wishbone is about as far as they ever get. These same folk are the ones who have not the backbone to operate for just one night at the morning; get up meals and classes on time each day, and go joyed at a fixed hour each night.

If a strict record of those "wishes" and their fulfillment were kept it might show that a municipal college from college until he had developed something stronger than a cotton wishbone. Then if one has enough brains and backbone the arc expected to give their decision on the subject. After this, they are intended to be of some use to themselves and others. In the meantime, keep yourself from the wishbone at work. And after all, there is nothing impossible—The Guilford.

PLANS MADE FOR COLLEGE ANNUAL

Plans are rapidly taken for forming the college annual. The entire staff is busy and the departments have all been duly organized for work. The entertainment hand

A WORLD OF APPRECIATION

The editorial staff wishes to express its appreciation to the merchants of High Point for the advertising space that they have contracted for in the Hi-Pos and to assure them that every effort will be made to encourage advertisers to patronize those who advertise with us. It is sometimes said that advertising in a college publication is simply donating to the support of the publication. We recognize the fact that to a degree such is true. No publication can exist without advertisements, and yet the advertising value of a college publication is limited. Nevertheless, it is true that a student will have good will for the firm that buy space in his college paper. And good will is one of the great assets of any business.

The future of a college student is uncertain. Many things are possible. The good will of the student may grow with him. A little now, their purchases may be small now, but who knows but that some day good will may be worth much and purchases may be large.

We thank you, merchants and business men, for your support. We shall not forget you.

DIGNITY

We are lacking in one of the essentials of a college, probably more than one, but one that is entirely up to you. We lack dignity. If I realize this, I will be forced to write this but as the old adages say, "it is that truth that hurts," and "a bite dog always barks.

A student here is not to be known from a freshman, except by the telling force of age. Juniors are like freshmans, and so are sophomores. And of course a freshman is supposed to be a bit unignified. I am not a freshman, but I see the freshman class is as dignified as any of the others.

The upper classmen should desire dignity, for it is that quality that is suited to inspire and command respect and reverence. They all seem to desire to be respected and revered, but are not quite willing to put forth the efforts necessary to obtain that qualities that will inspire honor to them.

You need not expect the underclassmen to show the proper respect to an upper-classman, when the upper-classman no one looks to be dignified, he is not one. The underclassmen do not do this because they do not want to be dignified.

FORMER TREASURER

H. A. Garrett, former treasurer of the college, is now devoting all his time to work in the field in the interests of H. C. P. As the full season of the Association the treasurer's position is filled by a man who is a very fine fellow, a man who is a very fine fellow, a man who is a very fine fellow. He will be well represented in the field and Mr. Garrett will be out of the city much of the time.

There have been inquiries from many students to know if Garrett is on his whereabouts. Though his cheerful presence has not been missed, all will be glad to learn that he is still associated with the service of the college. Students receive a welcome to call on him in his office to talk. His ready mind and capable minis will be well represented in the field.

Miss Rogers of Burlington has taken over the office of bookkeeper and will combine with the office of that sister, secretary is the president of the college.

WINGATE ANDREWS SPEAKS TO STUDENTS

T. Wingate Andrews, superintendent of the city schools, delivered a very forceful address at chapel last Thursday morning. Mr. Andrews was the "Secret of Greatness." He said that men of remarkable accomplishment are not wizards, but are hard workers. They direct their efforts in harmony with the laws of nature. They do not attempt to do more than they can do and the results come after years of un great effort. He further states that his students tend to cultivate the good works and produce the good effect. The speaker said that intelligence, courage, patience, and perseverance are necessary to make a great life. Greatness refuse to be defeated no matter how long they have been defeated.

The words of Mr. Andrews are a challenge to every student to cultivate the best of their tendencies.

PANTHEON PATTERN (By Md)

Again the Panthers carried back precious prey to their lair. Lensie Rybun and the Marines scored a bunch of tally marks on the wall that could now do against a natural pair of panthers that are so valuable and potent.

John Perry, our clever little guard showed up with a batch about formation. It's 'Dot' and 'That' and 'Dot.' A freshman asked Dallas Rich at the annual gathering of our famous band. Mr. Perry was an element or a composite of the elementary the great among the men. And what the atomic weight of it was.

The little fellow carrying the pigtail is none other than Saturday, girls was Brasier. He was the old college detective. We were not sure whether he was an Indian or an Indian name but from 'Cocoa's' Saturday Night that was clear. We never gave away what the Snub, had to say.

Baby Wesley wonders if his late arrival into the game Saturday was due to his being held for a severe shock to the opposition. The shine was back.

Flying Oyster Rowan, our star fullback, managed to limp away from the stands for a few minutes between halves to give his teammates words of encouragement.

One of our linemen was partial to the girls who is in the "Little Christian" backfield. Who he can be and what the girls' names are.

Captain Dunn wants to know why ladies can't sit in men's laps on street cars as easily as they do in sidewalks. Ray that question is objected to as redundant and immaterial.

Let's get Guilford, team. Let's push our boys on to victory, student body.

TENNIS COURTS ARE BEING IMPROVED

A few of the students who are interested in tennis, are spending their hours working the courts into shape. The courts are being removed, the holes are being filled, the lines are being marked off, and various fixtures are being moved away from shut. Now nets will probably be up by the time that we next see these courts will be in good order, and the courts will be in good order.

THALEAN

The Thalean Literary Society carried its program, somewhat, at its regular meeting last Wednesday night. Among the various events going on in the spirit of the fact that there is a "Thalcan Literary Society," more than one student took part. Grover Angel, the pride of the Thalean, delivered his two meats and one delicacy, quite satisfactorily. In addition, there were such interesting criticisms outside of the meat, as are always a delight to follow. Ralston Vance followed Angel with a very nice solo, which was well received. "My Hahs" by C. D. Sikes, and a duet by Floyd Garrett and Harvey Young were followed by a very good speech. "The Lamp of Learning," by Fred Pegg. Mr. Peggs's speech was one of the best number of the program. Floyd Garrett put the finishing touches to the program with his "Oyster X-ray," and the meeting adjourned.

ARTESIAN

The regular meeting of the Artesian Literary Society last Thursday night showed that the best talent of the society through an important program.

What I consider a good program was the subject on which the meeting was called. After the work of evening came, Thayer had been followed closely by the most amusing monologue on the program, by Bill Shackleford. A duet by Eth Youlich and Pauline Elkins, and a short talk by Lillian Buckner, "Why I Joined This Society," ended the evening's program. The Artemesian is looking forward to another program as good as this one.

NIKATHAN

The Nikathan Literary Society held its regular meeting Thursday night. The meeting was well attended and the program proved to be most interesting. Miss Poonom Johnson spoke on "Japan," and the relation of geographical conditions of Ireland on its people. "Euphan Lewis," White, then sang a popular Irish ballad that was indeed, pleasing. Alta Allen made an instructive talk on "folk ways," and Margaret Perry and Ann Elkins sang a piano duet.

At the close of the meeting the program was necessarily short. It was agreed, however, that it was one of the best programs of the year.

LINDLEY PREACHES AT SPRINGFIELD

101 S. Main St.
Phone 2016

P. E. Lindley, Dean of the College, preached at the Friends church at Springfield last Sunday morning.

The topic was the power of personal influence, referring to Acts 3:15. The score was received at the service of Simon Peter preaching in the streets of Jerusalem. Peter's influence was so great that he was brought into the streets in order that his shadow might fall upon them.

Dean Lindley pointed out that our personal influence is like a shadow in four respects: first, it is of itself; second, it is unavoidable; third, it is a silent force, and fourth, it is our exact image. It is impossible for one to deceive another. Real personal influence will eventually show. Our shadow is in our relation to the sun and our personal influence is determined by our relation to God.

The Springfield Church is one of the historical spots of North Carolina. This church was organized in 1775, before the beginning of the Revolutionary War. They are now building a new brick building which will be completed in a few weeks. This church is one of the best in the country and the large congregations that attend the meetings.

Mr. Lindley stated that was one of the most appreciative audie- ences he has seen to recently, and that they gave him a hearty welcome.

C. E. MEETING MOST INTERESTING ONE

The C. E. Program for Sunday, Oct. 19, was of unusual interest. Floyd Little, the leader, showed that he had prepared the program with care and thought.

The meeting opened with the old hymn, "Love Divine, All Love Exceeding." George Henderson, James York led the devotional. The leader made his talk on the topic "Christian Authority."

Charles Robbins read the appropriate poem, "Do you play the game?" After this some of the talks following the line of thoughts suggested by the topic were made by Laura Thompson, Emma Lewis Whitaker, Mildred Holingsworth, Pauline Hunter, Richard MacMannis and Albert Smith.

After the singing of "Saviour, Thy Dying Love," the meeting was turned over to the president for the announcements. The meeting closed with a series of sermon prayers.

SUPERLATIVE TYPES ARE ONES CHosen

FRIDAY morning the election for superlative types was held. The votes for some of the types were close, and as the results stand the following are elected:

Prep School girl...Gene Williams
Most handsome boy...Keith Harrison
Most popular girl...Emma Lewis Whitaker
Best dressed girl...Beaute Redwine Most studious girl...Laurna Harrison
Most studious boy...Billie Higginbotham
Most enterprising girl...Margaret Perry
Most studious girl...Ellen Eubank
Most athletic girl...Molly Hill
Best athlete...Emma L. Whitaker
Best round student...Elwood Car
Best all round student...Arthur Good
Most popular boy...T. W. Carroll
Most dignified boy...Floyd Garrett
Most dignified girl...Mary Frances
Most original student...Herman Caddle
Most attractive girl...Pauline Elkins
Most popular boy...Charlie Brooks

TO PLAY GuilFORD ON ARMISTICE DAY

Two weeks from Wednesday of this week, the Purple Panthers will go to Greensboro where they will meet the powerful Guilford College football machine in the annual frac- case, between the two schools. Our closest rival, presented their best team in years and are making great preparations for a victory. On Saturday they defeated Catawba College by the one sided score of 37 to 0. During the first part of the sea- son, Guilford showed up creditably against Duke University and Wake Forest. Hopefully, when Greensboro defeated them at Guilford by a 6 to 0 score. The game will be played in con- junction with the dedication of the new stadium, the construction being one of the best equipped athletic structures in the State. Remember the date, November 11 at Greens- bro, and plan to be there cheering for the Purple and White.

M. P. CONFERENCE NOW IN SESSION

The one hundred and first session of the North Carolina Annual Conference of the Methodist Protestant Church was held here in Greens- church, Greensboro. Some prelimi- nary meetings were held yesterday morning but the conference did not meet in regular session until this morning.

Rev. A. G. Dixon, D. D., president of the conference, read his annual report following the devotional ex- ercise. The report indicated that much progress had been made during the past year. Following this the president presented the conference sermon which received very favor- able comments. It was both inter- esting and helpful. The morning session was concluded by the roll call of the Homestead and the Communion service.

An address by Rev. T. H. Lewis, D. D., L. L. D., president of the General Conference and the election of conference officers will be the outstanding events of this afternoon’s session.

HIGH POINT STUDENT HAS ONE ACT PLAY

Nady Cates, Jr., sophomore, has written a one-act play carrying the title “The Ideal Husband.” The play was produced by the Carolina Playmakers, at the University of North Carolina, and has already received the most favorable notices from the box office. The play can be staged by High Point College students in the near future.

NEWS IS IN, the title of the play. The play has a clean, albeit interesting, cast and carries a happy ending.

During the 54 minutes which it con- sumes, four characters are intro- duced, three of them being the leads, and one is the fat and stodgy editor and the brick and mortar of the newspaper. They are assisted by a few scintillating repartees from the everlastling red-headed Printer’s H. P. C. BOYS ACTIVE

A committee from the Dramatic Club of Salem College went to Greensboro, where they saw the production of “The Ideal Husband,” by Oscar Wilde. William Worley, and Margaret Per- se, next recently and ordered nine tickets for this play, and the committee is now making arrangements to be given in the near future.

This is one of the most promising plays of the season here in Greensboro. It has been under consideration by the Dramatic Club of Salem College for a long time, and this particular piece is the one that they have decided to put on for the benefit of the Club.

“In a word,” says the committee, “H. C. P. what a college this would be!”

The High Point Chapter, Order of the De Molay, met Thursday night in the Masonic Temple. At this meet- ing the officers elected for the coming year were inducted. The first time of the elective officers will be seen next January, when the new De Molay students are enrolled.

The officers are: Master Councilor, Henry Gurley; Secretary, William L. Matthews; Junior Councilor, Ward Packard; Steward, Tony Antonakos, and treas- urer, Theodore Antonakos.

The order of De Molay is an or- ganization for boys between the ages of sixteen and twenty-one. It is sponsored by Masonic lodges and is a national body. At present there are over 1,000 members in the United States. Its purpose is to impress upon the minds of its members the virtues of manhood.

The local chapter was organized in the fall of 1915, and has been very prosperous, having passed the kits were nearly full of money.

The morning session was presided over by the president, and the students who are affiliated with the High Point College Playmakers, Brooks Max Parrish, William Cornelius Moses, Monk Hill, Thos. J. Moore, G. V. Stunt, John W. Keith Harrison, Wm. Ragan and Ed. Hulker.

The students are now members of the N. C. Collegiate Press Association.

PAN I'M THAV I?.EAT I'Cl'ANOD

The Purple Panthers resumed their football practices Monday afternoon after a lay-off that lasted a week. The next game, the last of the season will be played against the strong Guilford College outfit in Greensboro on November 11th. Every practice this week was made to improve the team in every department and in making it a great deal better than it was last year. The Panthers have a harder team this year, therefore they hope to be better than last year. A few scathing remarks from the Panthers’ manager were given out, and the practice was continued with some recorded movements.

All the players were in a cheerful mood, and next week they hope to be in better form. The Panthers have a good team this year, and if they continue to improve they will certainly be a team to look out for in the coming season.

The team was divided into two groups, the first group consisting of the seniors and the second of the juniors. The seniors were given the more difficult work, and the juniors were expected to take on the easier. The practice was divided into two periods, the first being devoted to the seniors and the second to the juniors. The seniors were divided into two groups, one consisting of the fullbacks and the other of the ends and tackles. The juniors were divided into two groups, one consisting of the halfbacks and the other of the other backs. The practice was divided into two periods, the first being devoted to the seniors and the second to the juniors. PROF. JOHNSON GETS HIGH HONOR

Prof. T. C. Johnson has recently been honored by the students at Anderson college who dedicated to him the last issue of their official publication, the Yodler. Prof. Johnson, who came to High Point at the beginning of this year, has been to pro-

fessor of philosophy and English for the past three years of the English Department at Anderson college, Anderson, South Carolina. Following editorial approval from the Yodler, accepting the dedication.

The Yodler was one of our best loved teachers last year. This past week, the students at High Point College for gaining him and we put

together the idea that the college needed a paper but he carried it out and fashioned the paper over its early crises.

"We can't wait to be partners by the grils and men who love to love to love to love to love to love to love. May the best team win! May the team be the Purple Panthers in a First Class Drug Store. Matton Drug Co. It comes from Matton. All you need to know.

"An all female crew who are blessed with the wisdom and good sports. The sophomores, although of a very

different nature, are delightful in. Our psychology professor is impressed with the strange psychological phenomena demonstrated by the fortune teller. Single faculty members Higgins over what was revealed, and married ones looked more hopeful.

"The charming hostess invited her guests to retire to the base- ment. Here huge cats served a delightful repast of sandwiches, salad, and orange ice. The guests enjoyed not only the delightful hospitality of Prof. and Mrs. Huxby, but also the opportunity of inspecting their beautiful new home on West College Drive.

YELL CONTEST CLOSES TOMORROW

Sunday evening Charlie Brooks spoke in chapel about a prize for the best yell. The yell, which has been in existence for three years and which has been extended and to which a few changes have been made in the rules, $5.00 will be given for the best yell. $2.50 will be given to the second best. Rules of the contest

1. All yells must be in bands of Charlie Brooks by November 5th.
2. All or any yells may be used as a base for the yell.
3. A committee composed of Prof. Johnson, J. H. Allred, Miss Isab, Students James Elling-

The anatomy class represents the study of animal bodies. It is a course which may eventually be offered in a co-ed college. The class is mainly based on the study of animal bodies and is conducted by a professor who is also a medical doctor.

The anatomy class is a course which is taught to medical students and is a prerequisite to the study of professional medicine. The course is divided into several parts and each part is taught by a different professor. The first part of the course is devoted to the study of the human body, and is taught by a professor who is also a medical doctor. The second part of the course is devoted to the study of animal bodies, and is taught by a professor who is also a medical doctor. The third part of the course is devoted to the study of the human body and is taught by a professor who is also a medical doctor.

AKROTITHIAN

SOCIETY NOTES

AKROTITHIAN Literacy society debating proved a value as a starter of things at the last Akrothanian Society meeting. It is a direct result of a debate, solved that "H. P. C. Should Have jt."

A direct result of a debate, the students felt they had received a valuable lesson in the psychology of thought.

Last year the chapel period was the first period of the school day, but it has been changed to the third hour in the present schedule and attendance is much improved. But the true motive for attending chapel should be to gain some "Panorama," to enrich not one of compulsion. Students at H. C. realize the importance of the daily assembly and it may be safely said that they would attend it "come what may or the day it were held."

Indeed, chapel is made doubly profitable by these faculty members, "The Home of Pretty Places'" being carefully accomplished there. As our speaker so ably put it, "It give us give no credit but we do give knowledge."

KEITH HARRISON.

PHILOSOPHY COURSE PLEASURES STUDENTS

The course in philosophy at High Point and the High Point College Annual were noted members of the Associate. The custom is to have the executive committee vote on publications one meeting, and under their decision; then to have the Associate vote on this report at the next meeting. In the case of the Hi-Point and the Hi-Point Annual, the association decided to waive this and voted to take them in at once as full-pledged members. This membership means quite a great deal to a small, new college, and it is expected that a great deal of benefit will be derived from the meetings. The Hi-Point was represented by Helen Lewis Whitaker, while Mary Frazier represented the Annual.

REV. WHITNER GIVES INTERESTING TALK

Rev. Milton Whitner, pastor of First Reformed church, gave one of the most interesting and instructive talks of the reason to the student body.

Monday morning Rev. Whitner talked on the subject of "Thought."

He gave an interesting and very enlightening discourse on the psychological and thought processes in human thought. He was extremely well prepared for his subject and improved his audience much. On Tuesday morning, quite coincidentally a minister chose for his subject, "Advertising, the Producer of Things." This address was also a very strong one and so supplemented the one of the day before that the students felt they had received a valuable lesson in the psychology of thought.

JOKE DEPT.

At Last
At a faculty meeting the Profs
were discussing whether women or
men were the most trustworthy in
business. "No woman can keep a
secret," said Prof. Lindley, scornful-
ly.
"I don't know so much about
that," replied Miss Young. "I've
kept my age a secret ever since I
was 24."
"Hum," reflected, "you'll let it out
done day, though."
"I doubt it," she answered. "When
a woman has kept a secret for 20
years she can keep it forever."

She Knows Best
History Instructor: "You write
down all you have learned about
King Alfred, but don't say anything
about the burning of the cakes. I
want to find out what else you
know."
Half an hour later Cany Johnson
handed in her effort.
"King Alfred visited a lady at a
cottage, but the less said about it the
better."

High Notes
Prof. Smith (giving Glenn Madison
a lesson in voice): "Well, Mr. Madison,
let me hear you run the scale this
morning." Madison: "DO, EA.
Mr. Smith: "No, no, that's too high."
Madison: "Not for me, Professor,
not for me."

Prof. Lindley: "If there are any
dumbbells in the room, please stand
up."
A pause and finally Hunt stood up.
"What, Mr. Hunt, do you con-
sider yourself a dumb-bell?" Prof.
asked.
"Well, not exactly, that, Prof., but
I hate to see you standing all
alone."

A pretty young thing from the city
had been staying on a ranch up in
the cattle country for a few weeks.
Seeing some calves running across
a pasture, she exclaimed:
"Oh, what pretty calves."
"Yes, miss," drawled a ranchman,
pulling his mustache to conceal a
smile, "they are pretty, but they're
bulls."

The Difference
Prof. Johnson (angrily at son
who had told a lie): "Now, when
Washington was your age he never
told a lie."
Son: "When Washington was
your age he was president."

INTRODUCING YOU TO OUR FOOTBALL TEAM

Panthers And Quakers Clash Tomorrow!

As the football season nears its high point, the High Point Athletic Association is preparing for a big event. To introduce the teams and their players, the Athletic Association has organized a special program. It is the aim to use the paper personally, and giving a short biography of them as a means of introducing them personally, and giving a short biography of them as a means of introducing them.
SUNDAY COLLEGE DAY AT CONFERENCE

Saturday was what we might call "College Day" at the meeting of the Methodist Protestant Conference in Greensboro, as the responses from both sections were most pleasing.

The colleges appeared before the conference, and made the following recommendations on behalf of the college:

1. That the entire indelibility of the college be liquidated as early as possible.
2. That the third floor space Woman's Hall and McCall's Hall be converted into rooms, ready for occupancy during the year.
3. That the present "A grade" rating of the college be made permanent and that all students be given the right to a guaranteed addition of $10,000.00 annual offering for this purpose.

A special committee was appointed to work out plans for projects and to compose George T. Penny and J. M. Millikan. A committee of five members will be appointed at a later date.

The college received excellent consideration at the hands of the conference, and as one member said: "This is the first year that the college has been in the affirmative.

We are very glad to see that our work has been of such nature as to warrant the time that we receive from the conference.

We wish to take this means of saying to the conference: "Thank you.

OPEN FORUM BEGAN IN HI-PO COLUMNS

Come on! Express yourself! It is now possible, through the Open Forum columns, for students, faculty members, and persons interested in the college, to express themselves on any matter that they may see fit.

This column will enter into the criticisms, appreciations, suggestions, etc., of persons who feel that they have something that should be said, provided these articles are not too long for insertion. In case you have a story to tell, we shall be glad to inform you of the name of the writer.

Walt Whitman was a forward story, and expect immediate action from numerous quarters.

 Speak up!

PANTHER PATER

[By Mail]

We have not forgotten the 7½ years that have elapsed since our last publication.

We are in for a setback Armistice Day.

Get on, globes! Enter up!

The team looked good in practice sessions the past week, after a previous week's lay-off.

No, Pat Thompson, Sherlock Holmes does not write a base of types but globes.

Speaking about the football team meeting, we believe in this rule: "Never by your teammates, not even the most infamous quacks.

THE GAME

The guns in Greensboro tomorrow will be stepping to greater things for High Point College. Not only will the team have the opportunity in show itself to a critical public, but the outside world will have a chance to see that we have a real live student body by the presence of a bunch of loyal students yelling for their team. This will give a good impression and may be the means of getting future students.

Therefore, let us do our best. Let's pull together, and with the help of the entire student body we will make a creditable showing against the Quakers.

THE TEAM

Everywhere there is a group that gives that wonderful impression of "We did it, isn't it fine?" Then there is the group that stands alone and wonders, 'How do they feel that way?' Still there is a third group that keeps the idea of what's been done to itself. They need us wonder the why, when, what and how of it. They are the ones who have done it, but they seem sort to let others know it. This group gains ahead and works and then lets its work speak for itself.

There are many types of workers in this last group. They are not always appreciated it seems, but this only mutually. Dues in the hands of others, especially the other workers there is profound appreciation for them.

There is one of the working types that has our praise and appreciation this week especially. It is useless to tell students of H. P. C. who has done it. But we wish to say more than that; there is in our hearts a feeling this group is.

"Mr. Powys' advice was magnetic. He held the attention of his audience throughout the evening. His vocabulary is common, and he is well-versed in the great men of literature and philosophy.

The purpose of the lecture was to analyze what an educated person is, in order to connect the ideas to the speaker's idea of culture. In the beginning he congratulated the sophomore class on their attitude to go to. but all the students are present in the city.

We further stated that culture is not a means to an end, but an end in itself. It is a basis of morality, and a temper of mental fidelity. "In order to become a cultured man you must have leisure. If you do not have it, steal it, snatch it, "

English poet Stevenson Thought P. W. C.

"College Day" was presented on Friday night in the form of a lecture on the subject of "A grade." Mr. Powys gave a great number of vivid and convincing illustrations of the "A grade." Mr. Powys in nearly all that he said. However, the lecture has stimulated more thought than any other lecture ever heard on the campus. The audience was magnetized by the attention of the speaker's idea of culture. Mr. Powys said that culture is not a means to an end, but an end in itself. It is a basis of morality, and a temper of mental fidelity. "In order to become a cultured man you must have leisure. If you do not have it, steal it, snatch it, "
KAPPA PHI ORGANIZES

A local fraternity has been organized on the campus bearing the name of the Kappa Phi. R.A. Mulligan, R. B. Perrin, C. R. Harmon, C. Robbins, P. A. Thompson and P. B. Briscoe were the six charter members to form this organization. As the first sign of progress the following pledges were made:

Pledge to the campus fraternity bearing the name of the Kappa Phi.

MR. POWYS TALKS TO REPORTER FOR HI-PO

Mr. Powys is from Sussex, England, but since he has lectured so long in our country, he considers himself "half English, half American"—as, in fact, he is. When asked if he had visited for long, Mr. Powys said, "Yes, oh yes; for the last twenty years in America and England, believe me, there is no country where one knows not to know about Oxford.

The visitor said that he liked America very much, and feels that he should be able to judge of whether he does or not since he has lectured in forty-three of the states—in all but Alabama, Nevada, Washington, Arizona, and South Dakota. He spoke of the well-kept places of beauty in our country, such as the old Spanish missions in California, his favorite city, Philadelphia, but he has not been to theSomag Centennial Exposition, because he does not like expositions of any kind.

Mr. Powys has a charming personality, and seems cultured in the usual interpretation of the word, as well as in his own way.

MEET OUR FOOTBALL TEAM

(Continued from page 1)

the "romantic" part of our team. In this group are John "Roman" Perry, "Dink" Lemon, "Milly" Lee, "Bill" Wareby and "Billy" Kelley. They all very rhapsodically the respective positions of guard, end, end, tackle, and center. John comes from Thomasville, "Dink" from Stokesdale, Lee from Grayson, Lu. "Bill" from Forsyth, Va., and Kelley from Murrells, Pa.

Another fair face is present from Murrellsville, being old John Marshall, one of the fastest halfbacks on our squad. Jake's whole life is centered in the success of his home town, although he will have to admit, the fair sex are taking away many more women than his without any success.

Mr. Powys seems to be a fair football player, and is very apt in the violin. Jake Longmills is proud of the High Point College football team because the squad is one of its best. Dallas Rathbone, Dallas is a tackle and a good one. If the girls were to have their way, Dallas might join the band, but luckily Coach MacManus has the most accomplished musician in the band. Edward Carroll, our big tackle, is the admiration for all disputes on the field of combat, "Horse" believes that right is might and we feel sure that his opinion this year believes it also. "Horse" comes from Reidsville.

Hill and Hunter work side by side on the scrub team and what a pair they make. Their first team backfield seldom gains their side of the line, due to particular to "Bill's" big feet and "Adam's" bulky body. Bill is proving to be a constant caller at the girl's dormitory during social hour while Adam finds most of his time being spent piling dishes. "Larry" seems to have a habit of having the girls' dresses put on the back seat and entered his mind the other day. Despite his cleverness and ability as a ball carrier and a defensive man, the plucky fellow has received an injury to his nose that may prevent his assuming his old life in the movies. "Cotton," as he is better known, comes from Roanoke, Va.

Wednesday high school boasted of a real star several years ago, but High Point College has born of him today. Francis Bowen, dubbed "the Flying Oyster," has been one of our best men. "Horse" will not be his last one.

Virlgill Tow, our big center, is a product of Gibsonville. Seldom does the big fellow get mad, but when he does it hurts the one that treads into his path. This is Virgil's first year and he has been a valuable piece of the team.

Last but not least are the four "snot boys" "Mark" Hill, "Bill" Ragam, "Charlie" Robbins and "Pat" Perdue. "Mark" is the best athlete in school and well does he deserve the title. "Bill," the little man on the squad, takes his share of bruises along with the big boys. Coach is counting heavily on "Little fellow for next year.

Now that you have met the boys, feel obliged to give them a welcome when you see them.

Last but not least, we have the unflattering pleasure of presenting one of the most distinguished males ever to don a moleskin suit, or an abbreviated Jersey and trousers. This is our great man, Mr. Powys, and he has been a valuable piece of the team last year, but he came to High Point.

THANKSGIVING TO BE HOLIDAY AT COLLEGE

Fernald Program Arranged

According to Dr. Andrews, president of the college, the usual holiday for Thanksgiving will coincide with the public service and prayer service will be held at the college church under the auspices of the Christian Student and Chaplain association. Students at the college will have the day off in observance of the public holiday. No formal program has been arranged for the day, but doubtless many of the students who live near by will spend the day with their families which usually involves that no student will be excused from classes the day preceding nor the day following Thanksgiving day.

For the students who remain at the college, a Thanksgiving football game scheduled to take place Saturday afternoon will be a Thanksgiving game by going to some of the football classics of the series.

The downtown girls will follow their boyfriends, boys, in the small children of the M. P. Orphan Home to be their guests for the afternoon meal and an evening social gathering and to get a glimpse of all kinds and then serve them with refreshments.

PANTHERS TO PLAY LITTLE CHRISTIANS

The important athletic question that was hovering in High Point College this week is "Who will play the Purple Panthers will play the Little Christians" again the second time this season? The contest will be held on the campus of Wilson, N. C.

The Panthers went through a light workout Monday in preparation for the game that promises to be the hardest yet. A scrimmage was witnessed last evening under Coach Beatty. Much work is being done on both the offense and defense for the game of the week, so that his team might be ready for the contest.

The game is a post-season affair and will close the Panthers 1926 football season. The game is the second time that the game of the season until the present time has been extremely successful. The Little Christians have suffered but one defeat during the season, that being by our boys. In fact they have not been defeated with the exception of High Point's lone touchdown.

An investigation into the H. P. C. football season will disclose a record of victories and losses that will be a second in the State. The team has been well trained and has had the assistance of Dr. Andrews and his able assistants. The Little Christians have had their woes but one defeat in the season and that being by our boys. In fact they have not been defeated with the exception of High Point's lone touchdown.

THE WEAVER

The weaver sits at the eternal loom, weaving the carpet of life. And as the shuttle goes back and forth, he makes the good with the strife. Some strands of the fatal carpet are made of gold and green yet among the brightest colors a black thread is never absent. For the lives that we are living, and the things that we do and say are the threads that make our carpet. Put them by our hand—to stay.

As we view our neighbor's weaving, and the banks that he doth choose Bids us, then, make our carpet. The best of the brightest hues.

No other artist, however great, can tell us why we are there. For you alone have caught the vision By which ye weave the carpet rare.

Let her who spins, spin on. Make a pattern that's complete. So that when our carpet's finished We may spread it at His feet.

—Grover L. Angel, '29.

AWARDS MADE IN THE YELL SING CONTEST

"Bill" Shockelford, Dot Hoskins and Margaret Gandy W.0.-0.

To enroll the sell of spirit and score a large number of votes, the high school and school song preparation to the Guilford College game as a student body held a contest in which every member was eligible to participate.

Prof. E. I. Hayden, Prof. J. H. Allred, James Ellington, Miss Jewel Hughes and Miss Millard composed a committee of five to decide the winners of first and second places. The contest closed Friday evening, a clock with an index of songs and yell for the high school to choose from.

Monday morning the following decisions were announced: Miss Billy Shockelford, winner of the yellow cup, receiving the award of $5.00; Miss Dot Hoskins and Miss Margaret Gandy receiving honorable mention. Miss Dot Hoskins and Miss Margaret Gulley received the award of $2.50 for being the composers of the best school song, and James Rogers received honorable mention.

Open Forum

Students and members of Hi-Pos.

Due to reasons of my own that I feel will warrant up raising the point I hand in my resignation as Editor-in-chief of the Hi-Po. I feel that we can not afford to be unable to give my best to the publication, and since I am leaving the campus early I must curtail all school activity. Treating that the students as a whole will not lose faith in my by actions, I am Yours very truly, Charles Matthews.

STUDENTS, ATTENTION

There is one member of the faculty that we all love, and yet we are failing to show him the respect that is due. This title is due our Dean Linda Nell Lemley, and we want to give him the honor due him. Let us not forget to call him Dean Linda Nell Lemley—Ethel Blackwelder.

WHO'S WHO

PROF. N. Y. YARBOURGH, A. B.
Associate Professor of Romance Languages

Professor Yarborough was born at Spartanburg, S. C. He was reared and received his early education at Cross Anchor, a small village near Spartanburg. He finished Wofford College at Spartanburg, in 1923, receiving an A. B. degree.

The following year he taught in the public schools at High School, North Carolina. He also taught a year in Hyatt Park High School, Columbia, S. C., and the same year he took graduate work at University of South Carolina in Columbia, S. C. He attended the same University during the summers of 1923 and 1924.

When he joined the faculty at High Point College, he was made Associate Professor of Romance Languages and Dean of men.

PROF. J. D. HARDY, A. B.
Professor of Biology

Professor Hardy is a native of Halifax county, North Carolina. He received his early training at Central Academy. Elon College, Elon, N. C., gave him an A. B. degree and also a Westernmost Theological Seminary gave him a B. Th. degree.

He was principal of high school at Rockefeller, N. C., as well as principal of a school in Goldsboro, N. C. At the same time he acted as pastor of a church.

He spent a year at John Hopkins University as a special student. The following year he received a scholarship at Woods Hole, Mass., the largest marine biological laboratory in the world. While here he was elected a Fellow of the National Academy of Sciences and universities.

When he was two years ago he joined the faculty at High Point College and was made professor of biology.

In a Country Graveyard

Here is an epitaph in a country graveyard near Eatontown, New Jersey. Re kole and see as you pass by. As you are not in a hurry...

As I am now so you must be.
Prepare for death and follow me.

To follow you I am not content,
Until I know which way you went.

—Poe

JOKE DEPT.

Why and Wherefore

The other day when I gave my fellow students the "once over," I noticed that Effie Beck was growing young, while Mabel Butler grows even older.

I also overheard an argument between two girls. One said: "He's nice." The other said: "Bosie said he was a Hee.

Effie Beck is very particular. He never takes the lemon's, but always gets the Pickers.

Alice Allen is interested in hiking. Do you suppose she's planning to become a Walker?

Elizabeth Nicholson's teeth are bothering her. For what else would she have so many dates with that young Dennis?

Pat Pashbill is looking out for the future. At any rate he studies a great deal about Holmes.

When asked his reason for buying a ring at this time of the year, Julian answered conclusively: "Oh, I just wanted a Jewel."

John Perry's name consists chiefly of Latin those days.

Polly Elinson was caught gazing intently at a fall display of goods and other sporting goods in a hardware store. Can it be that she has thought of becoming a Hunter?

Pauline Whitaker declares a home is not complete without a pet. Probably she is right.

Jack McPhail's specialty is tied boxes. It isn't for a pigeon, oh no, it's a Martin.

A certain young man wrote the following letter to a prominent business firm ordering a razor:

Dear Sirs—Please find enclosed $1.50 for one of your razors as advertised and oblige, John Jones.

P. S.—I forget to enclose the money. Do you doubt a firm of your standing will send the razor anyway? The firm addressed, received the letter and replied as follows:

Dear Sir,

Your most valued order received the other day and will say in reply that we are sending the razor as per request and hope that it will prove satisfactory.

John Doe & Co.

P. S.—We forget to enclose the razor, but no doubt a man with our checks will have no need of it.

When a Boy Goes Mad With Heartbreak

Most any time between November 15 and November 30.

Most any time between December 11 and December 23.

Most any time between February 1 and February 14.

Most any time between March 15th and April 15th.

Most any time when there's a birthday or special occasion.

I wonder why...

—The Reason Why

Traffic Cop: "Hey, what do you mean speeding along here like a madman. Want to kill somebody? Why don't you use your noodle?"

Carroll: "Noodle? Noodle? Where in the heck is that? I pushed and pulled and jiggled everything on the dashboard but I didn't see any noodle there.

Patient: "Have you any further advice to give me about the treatment of my feet?"

Specialist: "I would recommend that you wash them occasionally, but I don't dare do it, for I'm afraid the fungus would have me arrested for practicing medicine without a license."

Phone 2171

It's a wise college man that knows his own clothes and keeps them.

"Don't!" "Let's think hard now."

Daily: "Let's do something you can do too."

Prof. Hardy: "What animal makes the nearest approach to man?"

Jimmie E.: "The mosquito."

First Father: "Is he any smarter now than when he went away to college?"

Second Father: "Well, a degree."

It's better to smell here than elsewhere.

Prof. McCanless (to math class): "Now let everybody pay close attention while I run over the board problem.

Senior (showing him the building block): "Nonsense! It's the chemistry lab downstairs that you smell."

Prof. Morzane: "Name three articles that contain starches?"

Mr. Dozier: "Two cuffs and collar."

THANKSGIVING TO BE IN HOP ASSOCIATION

According to Dr. Andrews, presi- dent of High Point College, the day after Turkey Day prayer service will be held in the First M. P. Church under the aus- pices of the Christian Endeavor. Students at the college will be excused from their regular classes to attend the service. No formal program has been arranged for the day, but doubtless many of the students will spend the day with their parents. Dean Lindsey announces that no student will be excused from the classes the day preceding nor the day following Thanksgiving.

For the students who remain at the college, a night of prayer and turkey dinner will be served in the college gymnasium. Although there is no Thanksgiving football game scheduled, there will be a Thanksgiving game evening by going to the stadium with the football classic clo- sure.

The dormitory girls will follow up these solemn customs inviting the small children of the M. P. Orphan House, Miss F. E. Pendley, secretary of the society, and she was present.

The important athletic question that is the one that the college has been answered. The Panther will play the "Little Christians" on Saturday.

The Panthers went through a light workout Monday in preparation for the game that promises to be the toughest of the season. A light and quick running back, Darrell McFadden, and Brooksin and Chey Benlout are playing for the second week, so that team might lack depth and quality.

The night will be a gala affair, and will close the Panthers 1920 football season. The present time has been extremely suc- cessful for the junior class, who have suffered but one defeat during the season, that being by our boys. In fact they have not been defeated near with the exception of High Point's own team.

An investigation into the H. C. F. football season will disclose a record such as this: High Point 0, Greensboro 0; High Point 0, Lenoir-Rhyne 29; High Point 0, Pasa island Mariner 25; High Point 18, Milligan 7; High Point 11, Atlantic Christian 7; High Point 13, Guilford 3; High Point 5, A. C. C. 0. 11.

Many students, as well as towns- persons who have been following the game, which from all reports will be a better game than that played at Greensboro and classic ever held in Wilson. Let's go, team, duplicate your wonderful feat of the preceding weeks ago.

Mr. Hardy, the head of our be- loved local and struggling athletic instructor at John Hopkins University, here in High Point, has been elected honored guest from the Hopkins end of the meeting of the American Society for the Advancement of Science which will be held in Detroit.

The college is to be congratulated in having their football team to conduct their important programs.

Miss Idle (bursting into a noisy room just before time to begin class)

"Has hadn't been turned loose in here?"

Brightest Student: "No; Paradise Lost."
WHAT ABOUT IT?

It was in a wonderful manner that the High Point College student body had made their football teams on Tuesday last and aided materially in gaining the school’s first victory over Guilford. What a great impression that must have made on outsiders with their great show of college spirit.

However, at what a shame it is, that right in the heart of our school interests we are running flirtas, worth-while enough, but unhappily the vote was the note for the entire school’s subsisting for the Hi-Po. Unanimous are those who are weighing upon us no blame, and as well it might be, for one could ask more.

The lack of subscriptions has plagued the staff in an embarrassing position. If money is not received soon, the Hi-Po will cease to be. From all appearances in the day of publication the paper has become a popular thing. Many students look forward for it from one week to the next. May you ask, the question, “Would you miss it, if it were taken away?”

The staff might publish the names of those who have subscribed, and likewise a list of the slackers. But at the present time the latter class is going to be given no more chance.

Subscriptions will be received by any member of the staff during the next ten days. We leave you with the following words: Are you followers of the crow or are you backers of your yardstick?

— Ralph Mulligan.

IS O. HENRY DOOMED?

H. L. Mencken, critic and writer, comes in for a lot of criticism because of his optimistic attitude. He, who has never seen good face any dark thing, and that is true. But we will have to lend him credit for one thing: whether we agree with his ideas or not, he sets our minds to thinking. Perhaps this is the reason so many of us do not like him; we do not like to think.

Mencken made a statement some time ago which has had me stirred up ever since. He was lambasting O. Henry, North Carolina’s most famous writer. He said, O. Henry’s stories will live through the ages—which is a rather diverting thought for those of us who love North Carolina and want to see it get along.

Because he gave me the chance to become immortal a story must portray a greater character, and O. Henry has rather defiled his characters, supplanting most of his genius to devoting situations, plots and surprise endings—which is a mechanical feat at best. Although he has given O. Henry only casually, I myself have noticed that his characters partake more of the nature of types than of individuals.

At first one rebels at Mencken’s notion about O. Henry; particularly if we live within fifteen miles of Greensboro, O. Henry’s birthplace. Mencken has an air about his writing that makes one rebel anyhow.

But the fact remains which is a rather disconcerting thought for thus, of us who love North Carolina, that to become immortal a story must portray a greater character, and O. Henry has rather defiled his characters, supplanting most of his genius to devoting situations, plots and surprise endings—which is a mechanical feat at best. Although he has given O. Henry only casually, I myself have noticed that his characters partake more of the nature of types than of individuals.

Perhaps this is the reason so many of us do not like him; we do not like to think.

Mencken made a statement some time ago which has had me stirred up ever since. He was lambasting O. Henry, North Carolina’s most famous writer. He said, O. Henry’s stories will live through the ages—which is a rather diverting thought for those of us who love North Carolina and want to see it get along.

Because he gave me the chance to become immortal a story must portray a greater character, and O. Henry has rather defiled his characters, supplanting most of his genius to devoting situations, plots and surprise endings—which is a mechanical feat at best. Although he has given O. Henry only casually, I myself have noticed that his characters partake more of the nature of types than of individuals.

At first one rebels at Mencken’s notion about O. Henry; particularly if we live within fifteen miles of Greensboro, O. Henry’s birthplace. Mencken has an air about his writing that makes one rebel anyhow. However, I have slept with the idea several months, and am now ready to agree with him.

No doubt, there are some great stories which do not portray great characters. Still, a writer’s chances of becoming immortal are multiplied a hundredfold if he presents a character that will live in the minds of his readers, even after the story itself has been forgotten. The idea that his work will not live through the ages is a very sad thing for a writer, no matter how much he desires it. I, for one, was surprised, in fact, almost astonished, feeling for a moment that the printer had left out something.

If O. Henry were not a North Carolinian, I would not be so anxious to write his story. I am hoping he will live. But I fear a great disappointment will be my lot.

W-H-O’S WHO

PROF. N. P. YARBOROUGH, a. a.
Associate Professor of Romance Languages

Professor Yarborough was born at Sparkenburg, N. C., in 1892, and received his early education at Cross Anchor, a small village near Sparkenburg. He finished Wofford College at Spartanburg, in 1920, receiving a B. A. degree.

The following year he taught in the public schools at Mt. Gilead, North Carolina. He also taught a year at Rowan High School, Salisbury, S. C., and the same year he took graduate work at University of North Carolina, in the afternoon. He attended the same University during the summer of 1925.

When he joined the faculty at High Point College, he made Associate Professor of Romance Languages and Dean of men.

PROF. J. D. HARDY, a. a., b.
Professor of Biology

Professor Hardy is a native of Halifax county, North Carolina. He received his early training at Central Academy, Elon College, Elon, N. C., giving him an A. B. degree. Westminster Theological Seminary gave him a B. D. degree.

He was principal of high school at Rockingham, N. C., and later principal of a school in Fredricktown, N. C., at the same time he acted as pastor of a church.

He spent a year at Johns Hopkins University as a special student. The following year he received a scholarship at Woods Hole, Mass., the largest marine biological laboratory in the world. While here he was elected president of the Southern Scientific Association of colleges and universities.

Two years ago he joined the faculty at High Point College, and was made professor of biology.

OPEN FORUM

Students and members of Hi-Po staff:

Due to reasons of my own that I feel will warrant my actions I hand in my resignation as Editor-in-chief of the Hi-Po. I feel that I will be unable to give my best to the publication, and since I am leaving the dormitory I must drop all school activity. Trusting that the students as a whole will not lose faith in me by my actions, I am.

Yours truly,

Charlie Brooks.

STUDENTS, ATTENTION

There is one member of the faculty that we all love; and yet we are failing to show him a certain amount of respect. This failure is due to our inactivity on the part of the students. At other colleges the dean of the college is called "Dean." This title is due the dean Lindley, and we want to give him the honor due his office. Let us not forget to call him Dean Lindley.

—Ethel Blackwelder.

THE WEAVER

The weaver sits at the eternal loom.

Weaving the carpet of life.

And as the loom goes back and forth

He comes with the good with the strife.

Some strands of the fatal carpet

Are made of gold and green

And others are red and black.

A black thread may be seen

For the lives that we are living.

And the things that we do and say

Are the threads which make our carpet

Put there by our-hand to stay.

As we view our neighbor's weaving.

And the handker that he doth reams.

Behold us, then, make our carpet

Of the best and brightest hues.

No other artist, however great,

Can blend your colors there.

For you alone have caught the vision

By which we set our carpet in motion.

Let us, then, do our weaving.

Make a pattern that's complete

So that when our carpet's finished

We may spread it at His feet.

— H. J. Culclasure.

AWARDS MADE IN THE YES-LING-SYNGTLEST

Bill Shackelford, Dot Hoskins and Margaret Grearley Winners

To enliven the school spirit and secure an appropriate yield and school song program by the Guilford College game, the student body held a contest and Miss Billy Shackelford, winner of the yes-lings contest, composed a song which won the award of $25.00 for being the com- posers of the best school song, and James Rogers received honorable mention.
PERSONALS

Ans McArthur, Inez Trogon and Nettie Stewart spent the week-end at Stanfield.
Callie Isley spent the week-end with her parents at Burlington.
Bulent Johnson, a former student, visited the college.
Ralph Foust, Weatherly Stone, Ralph Finch and Thelma Finch, a former student, attended the game in Greensboro last Tuesday.
May Snipes spent the week-end with Mrs. C. A. Cecil, High Point.
Minnes "Bet" Scott, Ross and Marie Hans; Messrs. Oliver Scott, Tom and Yenoss Hans, of Winston-Salem, visited Lillie Mae Davis Sunday.
Mr. Davis was the week-end guest of Miss Tsy Spy, Trinity College. The two spent Monday evening at her home in Lexington.
Mary Elizabeth and Emmett Carpenter spent Sunday afternoon with Lillie Mae Davis and May Snipes.
Blanche Ingram was a visitor at the college recently.
Dot Lamb and Lorna Wood spent Sunday at their homes in Randleman.
Miss Helen Hayes was their guest.

KAPPA PHIS TO HOLD CEREMONIES FRIDAY

The Kappa Phi fraternity will hold its first initiatory ceremonies on Monday evening, at seven o'clock, which time, "Book" Hauser, Frances Greenwalt, John Perry and Leo Method will be taken in as active members of the organization. Some of the leading professional and business men of High Point have been taken in as honorary members and are especially interested in the success of the first fraternity to be organized on the High Point College campus.

The Kappa Phi boys are planning a big social event for the near future and likewise an entertainment for the benefit of one of the classes which is doing a great thing for the school.

JUNIORS HOLD REGULAR MEETING

"Hark! Hark! Come for a lark! Mother Goose is coming to town.
She'll welcome her crew
So wear your best suit or gown."

The Junior class held its regular business meeting Monday night at the close of the meeting Miss Mabel Williams, the class advisor, invited the entire class to meet in Prof. Smith's studio. Everyone had already received his invitation as he knew who he was to represent. It was a mother goose, party, as each member dressed to represent different characters in the Mother Goose rhyme such as Alice in Wonderland, Jack and Jill, Little Be-Bop, Johnny Green, King Cole and many others. Different members were called to give a characteristic stunt and the others tried to guess who they were.

Miss Mabel Williams, accompanied by Miss McArthur at the piano, sang a solo which was suitable for the occasion. After many gags were played, Jack and Jill served punch, which was followed by punch and animal cakes.

SPRING BREAK STARTS

The spring break for the students begins Monday, March 25th and runs through Thursday, March 28th.

LIBRARY CLOSED LAST WEDNESDAY

On last Wednesday one could easily guess who didn't go to chapel the day the student librarians and those who worked on the library did not appear to answer the door for some minutes after the regular time for the library to be opened and wondered why the librarians were not present. Those who had attended upon the chapel services the preceding morning, were among them as to the reason that no one had appeared to open the doors. A little later in the day, the student librarians and Mr. Johnson were in the library band at work. The plan was, however, closed to students. The librarians were gathering information with a view to cataloguing the books. A great amount of confusion will be relieved when this is done, and maybe the students can find the books they want.

PERFORMERS

Ana McArthur, Inez Trogon and Nettie Stewart spent the week-end at Stanfield.
Callie Isley spent the week-end with her parents at Burlington.
Bulent Johnson, a former student, visited the college.
Ralph Foust, Weatherly Stone, Ralph Finch and Thelma Finch, a former student, attended the game in Greensboro last Tuesday.
May Snipes spent the week-end with Mrs. C. A. Cecil, High Point.

The document contains a variety of notices and ads, typical of a small-town newspaper's content, including advertisements for local businesses and personal notices.
Thanksgiving Tomorrow

Thanksgiving Day, tomorrow, will be no class, but the college will be open, as it always is on such an ordinary holiday. It is a day set aside by Providence for consecration for worship and thanksgiving. Countless are the blessings for which we have reason to give thanks, and it has been good to the American people, as the part of our country. Many students must have been in North Carolina. Let us give thanks, therefore, before the opening of the Thanksgiving meeting of the P. M. Conference, although it is a day we hope to serve the church temporarily.

For the benefit of those who are not familiar with this section of the country, and the citizens of the town.

Obligations
Students of High Point College, this is an appeal to your honor. Three weeks ago you, as a body, unanimously asserted that you would work for a better college, and that in order to date only about a third have paid up. While we realize that there have been many things that have dented your capital lately, still it is up to you to make your pledge. Nothing better can be said of your present condition than that it is "moral and social bond." The student body of High Point College is responsible for the upbuilding of itself, and we feel that we can do it if we work together. It is a matter of pride to us, and of pride to the school, that we are up to date in every way.

Future Students
The success of any institution depends upon its students, upon their faith and loyalty. The student enrollment of High Point College is one of the largest in the state, and we feel that the administration of the college should be as successful as the student body. The number of students enrolled this year is not much larger than that of the previous year, but it is still a credit to the college and to the students who have worked so hard to make it a success.

Football Season
The football season has been successful, and we feel that the students who support the team should feel proud that they have been represented on the teams of other educational institutions. This is an age of opportunities in education, and we feel that the students of High Point College should take advantage of these opportunities. The football season has been a success, and we feel that the students of High Point College should be proud of their team.

Society
A short summary shows the results of all the games:

"Clothes That Appeal to College Men"

40's Square Dancing Cause Us to Say

"If it comes from Matton's that's all you need to know"
Mr. P. B. Rogers presented his view of High Point College 40 years hence. To merely say that his prophecy was interesting would do it injustice. Many of the additions and alterations which he made regarding the college will undoubtedly be a reality. The Mr. Yor spoke on "Our Greatest Americans." Declaring many expected to hear the name of Washington, Lincoln, Butterfield, or oth could be shown that young Franklin Frank, and showed where his greatness oined that of other. Mr. Glenn Perry furnished the night with some very clever jokes which was followed by a series of excellent talk, Mr. Charlie Brooks spoke on the place for "Cheering the Hundred." More will be heard about this night. Some very good reason why every boy and girl should be there.

The critic's report is certainly worthy of special mention. His criticism was a favorable nature and he urged that each one strive for even better presentation.

Athletic Editor Picks Little Five All-State Grid Team

At the conclusion of every football season it is customary for the sports writers throughout the state to pick an All-State Grid Team. This year, however, the grid teams were so muddled down as to the 1926 season that coaches and sports writers were a little reluctant to name all-state athletes. With the single exception of Spurling of Johnston-Rose, who was chosen several as the best fullback in the state, there was not a member of a "Little Five" team given any consideration. In view of this, the sports department of the "Hi-Po" went to work to pick an all-state team composed entirely of players who have played the "Little Five" series, with the exception of Lenius-Bray, Griffin, Atlantic Christian College, Elon and High Point College.

All five of these teams have played wonderful seasons and have been closely rated between them. Lenius-Bray was undoubtedly the best team of the "Little Five," but the others, that is, Lenius-Bray, and High Point, are also good teams. Perhaps the answer to our question of which teams are the right pairings is McRee, from center to guard, and Sours, of Atlantic Christian, there were no awards of any kind.

The Guards.

There have been no other outstanding guards this year although there are several who have shown some average. The guards on the "Little Five" teams are as follows: Jones, and Hardin, of Atlantic Christian College; and Over, of McRee. These are all aggressive men and will make a fine team for the next year.

For backfield, a team of McRee, High Point, gets the call over a team of Spurling, of Johnston-Rose, and Sours, of Atlantic Christian, on account of the fact that his regular place is in the backfield.

Quarterback.

There was an abundance of good half backs this season, but the one which stood out as a good back carrier was the call for the first eleven. Both are headiest of the trio and is as cool as the finest and to be a headman. Cox is probably the best drop kicker in the state. He is also the best drop kicker in the state. He is also a good passer and a fair ball carrier. There is little to choose between Beauty and Brussee, of High Point College, which should be placed on the second team, but so Beauty is probably the better back carrier.

Fullbacks.

There were a number of good half backs among the smaller colleges. Mitchell, of Elon, is a fine fullback; Inman, of E. E., and E. Weygandt, of Atlantic Christian College; Earthwine and Kelly, of Elon; High Point, Johnson, and their backs; Over, of McRee, and Lenius-Bray, are all good fullbacks, but for the sake of the five teams between them. Method and Draper get the call for the first eleven. Both are headiest of the trio and is as cool as the finest the ball carrier that either Method or Draper can.

For fullback, a team of McRee, High Point, gets the call over a team of Spurling, of Johnston-Rose, and Sours, of Atlantic Christian, on account of the fact that his regular place is in the backfield.

First Team.

Whiteley (A.C.C.) ... Dixon (H. P.)
Mills (H. P.) ... Jones (Elon)
Man (R. H. B.) ... Taylor (Elon)
Cox (Elon) ... Beam (L.-R.)
Over (L.-R.) ... R. H. B.
Ray (R. H. B.) ... Marshall (R. E.
Mcinney (Elon) ... Hardin (A. C. C.)
Phillip (L.-R.) ... Team (L.-R.)
Davis (A. C. C.) ... English (Elon)
Rapp (L.-R.) ... Spurling (L.-R.)
Gish (Elon) ... Bowers (L.-R.)
McNair (Elon) ... Bowers (L.-R.)
McKay (Elon) ... Bowers (L.-R.)
Hunt, of Johnson-Rose, are all good half backs. Inman, of Elon, and Over, of McRee, are all good backs. The only ones that stand out as good backs this year are Over, of McRee, and Sours, of Atlantic Christian, there were no awards of any kind.

The Turf.

There were a number of good half backs among the smaller colleges. Mitchell, of Elon, is a fine fullback; inman, of E. E., and E. Weygandt, of Atlantic Christian College; Earthwine and Kelly, of Elon; High Point, Johnson, and their backs; Over, of McRee, and Lenius-Bray, are all good fullbacks, but for the sake of the five teams between them. Method and Draper get the call for the first eleven. Both are headiest of the trio and is as cool as the finest

It is extremely interesting to watch the reaction of various pupils to our daily chapel services. Some go in gay and full of fun and come out like someone had poured a pail of ice-water on them. Others come out thoughtful. Their faces seem to say, "What was that?" or "That was something to think about. I wonder just what he meant?" I think that is what is happening. I wonder if anyone will ever stop short enough to say: "What do you make of that?" or "What do you think of that?"

The following program was given: "Dancing," Floyd H. Garrett, "My Ideas of World Court." B. V.

Anecdote—Dr. M. H. Housto.

Debate—Resolved, that college class attendance should be optional. Affirmative speaker was H. E. Cole, and negative speaker was Max Madison.

This program proved to be very helpful and interesting in that it taught the students to think quickly when there is no time to think. Due to Mr. Cole's originality and Mr. McAdoo's smooth delivery in favor, he was elected president in favor of the society.

PERSONALS

Ella Keck spent Thanksgiving day with Anna Eldredge at her home.

Ella Fugman spent Thanksgiving at Enfield College.

Louisa Stuits was in Stokesdale Wednesday.

T. H. Haskell spent the week-end in Salisbury with nellie Thompson.

Jesse H., Elida Anise, Louis Adams, J. W. Anise and Octavia Anise are home for the week-end. They brought back several blisters.

A. E. Little was at home in Middles for Thanksgiving.

John Perry Dover spent Thanksgiving day at his home in Stokesdale.

Over Thanksgiving, Martha and Lillie Anise were the guests of Louis Adams. The former lives in the city of High Point, but the latter in the county.

Ezora Suits spent Thanksgiving day with her mother.

Miss Pauleete Rogers' mother and Miss Rogers herself were at her home in Liberty for the week-end.

Miss Pauleete Rogers spent Thanksgiving day with her uncle, Mr. A. E. Little.

Miss Pauleete Rogers' mother and sister are home for the week-end.

Miss Pauleete Rogers' brother is at home in Stokesdale.

Elizabeth Hanley spent the week-end at her home in Julian.

Delmar Hunter, J. E. Stewart, Jim McPal and Bill Shackleford spent Thanksgiving day with Jere Trogdon at her home in Stokesdale.

Elizabeth Yabikar and Willis Pitt spent Thanksgiving day in Lexington.

Elizabeth and Edna Michelson spent Thanksgiving at Mebane with their parents.

Miss Pauline Boger's mother and sister spent Thanksgiving Sunday at her home.

Louisa Stuits was at home in Stokesdale for Thanksgiving.

Besse Henline spent Thanksgiving day visiting her mother.

Louisa Stuits spent Thanksgiving and the following week-end at her home in Randleman.

Leona Wood's sister spent Friday night at her home in Stokesdale.

Vita Denton was at home in Greensboro for the week-end.

Emma Lewis Whitaker lived on Tuesday night in Asheboro, where she was present at a church function.

Bill Reagan and Jeff Parke attended the Greensboro Institute of Virginia game at Charlotte.

Malone Milligan and "Cotton" Purdy spent the week-end with Charles Rhoby in High Point.

Ernest Johnson was at home in Guil-

Jenny McDowell started Tuesday night for Asheboro where she spent the week-end with her family. She returned to the college Thursday.

"Help, help!" cried the timid young lady, not quite sure whether the field of duties and morning call was nearer to her resort.

"What, are you afraid, Mr. Jones?"

"Oh, Jimmy, dear, the flowers are so wild!"

THAT NIGHT

PROF. J. H. ALLRED, A. B.
Professor of Romance Languages

Prof. J. H. Allred was born and reared near Asheboro. He received his early education at a private school, and was graduated at Trinity in 1892.

He graduated from the University of North Carolina in 1896, receiving his A. B. degree.

During 1898 he taught at Western College, near Asheboro, North Carolina. The same year the following year he was taught in the High Point College.

The following year he taught graduate work at North Carolina University.

In the year of 1923 he joined the faculty at High Point College and was appointed professor of romance languages.

PROF. WALTER F. MCCANLESS,
A. B. A. M.

Prof. Walter F. McCanless was born in Montgomery county, North Carolina, and had his high school education at Trinity (Randolph county), North Carolina, and college training at the University of North Carolina, from which he graduated in 1916 with the degree of B. S. (now given as A. B. degree). The three years of his life were devoted to the schools of North Carolina, to the exception of two years, 1910-1912, when he was instructor in English in Chase City College, of South Carolina. During these years he held the principalship of four public schools in North Carolina as Union Institute and Jesse High School. He was principal of school at Roanoke, N. C., and Libbyville, N. C. In 1912 he interrupted his work of teaching to graduate further his own education at the University of North Carolina from which that year he obtained his degree of B. S.

During the years 1912-1925 he was connected with the Baldwin public school system in the capacity of teacher, book-room manager, and principal of the junior high school. In the fall of 1925 he was appointed to the position of professor of mathematics in High Point College and has filled this position since that time.

FRESHMAN TO STUDY JOURNALISM NEXT WEEK

The freshman class for the next two weeks will have charge of the college daily newspaper, The High Point Enterprise.

Herefore news for this department has been gathered and written by Prof. T. E. Bright, of the journalism course.

The journalism class is included in the freshmen for this two weeks' period. However, they must needs feel free in having their pictures taken, and the freshmen are free in having theirs taken. The freshmen are free in having theirs taken. The freshmen are free in having theirs taken.

The freshmen are free in having theirs taken. The freshmen are free in having theirs taken. The freshmen are free in having theirs taken.

The Shenandoah is a rather rough vessel, hugging the opposite shore, but it still runs, so we will compliment it by referring to it as "The Shenandoah."}

The subsequent years of his life were spent in the teaching profession in many places, and Wednesday evening it crashed again. The crew, consisting of many students, was stranded at the Main Street, because the two ends of the ship could not be united. The pilot sighted everything in sight, but all is vain, as the rear wheels were locked. It is now scattered about McCall Hall.

The turbulent patients need not worry, as the engineers will have the good oil ship in running condition in a few days. L. MCCAIN.

WANTED-A FRIEND

I want a friend that's kind and true,
In whom I may confide,
To test me, to encourage me and lead me
As heart-to-heart-kindness.

I want a friend to rely on,
What need could I have of a friend that will stick until I die?
Can I find one in all the land?

"Shudder," a very large and determined woman announced as she entered the unshod ex-bachelor into his Illus Honor's chamber, "this man hasn't paid me out of slimy for seven months."

"What is the matter, Mr. Tarbotts?" sternly inquired the judge."

"I've worked lately, " said the woman."

"I never knew that," said the judge."

"Then I brought out my horse pistol."

FREDERICK B. SAINTY speaks in chapel last Monday morning. Mr. Sainty is visiting all the yearly meet- ings of the society of Friends. He spoke on the work of the Quakers in England and especially of their work during the war. He said that although the Friends are opposed to war in all its forms, they were eager to help those who are in distress or account of war.

Mr. Sainty emphasized the advantages of peace and the disadvantages of war saying that Christianity and war cannot account of war.

Mr. Frederick B. Sainty, of London, Talks About Kugland in especially of their relations with the British. He was on the other side of the street at a. Nearly strangled you and he declares he is such a high flyer.

One asked the other how he liked marriage. The same time met after nover months. Nearly every student raised his hand.

Strangely Strangled
Judge Emmons: You've nearly strangled your mother, and you declare he was on the other side of the street at a. Nearly strangled you and he declares he is such a high flyer.

Nearly every student raised his hand.

The Choice
Lett: "What kind of a car are you going to buy?"
Sprague: "I prefer the Buick, but the wife likes a Chrysler."
Lett: "Well, you'll get a lot of service out of your Chrysler."—Lett.

It Was Ever Thus
"He's a liar and a thief and a cheat, and I declared the superintendent is discussing a former employee who had gone in business for himself and became a rival of the company, and "I bought him all he knows."—Lett.

Dick Lowman: "What's the matter, Bill?"
Bill Shackleford: "I ate too many apples, and, oh, how my stomach hurts!"
Dick L.: "Your stomach doesn't hurt, you just shut it up."
Bill R. "Well, he may think so, but I know, I've got inside information."

A thing of beauty never keeps you company forever.

Bill H.: "Polly, you are sitting on my hat!"
Polly E.: "You shouldn't put your hat on my seat."
Bill H.: "You shouldn't put your seat on my hat."

Father: "How are you getting on at school now, Chub?"
Herbert C.: "Fine. We're learning words of four syllables now."

Prof. Hardy: "What is the best method to prevent the disease caused by biting insects?"
"Booby D.: "Don't bite the insects."
Sude: "You've worked this example ten times."
Prof. McCausland: "Excellent!"—Sude: "And there are ten answers."

Elisabeth H.: "Can you imagine anything going to bed with his shoes over Hangly J.: "Who does that?"
Elisabeth H.: "My horse."

Little Boy: "Look, Mob, a circus has come to town; and there's one of the clowns."
"Ma: "Thus, darling, that's not a clown. That's just a college professor."

American Boy.

White: "How would you like to go to A. and T. College?"
Dick L.: "It's cool."
White: "Yes."
Dick L.: "That would be fun, then."

"Did you know they don't have any horses anymore in Arkansas?"
"No. Why don't they?"
"Because there are nomad people in the country."

Two fathers of high school seniors were discussing their sons:

"Why, my son is so busy he has to lead an ice factory in Alaska."
"Why, man, my son would like to get a job with your son as bookkeeper."

"That's a new one on me," said the anxious parent."

Teacher: "Give me a sentence with 'washable' in it."
Small Boy: "My sister, Ann, says the water makes her, but oh, oh, washable."

A drill sergeant was drilling the recruits in the use of the rifles. Everything went smoothly until blank cartridges were distributed. Then the sergeant generously gave the command: "Fire at will!"

Private Murphy was pleased—he lowered his gun—"Which one is Will?" he asked.

James: "What kind of a dog is that?"
Private Murphy was pleased—he lowered his gun—"Which one is Will?" he asked.

"But, Herman, dear!" exclaimed a woman mother, whose only son had been killed on the job. She may be concealing something from me."

"Well, it's not refined."

"Because there are nomad people in the country."

Ringing out, ye bells!
Ring out, ye bells, bold and clear
Ring out for joy, ye children's cheer
To the world's glad tidings bear
Of the Christ at Bethlehem.

Shine, ye stars, bright and fair
Singing, for Christ is here
And the angels' songs, of love
Still clothed in honor and grace.

### The Gymnasium

There has been rumors, and even rumors have a welcome sound, that in a very short time plans will be started for one of the greatest college needs, namely, a gymnasium. We sincerely hope this is true and that these plans will materialize before many months have passed. As everyone knows, a gymnasium is one of the most vital needs of a college. It is especially a necessity. A person needs only to realize the difficulties under which he is forced to work in order to know every night to immediately say, "I'm surprised we have a team at all." Well, you know the High Point College students believe in the truth of the old saying, "The worm will turn." It makes them feel that all of these difficulties only make their efforts more worthy. "Forward," is the sentiment and the students do not want to be hampered by the lack of a gymnasium. The need is pressing and it is extremely difficult to obtain a time to practice in the YMCA. High Point is a wide-awake town and the YMCA is being used by a considerable number of students. So it can be easily concluded that this team has no chance in finding time to represent the college in athletic events. Let's not blame the team! Let's just do our best and let us not allow the university of time have passed us by. We must be assured of a college gymnasium.

### Hoodlums

One night not long ago several hoodlums broke into the room of a student and "stole" this. It was a work being worked in High Point and had his door locked; nevertheless, these thoughtless jesters broke down his door, as the hoodlums had no key. Not satisfied with this, they proceeded to destroy the room and its contents to such an extent that some things beyond repair. The faculty has made steps to right this and they have made a rule in regard to the subject, "No rule.

- Occupants of rooms in the dormitory who create disturbance or permit disorder in their rooms, or who interfere with the comforts of other students, or destroy or deface the property of the college, may be asked to withdraw without refund of fees.

Students of High Point College, let this be a reminder. Up to this time there have been only three students who have been asked to withdraw without refund, but one or two that probably have no sense of respect for themselves or others. People that deliberately deface and destroy property should never be in a place where equipment which can be bought or furnished for their comfort. The should be in the woods or somewhere where their destructive habits and foolish pranks would not seriously harm anyone. Try at least to be sensible.

### Hoodlums

Christmas!

Christmas! Just what does this word mean to you? Is it merely a holiday, or do we realize that according to the Biblical times, a celebration of the birth of the Christ-child? This season serious questions can't we have a holiday without preaching? But can we not reverence the true meaning of the season along with our sound of pleasures and not make this holiday an uprooted upheaval that requires many months of readjustment to again reach our former routine? Do not think by that one must go around with a long lace and quote reverence in your heart, and go along having just as much pleasure as if your conscience allows. You will not fail to enjoy yourself. Your conscience is not a hard task-master if you believe in reason. Do not mar your pleasure by preaching and goody-good stuff. Do not lose sight of the true significance of Christmas and your holiday will be as merry, if not merrier, than it has been.

### OPEN FORUM

As a member of the student body, we believe that we should participate in the enjoyment of sports and love to see fair play, but there are also some who wouldn't see in a fair play contest. As I passed the bulletin board last night I noticed a crowd of boys, most of them members of the Thalas Society, standing there. One had marked a game with the Thalas Society and was seen to be watching the game. It seemed as though someone knew how to manage a game. When I asked him who was in charge of the game, he said he was the Thalas Society; that the game was not only a joke, the other students didn't know it was a joke. If this had been a fair play contest, it would not have been as amusing, but this has happened before and the team will try to keep things down and destroy. As different societies we would naturally try to have the team play fair; with or without a

Little Chinese Boy Says "There Ain't No Santa Claus"

Poor, unfortunate Tom Lem. Boly bloody well you fine Christ- man but him. Christmas won’t be the same for him without Santa Claus.

Tom’s holiday corresponding to Christmas in this country occurs two months from now. The Master of High Point College and all children of the Methodist Protestant Church are making merry a week hence he will be handing out packages over the campus.

But Tom commences with the thought that he who laughs last laughs best. He had many friends in school and little children are latching at their doors. He will be making merry.

Tom is a wise little fellow—wise beyond his years. He had a chance to talk to Tom Lem. when he had a chance to see the master of the Martyr, Santa Claus. He said, when a reporter talked to him, and he grinned at the name of the school, that they hung up stockings in China.

Old Church Papers Are Given Library

First Exhibit of Students’ Work in Fine Arts Ever Held in High Point

WAS GIVEN THIS WEEK

The art class gave an excellent exhibition. There are many students who are interested in the arts. The works of art varied from watercolors to oil paintings. The students have worked hard to achieve the level of excellence that they have reached.

THE AEOLIAN CHOIR IS INVITED TO SING

One of the Missionary circles of the First Methodist Protestant church has invited the Aeolian Choir to give a concert early in January. The choir will be divided into two parts and will perform in different locations.

November

DECEMBER

The library hung on cattle eyes.

And when the earth at eve is still

The brush-burning, man, Jack, and Jill

And lady with her treasures rare

Are more distinct than here before

On December’s nights so fair.

The snowflakes have gently fallen,

Till the door

And beholding both lofty tap

By the winds shy bow and rose

And when the eyes and singing to me

Library Books Rejected

The students of High Point College have been urging the administration and his assistants for the recognition of the book collection. A number of books have been rejected and placed on the shelves in their proper order. Cards are now being made and the books will be listed in a orderly manner perhaps by the Christmas trees today.

The returning of football tags last week to the equipment room reminded one of the greatest football seasons ever enjoyed by H. P. C. students.

A short summary will disclose the facts.

High Point College was the champion of the Southern Conference in 1936. J. P. Boyle won on the field of hard playing these boys in local, Texas, backing up against the strong Protestant College’s team for the last two months. Failure to stop Sparkell, all-state halfback, one of Tark’s University, who was a neutral, could not be helped.

The Ferris Island Marines forarded the opposition for the third conflict and this year’s. H. P. C. against, yielded this time with a total of 42 points.

That was the turning point of the season. Now life, new fight and new jubilation. The boys had been in the great small games and they were never beaten again. The highly touted Mulligan team of John-Town, was defeated by the H. P. C. in one single stinging under a 15-point defeat.

The “Little Champion,” representatives of A. C. C., appeared here for our benefit and this time to Madam College, to be a by, 7-6 score.

But "Oh!" Baylour college team was our rival as well. The game being played in Greensboro, the same week, was an all-state team.

In his last bow he played the black position on the mythical all state.

The Mulligan was a member of the basketball team for the last four years and was captain of the team last year. He is an infidel in basketball, playing either second basemen or shortstop. In all this being to a wonderful fielder, he is a consistent hitter and a good base runner.

The many friends of young Mulligan will be interested in knowing that he is still around. He is reported for practice and are making a successful year in athletics at High Point College.

Chris Lee Gains Pugilistic Fame

The students of High Point College are very proud of their athletic team, and everywhere they go they tell their merits and their accomplishments on the graces, court, and diamond. Little Chris Lee, a member of our class, is within the walls of their institution there is a boy who hides fit to rise high in the boxing world. This particular young man is none other than Chris Lee

Considering the small amount of social experience which he has had, young Chris Lee has already met many a big battler from many a far city and has shown to us all the unexpected bravery seen in these parts in many a day.

Leo is stated to oppose young Chris Lee as he is a member of the American Theatre in the semi-finals of a big bow and he is just the kind of a fighter that is noted by local interest. It is expected that many college students will attend the fight to cheer their fellow students on to victory.

Besides being a boy of no mean capacity, Lee is proficient of the Nphies more class and is very popular with the family and the student today. He was also a member of the football squad, being a substitute end on the team which fought its way to second honors among the "Little Five" teams of North Carolina.

Many Report for Basketball Practice

(Continued from Page One)

It is evident that all students are playing basketball as an escape from the regular work of the college and the team looked extraordinarily well.

The prospects are unusually bright for the next season.

The following thirteen men have been reserved on the varsity squad: Branson, Kansas City; Thompson, W. Va., and Washington, D.C. The players have been reserved for basketball, and they have been selected by the coach. The team will be a formidable one this season.

The team has been set and the starting eleven has been named. The starting eleven will be announced soon.

The team will be ready for the next season as they are already well informed.

The following are the names of the starting eleven:

<table>
<thead>
<tr>
<th>Position</th>
<th>Player</th>
</tr>
</thead>
<tbody>
<tr>
<td>Center</td>
<td>Chris Lee</td>
</tr>
<tr>

Holidays Begin Saturday, December 18, and School Work Will Be Resumed Monday, January 3

MISS HARRIET MAUDE LITTLE
Bride of Floyd C. Little

Wednesday evening at 8:10 p.m. Miss Mary Bell Mauldin and Mr. Floyd C. Little were united in marriage at the home of the bride's uncle, Mr. H. B. Mauldin. Rev. Glen Mauldin performed the ceremony in the presence of a few intimate friends and relatives.

Mrs. Little is the daughter of Mr. and Mrs. Leon Mauldin of Newton, N. C. For some time she has made her home in High Point and has a position at Parkey's Store.

Mr. Little is the son of W. W. Little of Rosalia, N. C. For the past two years Mr. Little has been a student at the High Point College. Many friends here and elsewhere in the state will learn of their marriage with interest.

GRIM MONSTERS AWAIT RETURNING STUDENTS

The Terrible Trying Orders of Exams Will Baffle the Students During Holidays

NONE ESCAPE THEIR CLUTCHES

With holidays in the air we can yet see into the future very dimly. The next few weeks will be filled with the trills of so many happenings as even our return to school seems a mist. They clamour just for us on our return. It is the in- stant warning that examinations are approaching by leaps and bounds. These examinations are monsters which cannot be withstood. They threaten just as the gates of the holidays do, menacing entrance in loud, threatening voices which we cannot fail to heed. Would that we could!
JOKERS PLAY ANNOYING TRICKS
By Day or by Night, Phantoms Prowl, Leaving Destruction in Their Wake

**MYSTIC MEN OF NIGHT**

Every college has its mystic circles, High Point is no exception. The light that shone in the night (with a fantastic twinkle), was upon them. Unless those circles, not the campus itself, were brought to an end, no one will ever know for certain if the legend is true or not. Whether the report is well-founded or false, the campus should know that it can always depend on the students to help it through any troubles. So the story of the mysterious, evil forces, is well-known to all students.

**Pett Rabbit Deceased**

The Anatomy class has performed its first post-mortem examination. At the request of the junior class, the body of a rabbit was placed on the table for the afternoon and the class was divided into small groups and asked to determine the cause of death. The dissection was a great success, and the students were very pleased with their work.
