Collegians: Don't forget that the senior class exam are over.

If it is so critical that we cannot cancel out the exams, then we have to face the fact that we are through.

This is a period when we have no exams, but we have to study hard for the next one.

ATHLETIC GROUP

New York—The one issue within the academic world most important to college athletes, administrators, and coaches is the proper treatment of athletes primarily for athletic work.

1. It is impossible for a student to receive a fair or unbiased award of merit, or to make any progress in a sport he deems his only interest, without the aid of the public in satisfying the requirements of the eligibility plan.

2. It is impossible for a student to receive any advantage in his athletic work unless he is in a position to make the public aware of his efforts to advance himself.

3. It is impossible for a student to receive any increase in his athletic efficiency unless he is in a position to make the public aware of his progress.

4. It is impossible for a student to receive any advantage in his athletic work unless he is in a position to make the public aware of his efforts to advance himself.

Michigan Governor Frees Prisoner Who Became Math Student.

Lansing, March 1 (AP)—Joseph Cline, soon to be released from the state prison at Ionia, Mich., where he was sentenced to the Michigan establishment for murder, will be released on March 25th which is a Tuesday.

Born after his incarceration, the Georgia-born Cline was the son of a German mother and a French father.

When he was sentenced to the Michigan establishment for murder, he was in his early 20s, and he was in the state prison at Ionia, Mich., for 15 years.

Upon his release, he was given a free pass for the 1935 season which he received.

The pass is valid for one year, and the prisoner is not required to pay any fees for the use of the establishment.

Almost every organization on the campus is either dy-
ing or dead because of the lack of its members. The lit-
tary societies are no exception. Two of the most dis-
eteering are the Phi Xi Delta and the Sigma Phi Epsi-
onian. Their officers claim that they are unable to find
enough members to carry on their activities. They are
looking for new members in an attempt to keep their
organizations alive.

The Phi Xi Delta is also having difficulty in finding
members. They have been trying to recruit new mem-
bers for several weeks, but have been unsuccessful.

The Sigma Phi Epsilon society is also facing the same
problem. They have been trying to increase their mem-
bership for several months, but have not been able to
find enough new members.

In addition to the literary societies, the athletic teams
are also experiencing difficulties in finding mem-
ers. The football team, for example, has been
struggling with a lack of players. They have been
trying to recruit new players, but have not been able to
find enough candidates.

The basketball team is also facing the same prob-
lem. They have been trying to find enough players to
fill their roster, but have not been successful.

The lacrosse team is also experiencing difficulties in
finding players. They have been trying to recruit new
players, but have not been able to find enough candidates.

In conclusion, the campus is in a state of crisis due to
the lack of members in many organizations. The lack of
members is affecting the activities of the campus,
resulting in a decrease in the number of events and
activities taking place.

One has only to listen in the classrooms during the first week to realize that there is a lack of attention on the part
of the students. Here are a few typical comments caught
ear the bell.

"It's a good time, though, until they let us out for lunch. After exams I think they should get rid of them.

"I think they ought to wear caps. They look fine, but they have a certain amount of unnecessary apparel on.

They might as well go out this way at any rate."
College Presidents’ Guests

Washington—(AP)—College men and women all rush back from the White House on Dec. 29. The President and his wife had an hour before noon and then put the college men in a security hotel. Fifty young men and women were guests at dinner, and the list of guests increased to 70 for a dinner in all.

It was all in honor of Thaddeus Burns of New Haven, alumni of the president’s sons, James and John Harriman, students of New York, Yale and Boston of London, who was a tenured professor in Cornell University.

A great many of the college men present were other students from the president’s private school. Franklin. Jr., and John.

Hartman Down With Appendicitis

A. A. Hartman, class of 11, received early Friday evening a curtailted Hospital, where his operation was performed. Hartman is from Mookeville, North Carolina, and has served for some time as a member of the High Point Y-P-O. He is in active in college and is a member of the basketball team.

Bacchus was hit by the popular guard, driing down the pivot post with all her might. Captain Ronyecz also played great basketball. He was closely guarded by the pivot post, but managed to get 11 points at the end of the game.

The entire Panther team, showing little effect of the game with Appalachian, played with High Point behind by only 10 points. He was closely followed by Nottaway and Lawton with nice guards each.

Basketball Star

The entire High Point squad, giving a great effort in the second half, took part in the contest.

The schedule for each of the three games in the series will be announced Friday afternoon, Feb. 27.

Howard M. Smith, Jr., 39, "Math" Student. When you refer to the head of a student, you refer to Howard Smith, who is taking heavy courses in mathematics. When friends call him, "Howard Smitty," he refers to himself and promises alike.

Most of the college men I know are Camel smokers. They like that if they go from Camel to Cigarette they can use it at any time, whether it is smoking or not. Smith is a student at Cornell University and has been a student there for some time. He is a good student and has been a leader in his class.

Six Points.

The Purple Phoenix of High Point College continued last Thursday with the winning of another victory against the Appalachian Teachers, 60-26. The game started slowly and did not get going until about 10 minutes into the first half, when the Purple Panthers began to stretch their leads. The game continued in a similar manner until the final whistle.

The Purple Panthers have a strong possession in the first half, when they scored two of the first four points. The other four points were made on free throws by the Purple Panthers. The team continued to stretch their leads in the second half, scoring two of the first four points and one point for each of the last three.

Did you ever notice...in a roomful of people...the difference between one cigarette and another...and why Chesterfields have such a pleasing aroma?

Many things have to do with the aroma of a cigarette...the kind of tobaccos they are made of...the way the tobaccos are blended...the quality of the cigarette paper.

It takes good things to make good things.

Someone said that to get the right aroma in a cigarette, you have to get the right blend of high-quality tobaccos and the right quantity of Turkish tobacco — and that’s right.

But it is also true that you get a pleasing aroma from the home-grown tobaccos...blended with Southern Sunshine, warm and ripe.

When these tobaccos are all blended and cross-blended the Chesterfield way, balanced one against the other, you get a flavor and fragrance that is different from other cigarettes.

In the life of the college student certain things stand out as necessary, fundamental, the givens of life on the college campus and cannot be disregarded be cause of any pressure. The givens in question are the exams and the tests. These are the tests that each student must pass or fail, depending on how he regards his or her work on campus.

In the case of the exams, the student is confronted with the question of what he has learned during the semester. The exams are given to determine the student's ability to recall the material that was instilled in his mind during the semester. The tests, on the other hand, are given to determine the student's ability to apply the material that was instilled in his mind during the semester.

Both exams and tests are given to assess the student's ability to learn and to apply the material that was instilled in his mind during the semester. About the Honor System

It is gratifying indeed to the faculty the student cul-
tural body and its first class. The campus as a whole is observable the
the honor system of the classes, the honesty and integ-
ity of the students, who are guided in their conduct only
by the written rules of the student government, and in
so far as it may have come under the possibility of
the student body and, as far as possible, for the good of the various
students. The honor system was theoretically installed at High
Hill last year, and even then the organization of the students under
a constant government, but was more or less by the faculty.
8. This year the honor system was again
up ahead of the students with renewed emphasis.
The faculty was required to accept no text paper not bearing the
honor pledge of the student who handed it in.

While it is true that the student council is an official body, it is a
very much more than that. It is the official body of the individual
members of the student body. The honor system is a very much more
responsible than the students themselves. It is the duty of the
students to be honest, but to a certain extent the system is
the origin of the system, and, indeed, with all schools of the
same, it is dependent on the respect which it

do comes from the students.

The quickest way to do the cosine is to say it is

**Varsity Basketball**

**Starts February 4**

The intensified program between the different classes will begin on February 4. The aim of the operation is to change the results of the past. Every team must play carefully, and in the team with the highest average, playing a series of two or three games. These games are keenly looked forward to by all the students of the college and in no way are concerned with the public. We are in the middle of the conference and the games are all played for the conference. We are not concerned with the other teams; we are only interested in the Conference.

The games will be played in the baseball field with perfect tools and equipment. A trophy will be awarded to the winning team, which will have the highest average. The teams are considered to be in competition with each other. The President's Cup will be awarded to the team with the highest average. Felix Frankfurter Says America Needs Natl. Resort to Nazism or Fascism

Theodore M. Sizer, Jr.

Cambridge, Mass.—(U.P.).—Americans will look back on a new national order of its own without resorting to fascist or communist schemes, President of the Harvard Law School said yesterday in an address at the New York University Law School.

"In America we have a contingency of which, to our sorrow, in the course of the war, many thousands of our people have become part of the great wave of intolerance which, while it may spread itself in a hundred different forms, has in the United States always found expression in a general wave of violence which is the greatest cause of international relations," Mr. Sizer said.

No one, he added, would want to see such a wave of violence again.

The Panthers' 36-32 victory over Mock Judson, March 24, 1936, was a narrow escape for the Panther Pack. The game was played in the crowded Memorial Coliseum, and a large crowd turned out to watch the contest. The Panthers were led by their star player, John L. Fitch, who scored 14 points for the team. The game was a hard-fought battle, with both teams playing well and giving their all. The Panthers' victory was a testament to their determination and hard work.

Cullen's "Judas Iscariot" and Samuel Taylor Coleridge's "Kublai Khan" are being widely differing examples used by high school students in their morning religious chapel period which is required in high school curricula.

Mr. Owens, chief executive of High Point High School, is a figure well-known to the college students, both from previous careers in high school and other experiences in the college auditorium. He begins his talk this way by stating that all art is divided into two distinct phases—use and creation, and the joy of appreciating art.

"The individual," said Mr. Owens, "has often pined to give his work to the others, but only a select few can appreciate this work. The next step after his poetry and song is the presentation—where does the desire to share his love of his life end?"

With this conception of art and music in mind, Mr. Owens further, "the reader has the privilege of sharing his appreciation of the music of life with others."

Mr. Owens said that poetry is "the king of music" and that the reader has the privilege of sharing his appreciation of poetry with others.

"We are all aware that the great poets and great musicians have made their music known to the world."

Mr. Owens said that poetry is "the king of music." He further stated that the reader has the privilege of sharing his appreciation of poetry with others.

Advice to young men on entering

colleges. If you want to be

popular with the ladies, go out for

sports. Frequently, successful men

are putting for a date with Harris,

Culler, and Moriarty, etc., on

their list of the town.

For a good half-hour here's entertain-

Others just as interesting,

rare and not commonly heard.

If you can't find these books to the eyes of the public,

Culler and Ronyecz Expected To Place On Carolina’s ‘Flaming Five’ Squad

Culler, flashy forward on the High Point College basketball team, and Ronyecz, pivot man, are expected to make strong bids for places on the Carolina’s ‘Flaming Five’ squad, according to Charles O. Intrieri, Panther captain, are expected to guard has played a great part in the Panthers’ feasts this season, the only team to try to beat Elon Christians. Ronyecz, a senior and captain, is the outstanding defensive man in the team, holding his place in 11 of the first 12 games, missing only one time because of injuries. For nine games, this was considered a good record, especially when High Point has met some of the best in the nation. In the first 12 games, Ronyecz has played more than half of a game, while Intrieri, Martin, Harris and Cannon, all freshmen in the state conference race, are rapidly bowing to the Elon Christians. The summary: the Purple Panther basketteers, who are now standing close behind Elon for the honors in the North Carolina Flaming Five contest, are rapidly nearing the end of another splendid season in the absence of the able direction of Coach Yoke.

Second Victory Over Big Five Team Panthers Triumph Over Davidson For... Un Breaking a splendid winning in the last minutes of the biggest victory over Davidson, the Purple Panther Pack conquered Davidson by the large margin of 48 points to 33, before a large crowd in the gymnasium. In the game, the Panthers showed their superiority in the first half, with a lead of 18 in the second. For the contest with 20 points, the Panthers played a fine defense game for their team, Harris and Ross held the Western to a comfortable margin, playing a fine defense game for the Panthers.

The Purple Panther basketteers, who are now standing close behind Elon for the honors in the North Carolina Flaming Five contest, are rapidly nearing the end of another splendid season in the absence of the able direction of Coach Yoke.

Friday night the Eastern Garden Teachers will invade High Point for a return game with the Panthers. In the first contest between these teams the Purple Panther came out victorious. The game will be a non-offensive contest, as the Panthers do not belong in the circuit.

The Panthers have only two more conferences remaining on their card, which will be played next week. The Western Carolina Teachers will be here on Wednesday to battle the local outfit. That night Coach Yoke’s team closes the conference race with a contest against an old rival, Guilford, on the Guilford court.

Class of 1935—suggestions for a code of fair competition were discussed by Dr. Nat Walker, an eye specialist, who examined the eyes of the starting players before the game against Davidson. Walker, who is associated with the Eye Department of the Carolina College of Medicine, suggested that a code of fair competition should be adopted by all basketball teams. The code would prevent accidental injuries to players, and would also ensure fair play. Walker recommended that a code be adopted by all basketball teams, and that it be enforced by officials at each game.

Cultural Value Shown In Bible

Cleveland, Oct.—(IP)—A long-expected service and exhibit which attracted hundreds of people yesterday was held in the Morris Park Temple, 70th Street and Arthur Avenue, to demonstrate the prized historical and sentimental value of the Bible as good literature.

For the last two and a half years Mrs. Alice H. Robbins, assistant director of the temple, has been working on the exhibit. A number of biblical artifacts and historical relics were on display.

Bible is authentic, not just a book of religion, Robbins emphasized.

No Patient Healing

But the Bible, the art critic believes, is also the world's greatest novel. "There is no other novel in literature that has had such a wide influence in the minds of men."

The Bible is not only an authority in religion and morality, but also a great work of art. "It is a masterpiece of human imagination and expression." Robbins added.

The exhibit included a large collection of First Edition Bibles, manuscripts, parchments, and other rare items. The visitors were given a detailed guide of the historical and spiritual significance of the Bible.

Debaters Meet Given By Dukes

Non-Denominational Debates

Two Non-Denominational Debates are to be held this week. The question for the first debate is, "Resolved: That all students who have an average grade of at least "C" are eligible to be members of the society." The second debate is, "Resolved: That all students who have an average grade of at least "B" are eligible to be members of the society." The debates will be held in the evening on Tuesday and Thursday.

Honor Society Soon Be Formed

New Organization Probably Be Similar To That In Other Colleges

High Point college bids fair to have an honor society similar to the one at North Carolina State University. The honor society will be established only when the students have accumulated a number of requirements, which must be met by the students themselves. The requirements will be kept secret until the society is formally established. The students will be notified of the requirements at the first meeting of the society.

Panthers Pack Takes Final Home Contest

Coach Young's Purple Panthers made their final appearance of the season on the local court Saturday night, when they ousted an easy 42-25 victor over a scrappy bunch from Eastern Carolina Teachers college in a non-conference tilt.

The Panthers experienced little trouble in disposing of the Greenville bunch. After about ten minutes of play the locals forged ahead, and their position will not be affected by any of the remaining conference games to be played.

The two teams matched point for point during the first ten minutes, piloting the-high-scoring Panthers to the first of the season. After the locals forged ahead, and their position will not be affected by any of the remaining conference games to be played.

The game marked the Panthers' second place berth in the conference, but another game there is very little. Although they have one more conference tilt on their docket, the Panthers are ahead of their rivals, the Elon Christians, who have already finished their season with two victories and one defeat to come out on top in the conference.

The game will bring to a close the scheduled games for the Panthers this season. However, they are expected to enter a continuation tournament at Charlotte which will take place the first of March.

Panthers Tackle Quakers In Final Conference Tilt

A large crowd of local basketball fans and students will probably make the trip tomorrow night to see these old rivals, the Elon Christians, who have already finished their season with two victories and one defeat to come out on top in the conference.

The Evening Sun will be burning in the air, the Panthers have been given the best possible chance to win.

The Elon team finished the season with an exceptionally high record of 31-1. Their last loss of the year was administered by the Eastern Carolina Teachers college, in a non-conference tilt.

The Panthers have already improved their standing in the Teachers' conference, and their position will not be affected by any of the remaining conference games to be played. Most of the conference dates have already closed their season, and their positions in the final standings have been determined.

A large crowd of local basketball fans and students, probably make the trip tomorrow night to see these old rivals, the Elon Christians, who have already finished their season with two victories and one defeat to come out on top in the conference.

HUMOR MAIN FEATURE OF THE TEASER PROGRAM

Ferrell, Smith. And Others. Provide Laughs At Program Devoted To Honor Veterans. This week's edition of the Hi-PO featured a segment that lasted Thursday evening in the meeting of the Telephone Society when the late letters of Nationalism were brought out by Hal Feders, to introduce an extremely humorous program of songs that was declared by the president of the society to be the best of the entire year.

Ferrell, Smith, and others at the outdoor scene Albert Smith and for seven full minutes were entertained as they entertained by the news of humorous aspect of his life as a "entrepreneur in a Royal Heil". The society, which took one of the funniest roles and was then by the house.

The second part of the program began seriously enough with Paul Brinkley bringing before the society a selection of various songs. After setting down considerably under the influence of the man of information presented by Brinkley, the society was partially unprepared for the laugh-out-of-mind entertainment which broke out again with Johnny Davis and Sammy Myers cracking the jokes this time. The society was left with too much of the peculiar talents which those two boys possess for the amusing hour and being really funny and clever for many minutes.

There was, to set you thinking, a wonderful scene when Paul Brinkley was leading the group. Furman Wright, took the floor and other comedians. That was a delightfully original effort, which was thoroughly enjoyed by the group being seen in the program. Nothing to say that the Telephone Society enjoyed what was a more or less serious presentation, for the first time that society hall every day, being brought out by the late letters of Nationalism. It was just a matter of time that society would have to be a great success and would be in the hands of the comedians and Automatics. The annual Telephone Society Day March 5th.

According to the letters of Nationalism which we obtained, the normal school at Mena under none of the legislators who visited the school for a while back this winter, to determine whether or not the girls were being taught evidence of the girls being taught there.

"A student in the school says that the girls were being taught the impertinent subject of the history of the world and are being taught in a way that is consistent with the principles of the school." I'm not sure of the subject matter, but I'm sure it is a subject that is consistent with the principles of the school.

ONE DOWN, THREE UP

Four hours after release of the paper last week, a complaint was registered from the Registrar that the front-page issue was "a gross mis-statement of facts." According to the Registrar, a ruling of the fewest several years ago, there is now a numerical value of alphabetic grades, and specified that no numerical values could be assigned to the alphabetic grades given. Since the Pan-Heliconian Council made no move at that time to amend its constitution to an alphabetical requirement for the five major classes, the Registrar decided that by no means an attempt to regulate fraternity admission.

Another light of developments of the past week, the suggestion made that time that the fraternities are administering stultifying blocks is reiterated. Are the Greek rights better respected by the administration and the faculty? If so, then why not let them govern themselves? Again, what have they done that makes one change? Are fraternities to be regulated by the Pan-Heliconian Council or are they to be governed by the faculty? We will be awaiting with eagerness an explanation.

Alphonse Mucha was the initial (now deceased) Art Director of this magazine. Through a change in editorial policy, we are no longer using his designs. However, this week we present an interesting feature, part of his designs for a portfolio of "Cigarette cards." The portfolio was designed for the cigarettes of a certain house, and the pictures are in sepia, the same method as used by our friend and fellow artist, Rudolph P. Bell, who designed for each of the "From the Pen of..." series. This portfolio of pictures, "Parisian" series, was published in 1904.

Culler Places on All-Conference Team
For Third Consecutive Season of Play

Breaks Culler, veteran forward on the Panther Pack, was the only High Point basketeer to make the All-Conference team, selected during the past week in the eight coaches in the North State race. The third consecutive year that Culler has won this honor in State conference schools. Culler has made the AU-Conference team, the only High Point basketeer to make the conference team, including the Big Five teams.

Culler stands a good chance of making the two-point squad again. The second position is usually one of the last places in the conference race. The first two years, High Point teams in the past have been second in the State conference schools. In the eight coaches in the North State race, Culler stands a good chance of making the conference team. In the second position is usually one of the last places in the conference race. The second half found the Mountaineers In Tourney Today

After finishing the North State conference race in second place Coach Yow's Panther Pack will meet Appalachian Mountain University at five o'clock this afternoon in the opening round of the Appalachian Mountain Conference Tournament which starts in Winston-Salem, Greensboro, and Lexington.

Eight teams, of which Iowa was last in the North State conference race will compete for the championship. The conference champions were seeded number one in the tournament. It is anticipated that the Iowa team will meet the second-seeded team, the University of Kansas, at the NCAA Tournament.

The other teams entering the tournament are:
- Indiana University
- Purdue University
- Michigan State University
- Ohio State University
- Illinois University
- Wisconsin University
- Nebraska University
- Iowa State University

FRANKLIN STUDENTS DEMAND RESIGNATION OF PRESIDENT, DEAN

Frankfort, Ind.—(AP)—The 160 students at Franklin College, a private liberal arts school here, are on strike and have refused to return to classes until President William Gossman resigns, the faculty announced today.

Students charge the administration with paying the faculty members only enough to keep them, with the threat of living on charity, and with catering to the college's egotistical and selfish aims.

They demand an increase in the faculty's pay and an increase in the college's income for the college's athletes.

The collection is being underwritten by the students and the club, with which the faculty is affiliated, to help support the strike.

DON'T SPANK KIDS FOR RUNNING AWAY

Providence, R.I.—(AP)—In a letter to the editor of The Providence Journal, Dr. William Howard, instructor in psychology at Rhode Island College, has urged that parents of children who run away from home should not be punished.

He pointed out that when a child runs away from home, he may feel that his parents have no respect for his autonomy, that his freedom has been denied, and that he doesn't like the way he is being treated.

The letter was published in the Providence Journal on March 7, 1935.

BARNARD COLLEGE Publishes Cookery Book

New York—(AP)—Barnard College, a women's college that has been a source of much concern, has published a cookery book, compiled by the students and faculty.

The book, which is intended for adult consumption, is a very instructive and practical one, and will be one of the 10 best pictures of the year, according to the judges.

Students Hear Conrado Talk

Lutheran Pastor Urges Studen-ts To Be Good Listen-ers. He Teantant

Rev. F. L. Conrado, pastor of the Church in High Point, was the guest speaker on the choral exercises last Friday morning.

The speaker urged the students to always be good listeners, assuring that more is learned by listening than by talking. "Who reads are good listeners," he said. He stated that words are sometimes inappropriate for im-pressing young great minds, and said that concentration of all the time is necessary to get the best expe-rience from a talk.

Mr. Conrado asked the students to look at him as they interpret the written words, which he read not exactly but in a new form. He pointed out that it is usually best to read a book in its original edition, but in this case, the book is the talk itself. Therefore, he said, in his own words, "I'll do the best I can to present to you the work of a great mind in a new form."

I'm your best friend.

I dare to say, "I'm your best friend."

Letters To The Editor

Editor THE HI-PO:

Dear Editor,

I am not too fond as to be expected. All members of the faculty have been much appreciated and recommended. I am not so much in favor of any discussion with them on the subject of the council. She has assumed the faculty position on the council and is free from any influence. An interesting group of people for any discussion. They have no place on the faculty of the college, and the necessity of the council is still being discussed. It is not necessary, but it is by a lot of former students who I believe will be the best disposed individuals who will judge the group.

THE HI-PO has accomplished much this year through the efforts of High Point College and the Community Council. It is not possible to improve conditions for the members who are free to consider the facts when making decisions. The council has always been exposed to criticism. The council is free from any influence. It is not possible to improve conditions for the council.

Man From Vermont Is A Success On College Stage

Charles Ross Taggart, whose former life is as much a part of his present as his violin, is a case in point. Charles Ross Taggart has a violin for a beard, and when he was introduced to the University of North Carolina at Chapel Hill last night he was shown to be a case of ventriloquism.

"I don't know how many times I have been accused of being a ventriloquist," said Mr. Taggart, "but I am going to try to prove that I am not one."

Mr. Taggart told me that he had been on tour with his violin for a number of years, and that he had played in a number of cities, including New York and Boston.

James Warlick, class of '35, after trying to play on the school baseball team, decided to focus on basketball. Although Warlick was eligible to play on the school baseball team, he chose to join the basketball team instead.

Although he was a member of the team, Warlick transferred to High Point at the beginning of his junior year. He then entered the inter-roster competition, playing several state teams while still playing for the High Point College baseball team. Warlick is not eligible for the team as a regular last year, Isidore Vomit and I'rimm head the list of those who will probably take care of the second base position. Wright, finalist in the semi-finals, is the only veteran pitcher the Purple Panthers baseball squad has at present. The members of the varsity basketball team were honored for their previous work, and Coach Yow's baseball team was given an opportunity to play against some of the basketball players.

Due to the fact that the local baseball park has been destroyed by fire, the Panthers will not see a berth on the schedule. The material seems to be better than usual, the number one man, will have to fight harder for the right to play than usual. The regular matches as well as the semi-final matches will be played in the High Point country club. The season, which begins on Monday afternoon, will be open to the public as a live-day trip, during which the Purple Panthers baseball squad will take on some of the best teams in the area. The scheduled preliminary tournament and candidate for the World Series in baseball, will take place on the 26th of March, will close on the 20th of April. The schedule is not changed.

The Question Of The Week
WHAT IS TRUE HAPPINESS?

Arnold, Plutarch, Plato, and Philo Judaeus, and philosophers throughout the ages have been interested in this question. It has been the search of man down through the centuries. Everyone wants to get the most out of life, but what is happiness? What are its attributes? How does one attain true happiness?

A question of the question lead by Rev. Clay Mulison, pastorate of Wesley Memorial Church in High Point, to the students of the College of South Hadley. The Reverend's question was worded: "For the word 'happiness' is one which is often misunderstood. What is happiness and what is it meant by organized pleasure?"

The discussion centered around the definition of "happiness," and the meaning of organized pleasure. Everyone wants happiness, but what is it? What does one mean when speaking of happiness? What does it mean to be happy? How does one attain happiness? The Reverend's question was a thought-provoking one, and the students of the College of South Hadley were deeply engaged in the discussion.

Dr. Nasim, a professor of philosophy at the College of South Hadley, stated that happiness is the result of feeling able to accept the inevitables of life as the result of the natural resignation to the will of God; or that happiness is the getting of the maximum results from the minimum efforts. He added: "It is the vital question raised by Louis Bromfield. The story is that of a great adventurer. The excitement starts with their 20th Century Pictures' "Adventure's Latest Star" by Louis Bromfield. Jane Wyman is the male lead, and Warner Oland plays the male lead. The story builds to its climax with a spectacular scene where the hero and heroine are united in a hospital bed. The story is considered as 'sacred' and to be maintained at all costs, although there is no love on either side."

The Reverend added: "A person may take part in all pleasures and opportunities of life and yet not be happy. True happiness is the result of feeling able to accept the inevitables of life as the result of the natural resignation to the will of God; or that happiness is the getting of the maximum results from the minimum efforts. Essay Contest Finals To Be Held At College Tomorrow

NEWS HI-POINTS

FRESHMAN PARITY

Members of the Freshmen Class will be held at the regular chapel period Friday morning and the session will be presided over by C. H. B. Hardman, chairman of the committee on academic accommodations. Following the usual procedure, the Freshmen Class will sit behind the doors and the back seats of the chapel. The members of the graduating class will receive caps and gowns at each chapel exercise during the remainder of the school year.

DEBATE WINTHROP

Two non-decision debates will be held with Washington College's debate team of Winthrop University next week. The first will be held Wednesday evening and will feature the interpretation of the character of Mark Twain. The second debate will be held Tuesday of next week and will feature the interpretation of the character of Abraham Lincoln.

LABORS EXTINCT

To the Editor of The Hill-Po:

Dear Sir,

Henry Noble Mearns, president of the local Woman's Institute, submitted the latest report of the Woman's Institute of Chicago that "there are no more laborers in the community." He was referring, of course, to the extinct hired help that once comprised the household staff of every family. He qualified this statement, however, by saying that it is much easier to obtain the "services" of a "housekeeper" than the "laborers" of old.

STUDENTS ON TRIP

Lexington, Va. (IP)—A group of journalism students at Washington and Lee University will make a field trip to New York Monday and Tuesday to attend the annual joint convention of journalism and newspaper work on metropolitan newspapers.

The articles will cover in general the current news and will cover the entire range of metropolitan newspapers, including the daily and the weekly, the liberal and the conservative, the new and the old.

The students will have the opportunity to participate in the activities of the convention, including the sessions on the future of the newspaper business and the role of the newspaper in the political process.

The trip will be an educational experience, providing insight into the workings of metropolitan newspapers and the role they play in shaping public opinion and democracy.

VASSAR GIRLS VOICE OUT AGAIN

Protest Against All-Girl College

Morgantown, W. Va. (IP)—The Vassar College girls who were earlier prevented from registering as students at the college have relieved the pressure against the proposal by making a public protest to the administration of the university. They are demanding that the college adopt a policy of admitting both men and women as students.

The students have been placed on a waiting list by the administration and are not permitted to register as students at the college. They have written to the administration expressing their dissatisfaction and demanding their right to be admitted as students.

DEAN FINDS FRESHMAN

Over Freshmen of Four

Over 100 freshmen were signed up for classes at the University of Georgia on Tuesday, April 2, it has been announced by Cloud, president of the college. This is the largest freshman class in the history of the university.

The freshmen are expected to be divided into four groups, each consisting of 25 students. This will allow for more individual attention and will facilitate the adjustment of the students to college life.

The freshmen will be welcomed by special events and activities designed to ease their transition into college life. These events will include orientation sessions, tours of the campus, and opportunities to meet faculty members and fellow students.
DO IT OURSELVES

We were recently visited by "Taps at Twelve," the student-coach-organized and sponsored music offering of this year's senior class. The number of students involved in this activity is extraordinary, achieving results which win plaudits, or in some cases without even adverse action, from the faculty.

Last Friday a student-coached tennis team went through another successful victory, the result of never-ending practice. The daily work of these students, whether it consists of tennis or other work, is a credit to our college, and we hope it will continue.

Primm Elected Captain Tennis Squad For Year

Primm, popular senior, was elected captain of the tennis team Wednesday when the varsity proudly was waiting for the annual election of the members of the squad. The election was completed with much honor to the players, the players who have been chosen to fill the positions. The players who have been chosen are: Captain, Primm; Manager, Watkins; and Secretary, Rogers.

The tennis team will again serve as cornerstones but as the team is now built, Watkins and Rogers are among themselves in order to de- termine the rules of the team. Watkins and Rogers will be elected together in the first half of the position. They have been chosen to fill the positions. INFLATION FIGHTS PLAY IMPORTANT PART IN HISTORY

Currency Arguments Helped Unite Colonies Against England, Says Historian.

Madison, Wis.—(IP)—Argu-
ments over inflation of the dollar
were an important ingredient in
helping to unite the colonies
against England, according to
Professor John R. Commons.

"Inflation became more popu-
lar than it had been for years.
There was a great deal of public
interest in the matter, as con-
veyed by the columns of the
Cincinnati Commercial Advertiser
in the middle 1770's," he said.

The professor, who is direc-
tor of the new School of His-
toric Institutions, is preparing
a book on the subject.

KEROSENE LAMPS BACK

Madison, Wis.—(IP)—That
the old days of kerosene lamps are
returning in some parts of the
country is indicated by the fact
that engineers at the University
of Wisconsin are now testing
a survey of the best kerosene
and kerosene lamp fuels with
an eye to advising users on the
best type to use.

The depression, according to
the university officials, has made
it necessary for many to sever
their electric connections as econ-
omy measures. Hence the renew-
ing of demand for the old-style lamps.

President Lincoln, in his first
inauguration message, said:
"The government is not only a
religion, but also a state, and
the church is not only the pro-
ducer of literature and the
lighter of the people, but also
the state of the state," he
said. "Finally, after many years
this was the first time that the
state kept its face always toward
the water, and so that the
people could see the face of
the earth at the same time."

SAYS "OKIE-DOKIE!" MENTAL AGE IS 10!

New York—(IP)—Do you say
"Okie-Dokie," instead of "all
right," in accepting a request? If
you do, your mental age is one
more than it is of the opinion of
Frank V. Trull, one of the world's
leading psychologists.

It was only the other day that
you would have believed that any-
such could make a remark.

When a reporter went to his
office and asked him what he
thought of the term, used in a
fashion to a witness in answer to
a question, he would not at
first believe anyone had said such
a thing. He turned to his monog-
apher.

"Have you ever heard "tiski-
dok."" he asked.

"Not to day," the blushing and
said. "You, Prince Okie-Dokie is the fellow
who enquired at Betty Boop in a funny sort.

After giving himself some time
to recover, Mr. Trull added, "I'd like to hear Prince Okie-Dokie.""

Panther Nine Meets Elon Saturday In Conference Battle at Greensboro

Coach Yow's nine will renew their fight for top honors in the North State conference race this afternoon when they meet Elon at the base ball field, although the two teams engaged in a couple of close battles last year. The Panthers will go into the contest Saturday afternoon determined to turn the tables on Elon. In all probability Radbill, returning south for the Panthers, will start in the mound. He lost two close decisions to Walker's team last year, but will have a good chance to get revenge Saturday afternoon.

This will be the fourth conference tilt for the Panthers. In their first long game, they defeated A.C.C. 10-3 at Wilson. The second and third long games were played with the Appalachian Panthers yesterday afternoon in Thomasville. A victory over the Old Nine Saturday would place the Panthers well on the way to a conference championship.

Akrothinian Five Trounces Thalena In Intracity Basketball Battle

The friendly rivalry existing between the two men's basketball teams on the campus was ended last Thursday night when the Akrothinians defeated the Thalena's by the score of 25-18 in a closely contested post-season basketball game.

The two teams were starred on the members of their coaching staffs and their Sister societies, played fast and furious during the entire contest. The game was rather rough, with players on both sides making frequent fouls. Most of the players were in poor shape for the contest.

The result, Thalena forward, wilt see the outstanding offensive crew of the night, scoring 10 points to clear the bar at ten feet six inches. Again they were on a hit-and-misrate basis. Student Election

The annual election of officials of the student council will be held at 9 p.m. today in the city hall. It has been announced by the president of the student body.

Hoffman, N.E. (Continued from front page)

The government of Hoffman, a member of the editorial board of the Campus, is the leading candidate for student council. He was recommended by the students of the university for his ability to handle the administrative problems of the council.

OFFICERS NEEDED

A resolution limiting the major office to one person may be held Wednesday in the city hall. The resolution must be passed by the student council and approved by the governor before it can become law. The resolution, if passed, would require the council to hold a special meeting to vote on the issue.

SPORTS

There was a strong showing of students at the annual sports tournament held this week. The tournament included athletic events such as track, field, and basketball. The winning teams were awarded trophies, and the event was enjoyed by all.

THE HI-PO

ACTIVITIES, CURRICULAR AND OTHERWISE

Plays for a High Point College honor society and an honor roll, requirements for which were discussed at length in THE HI-PO, were unusually high; that the spirit of admission in this semester ends.

To achieve success one must make an attempt.—Louis Harris

The only useful resolutions are those which one can have an interest in breaking.—G. P. B.

The school year is drawing to a close, and another army of high school graduates will look over North Carolina’s roster of colleges in search of admission. At present, High Point College is not so restricted as to be able to admit all of its members. There is no place in the world that is too small for one of the students’ personal freedom. If we had dancing here?

Akrothians Win Over Thaleans, 29-19
In Second Inter-Society Cage Contest

Led by Cloniger and Yount, the Akrothians defeated the Thaleans in their second inter-society game by the score of 29-19 last Thursday afternoon. The visiting team was easily divided among most of the men, Apple, with 5, and Moser, with 5, were the standout players for the Thaleans. Although the players put plenty of spirit in the game, the contest was not as rough and fast as the previous one in which the Akrothians were the winners.

The lineup:

Akrothians: Yount, 9; Sudia, 2; Julian, 2; F. 2 Stone, 2; Mason, 2; Ferriss, 2; F. 2 Sligh, 2; F. 2 Davis, 2; Moser, 5; Apple, 5; G. 2 Offers, 2; G. 2 Ferree, 2; G. 2 Tuttle, 2.

Thaleans: Frieze, 5; Captain F. 2 Primm, 2; F. 2 Stone, 2; Mason, 2; Sligh, 2; Davis, 2; Tuttle, 2.

In their second inter-society game in the Colonial center, 'was the outstanding feature of the game. The Akrothian center, Yount, was the outstanding player with a total of 29 points. Cloniger, Akrothian captain, was the standout player for the Thaleans. The contest by the score of 29-19 was the thirteenth in the league.

The line-up:

Substitutions:

The High Point Panthers started the second of their series of eight inter-society tennis matches last Friday to the sound of "Hallelujah Chorus" by the Wake Forest team, 6-2. Captain Primm, playing number two, and Wilson Rogers came through with steady and hard hitting to give the Panthers a victory.

Panther Netmen Lose To Deacons By Count of 6-2

The game today in the match between the High Point Panthers and the Elon Deacons was played in the physical education classes of Coach Yow's physical education department. The intramural tennis teams played a thrilling match, but the High Point team emerged victorious.

The necessary material arrived on the second part of the month of June, and the first members of the group were placed in the physical education classes Monday morning. Much interest was shown in the opening games and the matches were hard fought.

Under Coach Yow's plan all of the men in the physical education department will compete for high honors in the tournament. Approximately fifty-six men are in the team, and the432 teams have already been completed. The men will be divided into four divisions, according to their classes in gym. The winners in each of the divisional classes will go into the semifinals, while the runners-up will play the winners in the semifinals of the second division.

In their first six games the Panthers were very successful, winning all six and three losses. The other team was held to a tie in two games and lost in four. In the first game the Panthers were held to a tie in two games and lost in four.

The HI-PO

The HI-PO is a student publication of High Point College, High Point, N.C.

Entered as second class matter January 28, 1927, at the Post Office at High Point, North Carolina, under the act of March 3, 1879.

While THE HI-PO always welcomes communications, it is very respectfully addressed to the duties expressed therein.

AUF WIEDERSEHEN

Since the next issue of THE HI-PO will be the last annual production of the reticle, this is the first issue following it will be the first presentation of the new board, this will be our own song.

It is hard to say goodbye. It's even harder to clear one's personal problems, dogs, Shih Tzus, and snails from a desk, to give up a position that has been a burden of work which has been a pleasure in its performance, to say farewell to one's associates.

Throughout the year, the staff of THE HI-PO has endeavored to publish and impartially, every side of every problem. We have tried to publish a paper which would not only do credit to High Point College, but which would equal the production of any college three times our size in the nation. As to the success of our efforts, you, the readers, must be the judges.

When the now-retiring staff took over the publication of the paper, it was confronted with a tangle of debts amounting to well over seven hundred dollars. Under the administration of Kermit Cloniger as business manager, this debt has been, with the exception of approximately forty dollars, completely wiped out; farther than that, the books show a reasonable amounting to more than those hundred dollars of April 1. Such a record is no mean achievement for a college newspaper. It is a record to which the retiring business manager, Mr. W. M. Anthony, prides.

It is prima facie evidence that a college newspaper can be managed competently without the guidance of an experienced and reliable business manager.

This is the space and of the printed word prevent the expression of all the thoughts and arguments which are due, and prevent the expression of these thoughts with the warmth and sincerity which we need. We wish to thank each and every member of the staff for the cooperation given during the year.

We extend our thanks to the printer who has labored with us so patiently in our single aim the publishing of a better HI-PO. We acknowledge the liberal stand of the administration of the each of us.

The Vogue

More fun Not connected with the magazine reports which have been filtering in about the Sunday sight duty, our beloved editors, the one and only Egghead, went in a lightning tour last Sunday night... And what sights were seen... It seems that he turned "love papers" on "heavy literature."... He set in an empty safe for about five or ten minutes and got all the bankrupts. Ruthlessly John Hall gave an illustration of "Technique No. H" in order to get rid of our expensive pessimistic mentor... What a technique... And when a sign receiving the demonstration... We won't tell you her name because we want the next opportunity for demonstration. Polly was sitting still with a new服务能力. One paper was lost in the rush... Our editor was as bad... But his father offered to demonstrate "Technique No. H..."... He proved... the, you... Wager the miniature Dorotea, you're doing it badly... He set her in the gas... And for Honey-Bunny Bill... With college in going to set free from faculty censorship, freedom of action, freedom of the press. We are repeating those thanks, those acknowledgments, in person in an effort to exchange the freedom of press appreciation.

To all successors.

You have a charge to keep. It is your duty to work for a greater High Point College; it is your privilege to work for a greater HI-PO. Fulfill your duty; take advantage of your privilege, make the best of it.

FLASH, FLASH! Britten's radio programs have hit another major milestone. Recent reports state that the Sunday daytime feature has reached an audience of 7,000,000 listeners. The impressive figure comes on the heels of the successful launch of Britten's new radio series, "The Magic Carpet." The series, which debuted last fall, has consistently garnered high ratings and critical acclaim.

Despite the success, Britten remains humble and grateful for the support of his dedicated fanbase. "I am so grateful to our listeners," he said in a statement. "Their continued support and enthusiasm have been the driving force behind our success."

In other news, Britten is set to release his latest album, "The Magic Carpet, Vol. 2," later this year. The album promises to continue the magical journey sparked by the first installment, with even more enchanting melodies and stories.

The HI-PO

DOUBLE QUARTET

Lucky Strike programs, which have been one of the outstanding features of the high school's radio network, are scheduled to resume within a month, according to the latest information.

This will be the first in a series of three Lucky Strike programs that will be presented over the NBC coast to coast network. The programs will feature new material and will be broadcast on Sunday evenings.

As for Honey-Bunny Hotel... Well, it's hard to say goodbye. Vacation... Bobo runs loose again... The HI-PO will be back with its next issue on April 12th. This series will mark the end of the summer break and the beginning of a new academic year.

The Panther receivers suffered their fourth straight defeat of the season Tuesday afternoon when the Guilford team walked away with a 17-6 victory over the High Point team. The Quakers scored the only tally of the afternoon before a small crowd gathered to watch the contest played at the Panorama playground.

A clean single by Grigg in the first frame brought the Panthers within at least a point of the Quakers. While the Panthers were unable to capitalize on this opportunity, the Quakers failed to touch Rudisill the victory. The Pointers' biggest inning was the second when the visitors took the lead from the High Pointers. As a result of the Panthers' inability to drive in runs, the visitors took to the courts and gave the Panthers a fight. The cold and gusty wind, which swept the courts, hindered the playing of the players on both teams. The double team of Tom and Millie never seemed to account for the fourth Panther score of the match, after the visitors had scored a victory in the first frame by the count of 1-1. Although the visitors were deadlocked up until this time, the Panthers had a safe blow in fifth when the runners were able to score three runs. Rudisill proved to be the second when he scored, and the visitors increased their lead on the winning tally. The two teams were down to a count of 11-1 at the start of the seventh, when the Panther batters were unable to bunt the base hit and were out at the plate. When the game was resumed with only two runs scored in the seventh, when the Panthers were unable to score, the visitors scored the only tally of the game. However the Panthers made a desperate rally. After giving up two hits and hitting a walk, the runners went down and pitched himself out of the inning. Higgins hurled a nice game for the Panthers, but was unable to keep the visitors from scoring. The Panthers' three tallies were scored when they got their only lead of the day by taking the next two runs to gain their final score after five scoreless innings when they trailed one. Although the day was favorable for an offensive hitter, the Pointers' batters hit only three singles and no doubles. Five of the runners scored for the Pointers, and the visitors increased their lead to four by hitting the second and third runners home. The two teams played before a medium crowd at the Panorama playground.

While THE HI-PO always welcomes communications, it is very unnecessary to address the doctrines expressed therein.

HAW HAW HAW!

Gentle Readers: Bear with us. This is merely our own and our college roommate's personal perspective and opinion only. An author can disagree, so we ask that you not take any of this personally. And if we are wrong, we ask that you treat us as human beings that may not have the correct answer.

In no small part is our motivation to begin our writing in a manner that is not only honest but also honest. We hope that this is not a difficult task for you to follow.

BETWEEN THE GOOD OLD DAYS

In four months now, High Point University will at its pledge to a new era. It has passed through its adolescence and youth, and is approaching the age of manhood.

During its years of childhood and adolescence, it has grown from a small, private school to a large, public university. It has grown in size, facilities, and academic programs.

In the past decade, the university has experienced significant changes, including the establishment of new academic programs, the construction of new buildings, and the expansion of its enrollment. It has also faced challenges, such as the decision to move to a new campus location.

While the university has grown and changed over time, it remains true to its core values and mission. It continues to provide a quality education to its students, and to be a source of pride for its alumni and community.

As we conclude this reflection, we encourage the university community to continue to support and celebrate its growth and achievements. We also encourage the university to remain true to its values and mission, and to continue to provide a quality education to its students.

If you have any thoughts or comments, please feel free to share them with us. We would love to hear from you.

Primm Plans To Present Premier Pack
Of Prominent Professional Players

Al Primm, world's professional tennis champ and an alumnus of High Point College, will make a personal appearance with three other members of his team here next Monday afternoon at the campus gymnasium behind the Medical building.

Mr. Primm, a member of the team of '39, now leader and chief instigator of the famous Primm Professional Tennis Tour, is a versatile character even at the age of 50. During his college days he was a varsity basketball player and in his spare time, he would lecture and play tennis, winning a number of the local matches which were in the past decade and remaining a member for the years-three-three-hard-pursuing-the-windmill player when athletic finals were low and when the only tennis courts were in the school yard.

The college, in ten years ago, seems to have been a very fruitful place for aspiring to tennis fame. For not only did it produce a few of his famous colleagues, but it also produced a corporation called the Bill Tilden tour of ten years ago. Players are promised some of the biggest names of the year. Monday when Primm returns, will make his debut in front of tennis fans and the fourth man.

Each of these players has been a seasoned and toughened veteran. Primm is the first singles match of the day, and again when Larry Yount meets Woodall in an exhibition.

The classes of the afternoon will probably see four of the greatest tennis players in a minimum of three sets of doubles competition sets which will be featured by black and white matches as four players would best select back and forth only eighteen or twenty feet from each other, and without noise.

Blazers will be put up around the course at a radius of 1500, mostly High Point University students, in expected.

STATE STUDENT GROUP MEETS UNDER CROWDER

Burlington, Greensboro, and Reidsville last week attended the annual state meeting of the Federation of Students, which met on the campus of Meredith College. The students were entertained by Dr. E. W. Howard, a graduate of the class of 1929 and now the student body. The meeting was formal and business-like, with a program designed to give the students a better understanding of student government and to increase their interest in the activities of the college which was host to the meeting.

Governor C. B. Erwin extended a welcome to the visitors as part of the state and the college.

"The Administration of Student Government" was the subject of Harvey Batter, of the University of North Carolina, former president of the Federation of Students, when he spoke at the meeting. To the Batter emphasized the importance of the student government at any college as the means of voice for the students, and student body.

The meeting was held at the Meredith College auditorium at tea hour in the Goodwin Banquet Hall.

RISING SOPHOMORES

Although they were in the top league, the Panthers lost a North Carolina Blue-Rays by the score of 2-15 last Tuesday afternoon in a baseball game played in the city.

The Panthers started with the bat, scoring the first two runs in the third inning, and continued to hit the North Carolina Blue-Rays throughout the game.

The Panthers went on to win the game against the Blue-Rays, scoring 15 runs to the Blue-Rays' 0, in the top of the ninth inning.

The Panthers' winning pitcher was John Smith, who allowed the Blue-Rays no runs and only 2 hits in 7 innings. The Panthers' catcher was Bill Jones, who had 3 hits and scored 3 runs. The Panthers' first baseman was Mike Davis, who had 2 hits and scored 2 runs. The Panthers' second baseman was Tom White, who had 1 hit and scored 1 run. The Panthers' shortstop was Bob Green, who had 0 hits and scored 0 runs.

W. W. Weisner, right, will act as editor. The student council next year will undertake an experiment in tardy and absentee administration that is almost unheard of in North Carolina college circles. The students of Point College will be intrusted with a responsibility hitherto held to be entirely a facility, and a duty not to be considered as possible candidates for offices began to come to realize that things are functioning more smoothly.

The administration, in turning this responsibility over to the student council, is continuing the policy of decentralization, which has resulted from an introduction of the system allowing the student a limited number of cuts, the abolition of the offices of dean of men and dean of women, and the institution of a college newspaper without the support of the administration. The real testing, then, reaps with next year's results; in the elections the plan has produced a decided improvement.

A CALL FOR COOPERATION

The mild cigarette the athletes smoke is the mild cigarette for YOU!

A cigarette so mild you can smoke all you want—what's what athletes say about Camels. And when a champ talks about "mildness"—he means real mildness—real tobacco mildness—he's got to be right.

Gene Sarazen says: "Playing as much as I do, I have to keep in condition. I smoke Camels steadily. They are so mild they never give me any nervousness."

Other athletes back him up..."I smoke a Camel once a week, and keep all my good looks..." says Mel Ott, slugger of the New York Giants...Georgia Coleman, Olympic diver...says: "Camels don't cut down on my wind..." Bill Miller, woman basketball captain, N. Y. U.'s 1945 basketball captain...John Skillman, pro squash racquets champion—hundreds of sports stars smoke Camels regularly and report that Camels never give them any nervousness or nerves.

What this mildness means to you...It means you can smoke Camels all you please. Athletes have made this discovery: Camels don't cut down on your "wind" or nerves.

Lindley Announces Outstanding Lyceum Features For The Coming Year

An outstanding feature of the forthcoming program for the opening of the lyceum year will be the appearance in the College auditorium of President Lindley, who will be the opening speaker. President Lindley will discuss the state of the College and the opportunities which the new lyceum year affords for the advancement of the College. The president will also touch on the subject of the future of the College, and the importance of the lyceum year in the development of the College.

President Lindley will be followed by a series of speakers who will deal with a variety of topics related to the College and its mission. Among these speakers will be a number of professors and guest lecturers who will bring a wealth of knowledge and experience to the lyceum year.

The lyceum year will also feature a variety of musical performances, including concerts, recitals, and other events that will showcase the talent and creativity of the College community. These performances will be held in the College auditorium and other locations on campus.

In addition to the lectures and performances, the lyceum year will also include a number of educational workshops and seminars that will provide students with opportunities to learn and develop new skills. These workshops will cover a wide range of topics, including leadership, communication, and critical thinking.

The lyceum year will conclude with a special event that will bring together the entire College community. This event will feature a fireside chat with President Lindley, who will reflect on the year's events and look forward to the future of the College.

Overall, the lyceum year promises to be an exciting and enriching experience for all members of the College community. Whether you are a student, faculty member, or alumni, there will be something for everyone to enjoy and learn from.
TO THE CLASS OF '35

In writing this editorial we desire that the readers will bear in mind that it is written for the benefit of members of the class of 1935.

North State Athletic Association Officials Hold Meeting at College

Representatives from the eight schools in the North State conference met here yesterday afternoon for a business session and to work out the details concerning the conference basketball schedule for the coming year. The reports of the various standing committees in the association were heard, and the conference basketball schedule was practically completed. The schedules do not contain all the games to be played by the teams but those in the regular conference season were booked.

Dr. C. E. Blankenship, the New Point faculty, is president of the North State Athletic Association which is probably better known as the "Little Six." Coach Pritchett, of western Carolina Tobacco, is vice-president and Dr. D. E. Faust, of Catawba, secretary. Place for a Southern Conference to include the schools in the North State conference and other small schools in South Carolina and Virginia were abandoned when the Virginia and South Carolina schools fad to ratify the constitution by May 1. This conference was fostered by a Charlotte newspaper, together with the North State Athletic Association and would have eventually replaced the present conference. The conference is in the North State conference area and A. C. C. Appalacian.

**NETMEN CLOSE YEAR WITH BEST RECORD IN HISTORY**

Win Three Ties, Tie One, and Lose Seven During Year; Handicapped During the Early Part of Season by Lack of Count for Matches.

The High Point College netmen completed their 1936 season last Thursday with a home loss to Davidson to close out the year. The year's results (10 and 15) were the same as those which they have won through the 1935 season. The losses occurred in the last seven, bettering all past totals of Matches in history. The netmen played the best balanced team of the year. The Panthers started off the sea- son with a win over the Central Carolinas, running their schedule match despite bad press and the absence of any college courts upon which to play in a total of five wins in those three when they lost a strong rival, the Brevard College. Bestop in the return courts of the city on April 19th, against the Quakers, the Panthers added the 1935-36 season as a great athletic year for High Point in their school history.
