

Gaynor Announces

Homecoming Festivities Planned For February 4th; Queen To Reign

Homecoming festivities for 1956 at High Point College will take place on February 4. For this occasion a full program has been planned for the entertainment of former students. Beginning the program there will be a luncheon for the executive committee in the college cafeteria.

At 2:00 the drama and music departments will present a program of entertainment in the auditorium. Planned for the late afternoon is an open house held by Dr. and Mrs. Cooke from 4:00-5:30 for the alumni and friends of the college, and a barbeque in the student center open to anyone who makes reservations.

Climaxing the activities will be the basketball game with Catawba College in the evening. The homecoming queen, chosen by secret ballot at assembly, will be crowned at half-time and will reign at the celebration. Following the game Coach Yow will entertain the alumni in the student center, at which time the ball team will be introduced and refreshments served.

Wesley Gaynor, executive-secretary of the Alumni Association, asks that the students co-operate with the program in all aspects. The attendance of the student body at the afternoon entertainment is urged. Also, it is asked that the students remain seated and orderly during the coronation of the homecoming queen.

According to Mr. Gaynor, "all indications point to the fact that we can expect the largest and most successful turn-out in the history of the college."

KD-sponsored Mock Faculty Given Jan. 12

The annual presentation of Mock Faculty was made last January 12. The affair was sponsored by Kappa Delta Sorority and was presented in Memorial Auditorium.

To the apparent delight of the audience, the following students participated in "mocking" the faculty:

Koy Dawkins as Dr. Moffitt; Shrimp Flynt as Dr. Lorenz; Rosa Jarrett as Miss Idol; John Mann as Dr. Deskins; Jackie Nesbitt as Dr. Bartlett; Vivian Tuttle as Miss Adams;

Stan Baker as Dr. Parker; Harry Gray as Dr. Locke; Marty Neustadt as Coach Yow; Stan Broadway as Mr. Hoover; Sylvia Fox as Mrs. Perry; Shirley Jones as Miss Johnson; Helen Dunn as Mrs. Young;

Mary Alice Milbury as Miss Anderson; John Abernathy as Dean Allred; Jack Young as Dr. Cooke; Dale Swaringer as Dr. Hinshaw; Ray Wicker as Mr. Williams; Avie Gunn as Miss Bowman; Pat Cranford as Miss DeSpain;

(Continued on Page 3)

Semester Examinations Begin Today And End January 24; Pre-registration In Effect

Examination Schedule

JANUARY 16 - 24, 1956

January 16	8:20 A.M.	All sections History 1, History 5
	10:30 A.M.	All sections Business 33
	2:00 P.M.	All sections Psychology 1 and Education 33
January 17	8:20 A.M.	All sections Spanish 1, 3, 5 and French 1, 3, 7
	10:30 A.M.	All classes scheduled for 12:20 MWF
	2:00 P.M.	All sections Biology 1 and Business 3
January 18	8:20 A.M.	All classes scheduled for 11:20 MWF
	10:30 A.M.	All sections English 23
	2:00 P.M.	All sections English 1 and Sociology 1
January 19	8:20 A.M.	All classes scheduled for 9:20 MWF
	10:30 A.M.	All sections Math 1 and Math A
	2:00 P.M.	All classes scheduled for 10:20 TTS
January 20	8:20 A.M.	All sections of Religion 1
	10:30 A.M.	All classes scheduled for 1:30 MWF
	2:00 P.M.	All classes scheduled for 9:20 TTS
January 21	8:20 A.M.	All sections of Business 1
	10:30 A.M.	All classes scheduled for 11:20 TTS
January 23	8:20 A.M.	All classes scheduled for 8:20 MWF
	2:00 P.M.	All classes scheduled for 8:20 TTS
January 24	8:20 A.M.	All classes scheduled for 12:20 TTS
	10:30 A.M.	All classes scheduled for 1:30 Tues. & Thurs.

*If a course is specifically mentioned above (for example, English 1, Religion 1) the period assigned must be used for its examination on rather than the period it would fall on in the general class schedule.

Seniors Urged To Apply For Graduation

Today, January 16, the final examinations for the first semester of the 1955-1956 school year begin and will continue through January 24. Then, on January 25, or January 26 the final step of registration should be completed by taking the registration cards to the bursar's office and paying of fees.

NEW REGISTRATION METHOD

The catalogue dates for spring registration are January 25-26; however, all students who have not already done so and who are currently enrolled are urged to begin the process immediately by obtaining the necessary forms from the registrar's office and, with the aid of counseling from advisors, working out a schedule of classes. Students who thus complete course registration prior to January 25 will be accepted subject to eligibility requirements as outlined in the college catalogue.

After the freshman year, a student must pass at least nine semester hours to be eligible for readmission.

All juniors and seniors must counsel with the head of the department in which they are majoring. Freshman and sophomores may consult with the dean of the college or the registrar. In general, their courses will be the continuation of those begun in the first semester.

REGISTRATION PROCEDURE

After course selections have been made, registration procedure will be as follows:

1. For each course selected, obtain departmental O.K. on Registrar's Card. At the same time, an individual course card, showing catalogue number, title and time of meeting, must be filled out and retained by the student until registration is completed with the Bursar.
2. When all courses to be taken have been entered and O.K.'d on the Registrar's Card, copy your complete schedule on all cards in the perforated strip, and give all information called for on the back of the cards.
3. Take the perforated strip to the Registrar for final approval.
4. Complete registration by taking the perforated strip and all individual course cards to the Bursar for payment of fees. This final step may be taken only on January 25 and 26. Retain the student card, which must have the Bursar's O.K. in order to be admitted to classes.

Juniors and seniors should take careful note of degree requirements as outlined in the college catalogue, and should consult faculty advisors.

SENIOR APPLICATION

Seniors, regardless whether expecting to graduate at the regular commencement May 28, or at the close of the summer session, must make application for graduation. The appropriate blank must be filled out and left with Dean Conrad before completing registration. Those seniors expecting to qualify for a teacher's certificate by May 28 must fill out a standard form for the N. C. Department of Public Instruction. This form may be obtained in the registrar's office and should be filled out by March 1 in order to avoid delay in the issuance of the certificate.

Film Library Added To HPC Facilities

A new film library has been added to the expanding number of facilities of High Point College to be used in conjunction with Wrenn Memorial Library, according to President Dr. Dennis H. Cooke.

The third floor of the present library will be utilized to store the film collection which will include both film strips and slides, some of which will be purchased, others, rented. The films will be shown at the designation of individual instructors. Both the band room and the third floor of the library will be used to show the films.

Acting as director of the film library will be Mrs. Marjorie Payne Case, who will assume her position beginning February 1. Her duties will be to work with the instructors in selecting and obtaining the appropriate film.

The purpose of the library will be "to help enrich the instruction and to assist the teachers in making their instruction more vivid and dynamic," says Dr. Cooke. He adds, "It is hoped that later we can add auditory aids to the library."

Bulletin

The following changes for final registration procedure and paying of fees were announced by Dr. Conrad, Dean of the College.

The Bursar's staff will be in the gymnasium from 8:30 to 4:00 on January 24 in order to complete the registration of those students who have previously had their course cards approved by the registrar.

On January 25 and 26, the registration dates, both the faculty and the Bursar's staff will be available in the gymnasium from 8:30 until 4:00 for registration of students.

International Students

INTERNATIONAL STUDENTS — Christmas holidays held significance for the largest student body in the history of High Point College this year. The significance of the holiday season enjoyed by the students pictured above — those from other countries — is

one of interest to everyone. The students are, left to right, Ernest Albert, Pakistan; Lucilla Garcia, Cuba; Ben Zambrana, Bolivia; Tony Wen, Indonesia; Pedro Mayor, Cuba. Two of the international students were not present at the time the picture was taken.

One New Instructor And Three Courses To Be Added

Mr. Theodore M. Hart will assume his duties as the newest addition to the staff of High Point College at the beginning of the second semester.

Mr. Hart received his Bachelor of Arts degree from Mercer University in his home town of Macon, Georgia. From the Columbia University in New York he earned his M.A. degree and is a candidate for the Ph.D. degree

there.

Before coming to High Point Mr. Hart taught in the Alabama Polytechnic Institute at Auburn, the Georgia Military College, and the University of South Carolina.

As instructor in English at HPC Mr. Hart will teach courses in business English, corrective English, and freshman English.

In relation to the expansion and growth of H.P.C. many new courses have been added to the curriculum to provide for the increasing number and interests of students. The following courses, not listed in the current catalogue, will be offered this spring:

History 57—The Far East.
Home Economics 26—General Home Economics. This course may be taken

by non-Home Economics majors.

Mathematics B—A combined course, including Solid Geometry and the Slide Rule. Either or both parts of this course may be taken. It will be of special interest to those who plan to transfer to an engineering school.

In addition to these there will be a course on the philosophy of education and one on the philosophy of religion.

Sidewalk Symposium

By Shelby Moseley

QUESTION OF THE WEEK: WHAT IS YOUR IDEA OF AN IDEAL SITUATION?

Phil Howery — "School without classes."
June Elder — "No 8:20 classes."
Larry Albertson — "Getting married without being nervous." I'd think that getting married would be ideal in any state of nerves.
Jim Hall — "Getting all classes be-

fore 12:20."
Jimmy Newman — "Getting back in school." If I hadn't heard it, I wouldn't believe it.
Jack Powell — "For the ball team to win the North State Conference."
Walt Moore — "An A on calculus and one in theory of equations." Let's not be a hog, Walt.
Bobbie Turner — "Having plenty of money, no classes, and a good-

looking boyfriend."
Steve Dial — "Being in the shoes of Prince Rainier III of Monaco." For the uninformed, he is Grace Kelly's fiancé.
Gray Everhart — "Having a beautiful tutor to help me in foreign language." Something tells me you wouldn't learn much... about a foreign language, that is.
Bob Hunsucker — "Being in a re-

mote place with a certain one and no worries or cares to interfere."
Walter Ward — "Not having any foreign languages."
Shrimp Flynt — "Having a million dollars would make any situation ideal." And a bar of Milky Way to that young man!
Harold Crump — "Being on a winning team." Here's hoping that situation becomes a reality.

Bill Huegele — "Lying on the beach back home in Florida."
Joan Spell — "Having the privilege of sleeping as late as I want every morning." And there are those who would be lazy.
Merill Perkins — "Being married and not having any bills."

MOCK FACULTY (Continued from Page 1)

Judy Seward as Mrs. Livingston; Libby Murray as Dr. Muldrow; "Wimpy" Jones as Mr. Jones; Gayle Lemmond as Miss Stillman; Garland Gammon as Dr. Hayes; Bill Tyson as Dr. Robinson; Donnie Murray as Mr. Dodamead; Pat Lineburger as Mrs. Cooke;
Paul Staunton as Mr. Eby; Walt Moore as Dr. Hill; and Ravenelle Stepp as Mr. Yarborough.
"We feel that the show was thoroughly enjoyed by everyone" said Mary Lou Lanier, KD president, after the performance, "and we wish to thank everyone who helped make the presentation possible."

WIN

\$50,000 IN PRIZES

10 Ford Thunderbirds

PLUS 40 COLUMBIA Hi-Fi Phonographs

FOR THE 50 COLLEGE STUDENTS WHO WRITE THE BEST NAMES FOR VICEROY'S PURE, WHITE, NATURAL FILTER!

HURRY! HURRY! HURRY!
CONTEST CLOSING JAN. 31ST

10 Winners! 10 Thunderbirds! Win a fully equipped new '56 Thunderbird! In your choice of colors! Automatic transmission, two tops, power steering, radio, white side walls. Act now and win!

40 Winners! 40 Columbia Hi-Fi Sets! Own America's most exciting Hi-Fidelity Phonograph — the Columbia "360" K — in beautiful Mahogany!

Plus 10 RCA Victor Color TV Sets to the college organizations designated by the 10 Thunderbird winners!

JUST NAME THIS AMAZING FILTER! THAT'S ALL YOU DO TO WIN!

20,000 FILTER TRAPS
TWICE AS MANY AS THE NEXT TWO LARGEST-SELLING FILTER BRANDS — FOR THAT REAL TOBACCO TASTE!

NO OTHER FILTER LIKE VICEROY!
No cotton! No paper! No asbestos!
No charcoal! No foreign substance
of any kind! Made from Pure Cellulose—
Soft... Snow-white... Natural!

It's easy to name this amazing Viceroy Filter when you know what it's made of... why it's superior... why Viceroy's give you that real tobacco taste you miss in every other filter brand!

Remember, the Viceroy Filter is made from 100% pure cellulose—a soft, natural material found in many good foods you eat! There are no impurities in the Viceroy Filter. So naturally it lets the real tobacco taste come through!

Name the Viceroy Filter! Enter this \$50,000 contest, today!

HINTS TO HELP YOU WIN!

You'll think of dozens of names when you read these facts: The Viceroy Filter is the most modern in the world today! Perfected through 20 years of research!

It contains no cotton, no paper, no charcoal, no asbestos, no foreign substance of any kind! Instead, it is made from pure cellulose—a soft, snow-white, natural material found in many good foods you eat.

Only the Viceroy Filter has 20,000 filter traps—twice as many filter traps as the next two largest-selling filter brands! No wonder Viceroy gives you that Real Tobacco Taste!

Name this amazing filter and win! It's easy!

JUST FOLLOW THESE EASY RULES!

- 1 On any plain paper, write the name you think most suitable for the pure, white Viceroy Filter described on this page. It's easy! You can think of dozens of names like "Super-Pure," "Filtron," "Naturale," "Flavor Flow," "Cellultrate," "Twice-The-Traps." You can use one, two or three words. Any name may win!
- 2 Mail your entry to Viceroy Thunderbird Contest, P. O. Box 6A, Mount Vernon 10, New York. Write plainly or print your name, the name of your college and your mailing address at college! Submit as many entries as you wish—but with each entry include the picture of the Viceroy Filter Tip torn or cut from the backs of two (2) Viceroy packages.
- 3 Contest open to all students attending colleges and universities in the U.S.A.
- 4 Contest closes midnight, January 31, 1956. Entries judged by The Reuben H. Donnelley Corporation on the basis of aptness of thought, originality and interest.
- 5 Prizes listed elsewhere in this ad. Winners of the ten Thunderbirds will also be permitted to designate the school organizations to which Brown & Williamson Tobacco Corporation will award RCA Victor Color TV Sets! Write the name of the organization you want to receive this award on your entry.

Athlete Of The Week

By Marty Neustadt

Athlete of the Week number four goes to Maury (Buckshot) Beauchot for his fine play in the East Carolina and Catawba games. Maury seems to be the sparkplug of the Panthers and the team perks up with him in the lineup.

Beauchot (pronounced Bo-shay) was out of action for five weeks with a fractured bone in his left hand. The injury came when he hit Kim Buchanan's knee during the Atlantic Christian game. Maury is the key man on Yow's fast break and nine times out of ten is the first one down the court.

Last Saturday, against Catawba, the Indiana youngster teamed with Jack Powell, and together they sparked the Panthers to an important win. The unusual part about him playing against Catawba was that he had just taken the cast off his hand that morning.

Maurice Beauchot, a little man with a big heart.

Powell and Beauchot Bolster HPC Hopes

By Marty Neustadt

The Panthers of High Point College have played 19 games to date, but the biggest part of their schedule still remains with 11 conference games yet to be played.

The return of Jack Powell and Maury Beauchot should bolster the Panther hopes in the future. Both have been out with injuries, but are now ready to give the opposition a tough time. The Panthers found it almost impossible to win without Powell as the 6' 3" giant grabs half of the High Pointers rebounds in every game.

The big flaw in their attack is that age old problem of lack of rebounding. At times, their defense falls into lapses as they watch the opposing team out rebound them. They have not found that other big man to go with Powell and the burden on Jack is too much for any man to shoulder by himself. Maybe the future will hold something better for the Panthers. If not, things will get rougher.

Pirates Down Panthers, 80-71

The East Carolina Pirates trounced the Panthers 80-71 in a contest that found the Pirates leading from the start of the game and never relinquishing their lead. Led by Don Harris with 27 points and Carvel Nichols with 21 markers, the Porter men seemed to score at will against the poor defense set up by the Panthers.

It was on the free throw line that especially hurt the High Pointers as they missed 21 foul shots. They outscored the Pirates in field goals 25-24, but the free ones became their bugaboo.

The Panthers are now 3-2 in conference play and the Pirates lead the North State with a 6-0 record.

By
Marty

The two-faced human being is the lowest person on earth. He belongs with the cheats and liars of the community. He'd knife his own grandmother and then say he's sorry with a smile. He pats his enemies on the back and gives them a glad handshake, but inside he's plotting revenge of the meanest kind. You are led astray by his charming personality and kind gestures, and only when you get to know him do you wary of him.

These people don't care about Tennessee Ernie singing "Sixteen Tons", or how pretty Lana Turner is. They're only interested in how much they can get out of people. I think they should be spread with mud and then spit on.

Their two-faceness is hard to understand. They must be bitter people with hatred for the world. They give no warnings and they are as deadly as a cobra snake. I would put a sign on each one of them and let the world in on their secret.

They'd steal a penny from a blind man's cup, put poison in a starving man's bread, and steal Howard Porter's red vest. They rejoice in their undertakings, but their character stinks a mile wide. They are low people without feelings for anyone's troubles. I have no respect for these humans. Maybe I was brought up wrong. I don't know the answer to that one.

They sit around and play the races and laugh at the world situation and all they are interested in is themselves. So President Eisenhower had a heart attack, so the Russians have renewed their "cold war", so State won the Dixie Classic. That don't prove anything to them. They are jealous of others, but are quick to cover it up. They are lacking in intelligence and their boldness is a "front." There is no good side to them and they can't come near Tom Payne in purity of character.

Tom Payne is one of the most underrated ballplayers in the North State Conference. The 6' 1" Hasty High graduate looks like a man on a pogo-stick when he goes off the backboards. His timing and co-ordination is a thing of beauty to watch and he gives taller men a fight for their money.

Tom grabbed 127 rebounds last year in 28 games, and considering the amount of playing time that Coach Yow employs him, that's a heck of a lot of rebounds. Yow would like to use ole' Tom more, but Payne seems to tire after about five minutes of steady action.

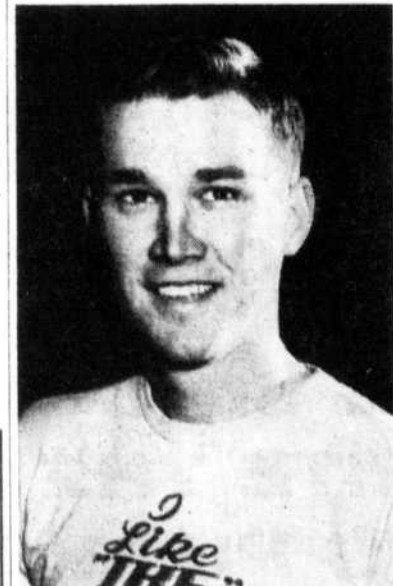

Even though he has a good jump shot and a pretty fair set, the rosy cheeked junior is more of a team player, preferring to pass off rather than attempt the shot himself. He's a hustler from the word "go", and gives it everything he has at all times.

The factor that puts Tom at the head of my list is his attitude. I never once in the three years that I know him ever hear him say anything unkind about anyone. He's quiet and unassuming, and there seems to be a smile painted on his face whenever I see him. He laughs easy and he's always trying to improve his playing.

I remember the first game that Thomas played in for the varsity. It was against tough E.C.C., and Tom had just been brought up from the J.V. East Carolina was loaded with such stickouts as Big Bobby Hodges, Charlie Huffman, and J. C. Thomas, but Payne was grabbing the ball out of Hodges hands and rebounding like a four year man instead of a scared freshman.

It is this great determination and attitude that makes Tom what he is. He never gives an inch and he's always out there to win.

Tom Payne; the kid next door.

Ten Students Tapped Into Order of The Lighted Lamp

Presented By Talented Tower Players
"Studio-Pedantics Of '56"
Scheduled for 8:00

Kidd Added To HPC Faculty

—Staff photos by Kyle Sterling
Mr. Kidd, English Professor

Mr. Jack Kidd has joined the staff of High Point College and has assumed his duties as instructor of English.

Born in Roanoke, Virginia, Mr. Kidd attended Randolph-Macon Men's College in Ashland, Virginia, and received his M.A. degree from the George Peabody College at Nashville, Tennessee.

Mr. Kidd came to H. P. C. from Fort Jackson in Columbia, South Carolina where he served for two years in the armed services.

In regard to H. P. C. Mr. Kidd observes, "I am very much impressed with High Point College and with the cordiality of the students." He feels that the college is rapidly gaining respect and prestige.

His duties include classes in remedial English, business English, and freshman composition.

Mr. Kidd resides with his wife at the William and Mary Apartments here in High Point.

By Jane Lucas
"You name it, we've got it!" could well be the motto of the "Studio-Pedantics of '56" to be presented by the Tower Players tonight, February 17, at 8:00 o'clock in Memorial Auditorium.

The variety revue, written by students at H.P.C. and directed by Miss Jane DeSpain, promises to be one of the red-letter-events of the year. Every type of entertainment you can think of from chorus lines to Harvard cheerleaders will be included in the talent round-up. You might even get a gander at some of your professors with their hair down (if they have any hair!).

Some of the scenes you will see are:

The Gay Nineties with a genuine barber shop quartette.

The Talent Scouts — and believe me, the talent they haven't got hasn't been scouted yet.

The Harvard Scene — Don't miss the Can-can "Girls" (Humm, odd names for girls — Harry, Walton, Phil, Bob, and Charlie).

The Mexican Scene with its music written especially for the show by Dr. Lewis promises to be full of rhythm judging by the titles — "In My Hacienda", "Mexicano Acapulco Polka", "Hooray for Culture With a Capital 'C'."

The Charleston Scene will include as well as a charleston, a girls' dance chorus and a tap dance.

The Modern Scene brings everything up-to-date with a — what else but — jitterbug.

Ann Kurfees will assist as student director for the dance numbers.

Tickets for the show will cost fifty cents for students and one dollar for adults.

The Order of The Lighted Lamp

—Staff photos by Kyle Sterling
THE ORDER OF THE LIGHTED LAMP — Above are the ten students who were inducted into the Order of The Lighted Lamp in assembly Wednesday. The four juniors and ten seniors were nominated by the current members of the organization and were elected by the faculty on the basis of their scholarship, leadership, character, and service.

"It's Wet!"

Miss Bowman Reports On Trip To California

"How did you find California?" was a question often asked of Miss Clarice Bowman, assistant professor in department of religion of High Point College, when she returned from her flying trip there the last of January. "Wet!" was her immediate answer — for to the bewilderment not only of Miss Bowman but also of native Californians, the rains had drenched and even flooded parts of upper-state land. But on the third day of her three-day stay in the Bay Area, the fabled California sun shone out, and the state's reputation soared.

"What was the occasion of your

trip?" asked others. The Northern California-Nevada Council of Churches has an annual "Cavalcade" of Christian Education, when workers from many denominations and communities come together for inspiration and information. The program for this year focussed on worship; and, because of her writings in this field and former contacts with leaders of several denominations, Miss Bowman was chosen as the key speaker. Several hundreds were present, and sessions during two days included 7 addresses by Miss Bowman. In addition, she was asked

(Continued on Page 4)

Dean's List Announced

Dr. Harold Conrad, Dean of High Point College, has announced the dean's list for the fall semester of the 1955-1956 school year.

To be listed on the dean's list, a student must have a "B" average with no grade lower than "C".

The list of students follows:

DEAN'S LIST FALL SEMESTER 1955-56

SENIORS

Joseph E. Beamon, Eugene Bolick, Vestha Brown, Dorothy Bunn, Coy Burchfield, Vasso Cavas, Colene Mary Cook, Shirley Faye Corde, Sylvia Craddock, Kathryn Lea Craven, Shirley Edward Calpepper, Roy Dawkins, Bernice Dickson, Archie W. HPC To Sponsor Window Display

High Point College will have a display in the window of the High Point Chamber of Commerce for the two weeks beginning March 5 and March 12. To provide a complete picture of the college all organizations are asked to submit material for the display. This material may be anything from a charter to examples of work done by the members of the organization.

For further information see Wesley Gaynor in the Public Relations office.

Four Juniors, Six Seniors Inducted

Ten students of High Point College, six seniors and four juniors, were tapped into the Order of the Lighted Lamp last Wednesday during assembly. The honor society, organized in 1935 as a local organization, is composed of students who have maintained at least a "B" average, represents the highest scholastic honor attainable at HPC.

The newly inducted members are as follows: Juniors; Vasso Cavas, Sylvia Fox, Mary Ruth Smiley, and Margaret Whitesell. Seniors; Alfredo Julian, David Moore, John Petty, Shirley Corde, Joan Parker, and Faye Peedin.

Selected students must have been at High Point College at least five semesters with a B average and no conditions or failures. Any students to be eligible must possess outstanding scholarship, leadership, exemplary character, and render a service to the college. In making nominations the society is guided by the following organizations: athletics, Christian organizations, forsenics, student government, publications, social groups, and literary societies. Nominated by the society, the new members are elected by a majority vote of the faculty.

Dr. Dennis Cooke inducted the members into the society and Dr. Hinchshaw presided as he has done since 1935. Presented to the assembly, the members were commended as having attained "the highest honor that can be awarded a student at High Point College."

Principal speaker for the occasion for the sixth consecutive year was Dr. Kenneth Goodson, for six years pastor of the First Methodist Church in High Point and now Superintendent of the Winston-Salem district of the Methodist Church.

Old members of the Order are Mary Alice Milbury Herbert, Jack McCaslin, and William Bost.

Varied Assembly Programs Planned

The assembly programs of this semester have shown excellent discretion on the part of the assembly committee headed by Dr. Locke.

The challenging words of Dr. Kirby Page were inspirational as he spoke of God's power as released in our lives after the conditions of desire for God's power, discipleship, and faith have been fulfilled. In the words of Dr. Page, "It is necessary to fulfill these conditions in today's shattered humanity." None the less inspiring were the words of Dr. Kenneth Goodson, a favorite of the college for many years.

To provide the finest in music for us the Salzedo Ensemble, composed of a harp, a flute, and a 'cello, gave a concert of compositions ranging from classic masters of the 18th century to contemporary composers.

A variety of programs for assembly have been planned for the next few weeks. Mr. Henry Whipple, organist and directors of Music for the First Presbyterian Church of High Point, will give a recital on the new organ on February 22. The following week the one-act plays performed on Homecoming Day will be viewed by the student body.

Other interesting assembly programs will be those of Dr. Henry Gerald, hypnotist and magician, and Dr. Gerald Priestly. These two men have been well received here in the past.

Homecoming Attended By 350 Alumni

Rain Fails To Dampen Spirit

By Shelby Mosley

The big purple and white banner across the entrance archway proclaimed Saturday as Homecoming Day on the High Point College Campus.

As registration continued in the afternoon, nearly 350 college alumni from out-of-state and from all over North Carolina gathered for the varied program of events which marked this 1956 High Point College Homecoming Day. All of the alumni chapters were represented as ministers, school teachers, lawyers, doctors, engineers, businessmen, government workers, and chemists gathered. At least one member of every graduating class, from the first in 1928 to the last in 1955, was present for the events of this important day.

Alumni were present from New Jersey, Washington, D. C., Martinsville, Virginia, South Boston, Va., Asheville, Charlotte, Morehead City, Raleigh, Winston-Salem, Greensboro, Burlington, and Wilmington.

The schedule of activities for the day began at 1 o'clock Saturday afternoon with a luncheon for the alumni officers, the alumni executive committee, and their guests. Twenty-three were present when plans were made for the college Loyalty Fund Drive which will be held in May. This drive will be climaxed by the celebration of Alumni Day, May 26. Plans for this occasion were also discussed at the luncheon.

—Staff photos by Kyle Sterling

HOMECOMING BARBECUE — Over 350 alumni of High Point College flocked back to their Alma Mater on Homecoming Day. Pictured above are three alumni receiving barbecue in the Student Center. The rainy weather failed to dampen spirits.

The highlight of the afternoon came, however, when the departments of Music and Dramatic Arts entertained the gathered alumni at "The Annual Homecoming Program." The program, staged in the Memorial Auditorium, gave the visitors a chance to enjoy the advantages of that handsome new building as well as the talents of the performers.

Opening the program were selections by the Women's Glee Club, directed by Mr. Cox. Second on the program was an exciting one-act psychological drama by Eugene O'Neill, "Where the Cross is Made." In a dimly lighted room, starkly designed to represent a lookout room at the top of a house on the California Coast, Kyle Sterling as Nat Bartlett, Betty Mullinix as Sue Bartlett, and James

Rawls as Captain Bartlett revealed the strange story of a madness and a buried treasure.

A pleasant change of pace was provided by Helena Smith, soprano, and the program concluded with the light and flirtatious "On the Lot," by Florence Ryerson and Colon Clements. Elon Cook appeared as the Boy, Phyllis Singleton as the Girl, and Jim Davis was the matter-of-fact Property Man.

Among the guests of honor present at the open house given early in the evening by Dr. and Mrs. Cooke were Dwight Davidson, Jr., of Burlington, President of the Alumni Association, Mrs. Davidson, Wesley Gaynor, Executive Secretary of the Alumni, Mrs. Gaynor, Donald Myers of Winston-Salem, Vice President of the Alumni Association, Mrs. Myers, Mr. and Mrs.

Coy Birchfield, Mr. and Mrs. Fred Cox, Mr. and Mrs. Marse Grant, and Coach and Mrs. Yow.

Following the open house at 6 o'clock a barbecue supper was served in the Student Center for Alumni and their guests. The final event of the day was the game between High Point College and Catawba basketball teams, which featured at half-time the crowning of Patsy Cranford as Queen of Homecoming Day. Escorted to the center of the court by Hardy Tew, president of the student body, Patsy had the crown placed on her head by Dwight Davidson, Alumni President.

To conclude a full schedule for alumni and students alike a reception was in the Student Center for the alumni and the basketball teams, and students enjoyed a "Sock Hop" in the gym.

"Matter Of Courses"

Do you take your college as a "matter of courses?" Do you look upon your classes as so many minutes taken away from your fun with the "gang"? Perhaps modern educators have placed a little too much emphasis upon the social adjustment of college students. We admit that social life is an important element, but don't entirely rule out classes. Some students have the attitude that classes are a definite interruption in their fun and social life.

There are too many people who want to come to college, but who cannot for many reasons. Recognize your opportunity and privilege and take advantage of it. Remember that your standards make the standards of High Point College. Every extra bit of effort and genuine interest you put into an assignment or term paper, or every extra bit of time you spend in the library adds to the rating given your college.

Don't forget that it is your college — take pride in it!

Look upon education not as a preparation for life, but, in the words of John Dewey, "as life itself."

J. L.

Assembly Conduct

Do you appreciate the talents of others? Do you value the reputation of your school? The deplorable conduct shown during the Salzedo Ensemble concert suggests "no" as the answer to these questions.

As a school we should feel honored to have such a group to play for us. Carlos Salzedo filled the first harp desk of the Metropolitan Opera Orchestra and has appeared as soloist with major symphony orchestras. The appreciation of the artistic talent of such a group should be sufficient reason for paying attention.

As a school we must maintain high standards of conduct. Would you appreciate unreasonable laughter and other distractions during a performance? Put yourself in the shoes of the performer. What would you think? How would you feel?

M. J. S.

Jane Lucas

Definition: February, the month of — a blot on the escutcheon of time; a hodge-podge mixture; a conglomeration; a ne'er do well, and just a trouble-maker in general. If any living soul or creature, crawling or otherwise, ever had a right to have a complex, feelings of inferiority, or in other words, to be mixed up, it is this month.

To begin with, it has the orneriest spelling of all of the months; it is listed as one of the fifty best dressed — whips, I mean most misspelled words in the English language.

Adding insult to injury, that silly old groundhog has to come poking his nose up above ground when nobody wants him around anyway, gets scared half to death if he sees his shadow, then just for meanness punishes the whole world with an extra smattering of wind, rain, snow, 60° sunny weather, or whatever happens to appeal to his insulted ego.

To get things even more confused, Valentine's Day has to make a grand entrance and start all that messy business about sweet-hearts and things, when everybody knows that that isn't supposed to happen til springtime. Just for a pinch of variety, two great men had to go and get themselves born in February, too, y'know—Washington and Lincoln.

And as if it weren't enough to have just twenty-nine days in the first place, they even have to take away another day every four years to make things come out even.

All in all, we generally have a rather mixed-up month of February. Somebody ought to wise the old boy up. Maybe if he went to see Father Time and sobbed out all of his troubles, he would have a healthier attitude toward the whole thing.

Letters To The Editor

Dear Editor:

Recently, in the Hi-Po, you have advocated an honor system. A system of this type would undoubtedly be very good for the school, however, it seems that something else is lacking. What we need is a stricter set of academic requirements for remaining in school. We have here on campus a great many students who are just loafing along, barely passing their work. If the standards were higher, they would either do better work or drop out of school to let somebody more willing enter. Better students would create a better reputation for the school, something for which Dr. Cooke has worked unceasingly towards.

As the situation is now, freshman need only pass twelve hours of work for the year. According to this, during the first semester a freshman can fail all his subjects and still not be dropped due to academic deficiency. During a freshman's second semester, he will need to obtain four D's to stay in school. After the freshman year,

a student needs only to receive three D's or nine hours of passing work. At this rate a student could remain in school indefinitely. True, he would not be able to graduate until a C average was obtained, but the fact is that another person is perhaps being denied an education to do this.

A remedy to this problem would be to change the requirements somewhat. First semester a student would need to pass eight hours of work or obtain 10 quality points. Second semester he would have to pass ten hours of work or obtain 12 quality points. Third semester a student would have to pass fourteen hours of work or obtain 14 quality points. After third semester a student would need to make at least 14 quality points or maintain such grades that if he did not make the required minimum, his average would be 14 quality points per semester.

I feel that if a standard such as this were approved, there would be academically a higher quality of students here at High Point College.

SIGMA PHI EPSILON

Saturday night, January 28, a party was held in Jamestown after the Lenoir-Rhyne ball game. The Sig Ep charter from Lenoir-Rhyne was invited. We feel that this is one of the best parties that we have had this year.

Pledges and Brothers are continuing their duties as chaperones at the Teen-age Club at the YMCA each Friday night. One night junior high comes, and the next night, senior high comes.

Monday night, Feb. 20, initiation of new brothers will be held. At present, the names of the pledges to be initiated are not known. Their names will be made public after initiation.

John Burton, a '55 graduate, will be married on June 2 to Miss Peggy Gibbs of Greensboro. To both, the N. C. Eta chapter extends its congratulations.

Plans are now being made to attend the annual Carolina's Sig Ep Ball to be held at the Student Union Building on the campus of State College on April 7.

THETA CHI

The old expression, "many irons in the fire," can certainly be used in connection with the Epsilon Alpha Chapter of Theta Chi. During the coming semester the chapter and its members will be most busy with the many preparations and plans which are being made for the many events which will celebrate the 100th year of Theta Chi.

The brothers of the several chapters in the State of North Carolina are vigorously making plans to have a joint Dream Girl Ball. All of the plans have not been announced as of yet, but be prepared for the most. Also this semester will be the district meeting or rather week-end on the campus of the University of Richmond.

To look a little into the future, we see the week of festivities which will be held on the campus of Norwich University, the home of the mother chapter of Theta Chi.

PI KAPPA ALPHA

On February 7, 1956 Delta Omega of Pi Kappa celebrated its third anniversary on the High Point College campus.

Last week-end Delta Omega was represented at the annual Pi Kappa Alpha District Convention at N. C. State College at Raleigh. Earl Barbour, Joel Nimon, and Tom McMalon. All who attended leigh. The chapter delegates were Don Cearns, John Abernathy, had a big time with the brothers of other chapters.

On Feb. 18 at 7:30 the chapter will have its annual "Gangster Ball" at the Lexington Country Club. This year Delta Omega's pledges are host to the brothers and their "gun molls." Chip Wood and his orchestra will furnish the music for the dance.

Two recent visitors to "E" section were alumni brothers Maurice Waddell and former pledge Hugh Beason. Brother Waddell is a graduate student at N. C. State.

KAPPA DELTA

On Friday night, February 10, K. D.'s celebrated their first birthday as sisters of Kappa Delta with an informal dance at the American Legion Hut in Thomasville.

Second degree pledge service was held Monday, February 13, for Pat Beam, Pat Cooke, Sylvia Hill, Arlene Hobbs, Sharon Ingram, Nell Long, Jackie McCulloch, Martha Shelton, and Donna Smith. These girls will be initiated into Kappa Delta on February 20.

The pledges of Gamma Gamma chapter of Kappa Delta entertained their big sisters on Saturday, February 5, after the Homecoming game and dance with a slumber party at a cabin off the C C Camp road. Everyone had a grand time even if there wasn't much slumbering done.

PHI MU

Phi Mu sorority is making plans for the annual "Carousel Dance" which will be held at the Y. M. C. A. on March 2. Music will be furnished by the Clubmen and a queen will be crowned. Make your plans to be at the 1956 Phi Mu "Carousel Dance." It will be open to everyone.

Congratulations to Lequita Hartsell who was pinned by Ernie Ball, Saturday 28th. Best wishes to Lequita and Ernie!

ALPHA GAMMA DELTA

Alpha Gams held their annual Valentine's dance at the American Legion Hut in Thomasville, Saturday, February 11. The recreation room of the hut was decorated with red and white to carry out the Valentine theme.

The following girls will be initiated into Alpha Gamma Delta on February 25: Mary Ruth Smiley, Shelby Moseley, Delores Stephens, Ann Noe, Janice Butner, Jackie Holden, Patsy Hobbs, and Phyllis Singleton.

—Staff photos by Kyle Sterling

SNOW WARREN—Little Miss Snow Warren, with her charming smile and outstretched hand, collected over \$50.00 for the March of Dimes when she visited the campus of High Point College. Pictured above are, left to right, Bob Ross, Charles Williford, Snow Warren, Bill Tyson, and John Perry.

Sidewalk Symposium

Shelby Moseley

Question of the week: What do you think a member of the opposite sex should wear to class?

Girls:

Betty Lambeth — "Levis (according to the shape of the boy), shirts, saddle oxfords, and by all means, socks."

Louanna Prince — "Slacks, sport shirts and sweaters, clean shoes of any kind, and by all means, clean fingernails." Louanna, you know everybody wears a pair of clean fingernails every day.

Mary Ann Hodgkin — "Charcoal pants, light blue sweaters, matching socks, and neat black shoes." Why not go into detail, Mary Ann?

Lucy Garcia — "Black or blue trousers, V-necked sweaters, and any kind of shoes."

Shirley Nifong — "It's up to the boy as long as he doesn't look too slouchy. Creased trousers and a shirt are fine."

Peggy Shook — "Khaki pants and sports shirts."

Pat Hauser — "I like sports clothes — sweaters and dress trousers — and loafers."

Boys:

Jim Spears — "Definitely no heels or suits — socks, loafers, skirts, and sweaters."

Jerry Kay — "Socks, suede loafers, loose sweaters and tight skirts, bracelets, but no dressy jewelry."

Carl Nigh — "I like a neat appearance in general — skirts, sweaters, and socks turned down, please."

"Flattop" Rutledge — "What I like should be immaterial to the girls for they might not like any of my ideas." But, Flat-top, you are a boy, and single girls dress for boys. "I like to see girls wear skirts and blouses in the fall and certainly sweaters in the winter. I do not like to see a heavy-set girl wearing a dress that has stripes running around her or a thin girl wearing a blouse that hangs on her. Also lipstick should come with the dress. I do not like to see a girl with a pale complexion wearing a light orange lipstick. I hate to see a girl wearing something which makes her look like she had been to a form to make a clearcut figure."

Fashion tip for boys: Keep those ties in the bureau drawer or on the bedpost.

Fashion tip for girls: Go to "Flat-top" with all dress problems.

Sport Shorts

Larry Swiggett, ace of the Baby Panthers, has racked up a total of 690 points in 30 games for an average of 23 points per contest! It looks like the varsity next year for Larry.

The girls' basketball team coached by Miss Stillman and the capable Gene Duke, have won 20 out of their first 23 games! Led by "Hoss" Owen, Gaynell Pennell, and "Muscles" Washburn, they seem to be the standout team in North Carolina.

Theme song of the Panthers basketball team is the "Great Pretender." Every time they walk into a restaurant with a juke box, that one goes on the first. What is the great attachment they have for it?

The play of the year as far as the varsity is concerned was Sonny Thorn-ton's long set shot against Pfeiffer in the closing seconds of the game. No matter what anyone thinks, it definitely was not a fluke as the blonde haired Jerry Lewis practices those shots every day.

The best officials in the North State Conference has to be Roy Owens and Lou Bello. Colorful Lou is a showboat at times, but he never lets the game get out of hand, and when the game is a drab affair he puts some spice into it. Owens is becoming more competent each year and could never be accused of being a "homer." He tries hard and has a good personality on the court.

TAU KAPPA EPSILON

The Delta Kappa Chapter of Tau Kappa Epsilon Fraternity commemorated its Founder's Day with a semi-formal dance at the Lexington Country Club, Saturday evening, January 28.

More than thirty-five couples attended; and Don Roberts, president of the local chapter, said that he was gratified by the interest shown by alumni members, who, along with college members and pledges, helped to make the affair a success.

The ball room was attractively decorated with the colors of the fraternity, and as the couples arrived, the ladies were presented favors of miniature "Teke" paddles with designs and inscriptions carrying out the motif of this special Founder's Day occasion.

Music was furnished by The Clubmen Combo, and chaperones were Dr. and Mrs. Robinson.

Already, plans are being made for the annual "Teke" Red Carnation Ball which is scheduled to be held in May.

Free Throws Cost HPC Game

The Nance-led McCrary Eagles showed a little too much experience for the High Point College Panthers and walked away with a 97-94 victory. The score was close throughout the game as neither team enjoyed more than a six point spread at either time.

With 17 seconds to go in the game, the Eagles were leading by two points when Bob Callicutt fouled Bill Huegele. The Florida flash hit the first free one, but then melted like an icicle in the sun as he missed the second. Jimmy Jordan then put up an easy layup to provide the three point margin. Smith Langdon hit 33 points for the Eagles and was high man in the game.

Apps Nip HPC In Last Seconds

In a close contest that saw the Panthers down by 11 points with six minutes to go in the game, the Appalachian Mounts squeaked by an 81-80 victory. With 34 seconds remaining, Harold Crump put the Panthers ahead by one point. Then substitute center Don Wooten put in an easy layup for the one point advantage. Jack Powell missed a long set shot as the buzzer went off.

Panthers End Regular Season Play Tomorrow

Manager Of The Week

By Marty Neustadt

The first manager of the week award goes to Lilian (little beaver) Gilbreath for her expert handling of the girls' basketball team's equipment. She goes about her job like an experienced carpenter, and is very efficient in each task that is put before her.

The freshman flash hails from some hick town known as Scituate, Mass. (population 501), but this doesn't stop her from doing her job in a big city manner. She not only issues the girls uniforms but also keeps score of every game that the girl's team has played, and has never made a mistake ... or so she says.

This is the first year for Lilian at High Point College and the 4' 8" giant seems to enjoy her job. That smile on her face wouldn't be there if she weren't.

Lilian Gilbreath; she knows the score.

The North State Conference Tournament starts on February 22-25. As of this writing, the Panthers of High Point College own a very unimpressive record of 5-8 in conference play and a 15-14 overall. This has been a disappointing season for the men of Coach Virgil Yow. The Panthers started off the season like a house on fire and in the first eight games, rolled up a hundred points or better in six of those contests. Up until Christmas time, they looked like a power in the North State, but after the holidays they seemed to fold up like the Cleveland Indians at series time.

Everything seemed to go wrong; no one was rebounding any more, their shooting was off, and they were losing the close ones. Clubs that didn't have near the shooting ability were beating them with ease and the High Pointers slipped further and further down the line. Luckily for the Panthers, Catawba and Guilford still play in the conference.

Maybe they will right themselves for the tournament, and if not ... well baseball starts in a few weeks.

By
Marty

I would like to apologize to my one or two readers for picking the Panthers to end up the North State Conference season in fourth place. It was a biased opinion without thought and reason.

It must be my intelligence. I never had much anyway. My I. Q. is lacking and the town jerk is written all over me. Maybe I should read a couple of books on Dr. Bartlett's shelf, but it's hard for me to get away from Captain Marvel. I used to like Dick Tracy but now his two-way wrist radio has me jealous.

I lose track of things easy and my memory is nil. I don't understand people and I go around in a fog all day. My inferiority complex shows all over and I get stumped on easy questions.

I admit it; I'm dumb, or how else could I give the Panthers such a lofty position in the North State? If I knew anything at all about basketball, I could see that the Yowmen weren't any better than fifth or sixth. My enthusiasm and loyalty to the team blinded me to the bare facts. Let's face the truth; this just isn't our year.

That 6' 8" freshman from Leaksville is lacking in experience, and he doesn't know how to jump for rebounds. He stands around and reaches when he should be climbing the rafters for the ball. And even when he scores in double figures, hurts the team more than helping them. Sure he's a good kid and I got nothing against him, but that doesn't make Williams a good ballplayer. Maybe by the time he's a senior, Ken will learn about that little phase of the game known as defense.

Right now, the Panthers have only three consistently good ballplayers. But they are not enough to beat the good teams in this conference. Even winless Catawba found the Panthers a bunch of "patsies."

The High Pointers started off the season with a bang and they looked real sharp for the first ten games. Then they tailed off and no one seems to know the reason. Maybe they have too big a schedule, and perhaps their season is too long, or instead of improving could it be that they are deteriorating from the same team that beat Atlantic Christian at the beginning of the season? I wish that I was smart so that I could come up with the answer and solve all of Coach Yow's problems. I don't think Houdini knows the answer, and besides he's dead.

The North State Conference tournament comes up on February 22, and the outlook for our team doesn't seem too bright from where this reporter sits. What I can't figure out is why not. A team with Jack Powell, Maury Beauchot, and Bill Huegele can't help but be a threat, that is if the rest of the boys just help out a little. I wish I was smart so that I could tell Coach Yow the answer.

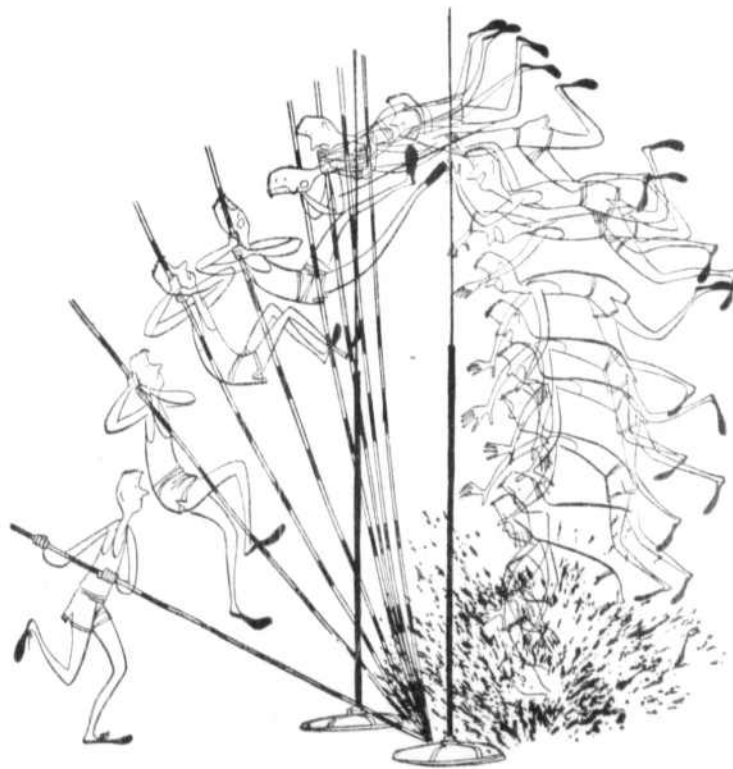

COUPLE OF QUICK ONES

The Varsity was scrimmaging the J.V.'s one afternoon and the Hoovermen seemed to be out hustling the Varsity. Coach Yow called Powell over to the bench where he was sitting.

"Now Jack when I sit down, ease up on the pressure, but when I stand up put the pressure on."

"What's the signal for the hit and run Coach?" asked Powell without cracking a smile."

The intra-mural basketball season started February 4, and you can look for most of the teams to be pretty well supplied with material. It seems that the fraternities recruited most of last year's J.V. boys and then some. I wonder what kind of scholarships they are offering?

Personality of the Month

Ben Zambrana . . . International Personality
by koy dawkins

How would you like to go to college in a land that you know little about; where life is a completely different pattern? If you are like most people, you would "chicken" and stay home where you know how to get around. You might like to know about a fellow student who launched out to a "furrin" country and enrolled here, at HPC. He's Ben Zambrana, from La Paz, Bolivia, and he is here to study medicine.

Ben's father is the minister of the largest Methodist church in Bolivia, with a membership of 400 people. Ben became interested in High Point College after a visit by Dr. Wilson Seldon, formerly of High Point, and Dr. Roy Bagley when they came to La Paz on a Preaching Mission. So, here he is. Ben tells us that although he received little encouragement to come here from people at home, the people of the U. S. have given him much encouragement to succeed. How did he feel about coming to the U. S. P. "I realized that being a citizen of the world, and a part of the world, the world would be friendly to me, and God's hand would guide me," says Ben. "Here I have found the type of friends I did not have at home. La Paz is so big. Here I have found real heart to heart friends." This is a tribute to both Ben and you, the students of High Point College. "I have never had a bad impression of the U. S. yet."

One thing I forgot. Ben met Dr. Weldon because he is an interpreter. He speaks Spanish, English, Portuguese and Italian ("a little," he says), and Aymara, an Inca dialect. Ben's fame for being able to translate Spanish homework has added to his fame on campus. "I can't even make good in English, much less Spanish! 5 languages! Whew!"

Ben is doing well in his work here. He plans to finish here and graduate from med school at Duke, then go back to Bolivia and his people. Ben has a purpose, and he intends to make good.

Ben really shook up the religion class the other day. It was a quiet Saturday morning, 9:15. We were sitting around waiting for the teacher when like something out of Superman, a person hurtles through the door and leaps over the platform to his desk. It was Ben. Everybody in the room asked at once "What happen, Ben?" "I forgot to read my lesson," he says.

Medical Biology Technician Tests To Be Given

A civil service examination for Medical Biology Technicians has been announced for filling positions paying from \$2,960 to \$4,525 a year in various Federal agencies in Washington, D. C., and vicinity. Most of the positions to be filled are in the National Institutes of Health, Bethesda, Maryland; and in Walter Reed Army Medical Center, Armed Forces Institute of Pathology, and Food and Drug Administration, Washington, D. C.

The examination includes the following specialized fields: Animal anatomy, bacteriology, cytology, general biology, hematology, parasitology, pharmacology, physiology, serology, and virus and rickettsia.

No written test will be given. The basic requirement for qualification is appropriate technical experience in the field of biology; however, pertinent graduate or undergraduate college study averaging at least 5 semester hours per year in the biological sciences may be submitted for the experience required for positions paying up to \$3,670 a year. Full details concerning the requirements are given in the examination announcement which may be obtained from college placement offices or from the U. S. Civil Service Commission, Washington, D. C.

Applications for this examination will be accepted from students who expect to complete the courses necessary for qualification within 6 months of the date of filing applications. Applications will be accepted until further notice and must be filed with the Commission's Washington office.

No. 9

Date is March 9

HPC Music Department To Be Host For Band Clinic

On Saturday, March 10, High Point College will play host to more than a thousand high school students who will be participating in the annual band and orchestra contest. Competing in the festival will be bands and orchestras from High Point and surrounding areas.

Dr. Lew J. Lewis, head of the department of music at H.P.C., is acting as co-chairman of the event, assisted by Mr. Richard Cox and Miss Ernestine Fields. Students of the music department will act as secretaries to the judges and as general guides for the visiting students and teachers.

The judges for the contest are: Herbert Fred from the University of North Carolina, Eugene Jacobowski of Salem College, and Nick Erneston of Appalachian State Teachers' College.

Dr. Charles C. Taylor, director of music in the High Point city schools, is the chairman of the contests which include choral and piano contests being held at the senior high school building.

As High Point College is offering its facilities to the band clinic students are urged to co-operate in the problem of parking space for the visitors.

All students are invited to come and listen to the contestant bands and orchestras.

Student Fellowship State Conference To Be March 16-18

The Methodist Student Fellowship State Conference, with a limit of 300 students attending, is to be held here March 16-18. Representing all the colleges in North Carolina, the students will be housed in High Point homes.

Speaker for the Conference will be Dr. Everett Tilson of Vanderbilt University. Mrs. Marjorie Case will work closely with the group as well as Dr. Locke and Miss Bowman, who are on the program for work groups.

Voncyte Linthicum, president of the High Point College Methodist Student Fellowship, will act as hostess for the Conference.

Mata and Hari, Novelty Team, Appeared Here

A large number of students attended and apparently enjoyed the concert sponsored by the Piedmont Community Concerts Association which was last Tuesday night in Memorial Auditorium.

The outstanding dance novelty team of Mata and Hari and their company of comedy dancers appeared in a number of enjoyable dances.

The team is well known on the Broadway stage, in night clubs and in Hollywood. Mata and Hari presented a program satirizing a succession of American Institutions, including Carnegie Hall, a sports newsreel, the ballet, and the tempo of life along 42nd Street in New York.

All their costumes are self-designed; they are worn against stage designs by Wolfgang Roth, who did the scenery for American Repertory Theatre's production of "Androcles and the Lion" by George Bernard Shaw, and Margaret Webster's distinguished Shakespearean productions.

Ruth Mata and Eugene Hari came to this country a decade ago with a celebrated troupe of European dancers whose headquarters were in Switzerland, where both were born and brought up. After four trans-continental tours with the company, they started out on their own, worked in such top clubs as La Martinique, the Waldorf-Astoria and Palmer House in Chicago. They appeared on Broadway in "Straw Hat Revue," Olsen and Johnson's "Laffing Room Only," and in Billy Rose's "Violins Over Broadway."

They appeared in the Metro-Goldwyn-Mayer film, "Meet the People," and are now top television favorites.

North State Tournament Defeat Disappoints HPC Supporters; Lenoir Rhyne Won, 88-67

School Spirit And Attendance Were Good

By Marty Neustadt

The North State Conference tournament held in Lexington on February 22-25 was a big disappointment as far as High Point College fans were concerned. HPC was considered to be the "dark horse" of the tourney and most people were looking for an upset, but it never happened as the Lenoir Rhyne Bears led the Panthers to slaughter by the lopsided score of 88-67.

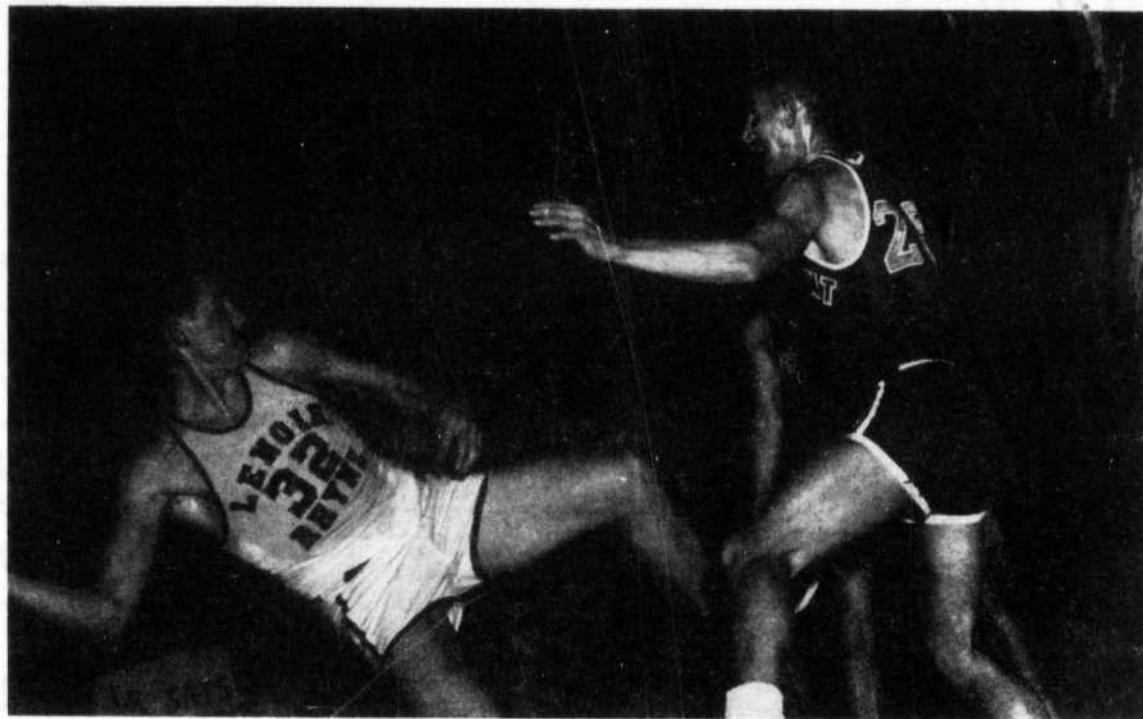

If anyone had told this writer before the game started that Lenoir Rhyne would beat High Point so badly, I would have laughed in their face and told them they were ready for the men with the white coats.

The Panthers just didn't seem to have enough against the Bears. Ormyer, Sellari, Propst, and Wells walked all over them with ease. This was not the same team that lost to the High Pointers by 15 points earlier in the season. It was a fired up team with a desire to win and they did not want the hapless Panthers to get in their way. (They eventually lost to Elon in the finals by four points).

On the High Point side, Powell hit for 21 points, but the rest of his teammates pulled the fade away act and left him standing by himself. Harold Crump was second high with 12 points and he was the only other player to hit in the double figures. Their rebounding was terrible and their shooting was way off. They kept it close for most of the first half, but then laid down and died like a shot rabbit in the last 20 minutes.

Last year at this time, they upset favored East Carolina by 21 points and some of the Panther fans were more or less expecting the same thing. But the way they played that night, Catawba might have walked all over them.

The only place that they broke into the win column was in fan attendance and in spirit. There were more fans (Continued on Page 3)

—Staff photos by Kyle Sterling

Variety Revue Presented By Tower Players

A tour of Four Corners' TV Station was conducted by the Tower Players as they presented their "Studio-Pedantics of '56" on February 17, in Memorial Auditorium.

The variety revue, featuring both students and faculty, was written, directed, and produced by students of H.P.C. and was under the general supervision of Miss Jane DeSpain.

Student writers, directors, and producers included Angie Gaskins, Pat Mize, Jan Kirkman, Braxton Warner, Fred Barber, and Anne Kurfes. Presiding as Master of Ceremonies was "Shrimp" Flynt.

A genuine Barber Shoppe Quartette composed of Harry Gray, Paul Atwell, Mark Rose, Dale Swearingen, ended up with a surprise as, rising from under the towels of the barber customers came Mr. H. E. Coble, Dr. J. H. Allred, Mr. N. P. Yarborough, and Dr. Lew J. Lewis. During the general ensuing confusion Dr. W. R. Locke tried to sneak across the stage but was spotted immediately. This was the debut of each of the professors.

And can they Can-Can! One of the hilarious spots of the program was the Can-Can performed by Harry Gya, Walton Moore, Phil Crockett, and Bob Hunsucker.

There was a delightfully charming tea-party held before the Harvard basketball game. Charlie Holcombe proved a most entertaining and "peppy" cheerleader.

A prize goes to the Mexican Scene which was a condensation of a longer work composed and written by Dr. Lew J. Lewis. Players in the scene were Mark Rose, Angie Gaskins, Mr. Richard Cox, Joe Compton, Betty Mullinix, Wilbur Jackson, Gene Watkins, Bobbie Barrett, and a chorus group with Sylvia Fox at the piano.

What really stopped the show was the appearance of Dr. C. N. Parker in the capacity (and well he filled it too) of jitterbug partner for Anne Kerr.

Mark up another success for the Tower Players.

Integrated Society To Be Topic of Youth Meeting

Southerners Oppose Ruling By Majority

Conference Sponsored By NAACP

(Note: While the controversial subjects of integration and segregation are not directly associated with High Point College right at this time, the issue will, no doubt, come into focus in the near future. Before the reporter-photographer team reports on the NAACP meeting in Raleigh March 17, the views of the Southern people, as collected by the Gallup poll are being given for your information. Ed.)

The Hi-Po will send a photographer-reported team to cover for the March 23 issue of the Hi-Po, the statewide meeting of young people to be held in Raleigh on March 17. The North Carolina Spring Youth Roundup is sponsored by the NAACP and will be held at Shaw University.

John M. Fenton, Gallup poll staff representative, has just returned from a 4,000 mile tour of the South. During that tour, he spoke with many Southerners — both white and Negro. His goal was to get a true picture of how the South stands on the complex problem of integration — and more important — to probe into what lies behind the average Southerner's viewpoint — the "why" of public opinion.

The question and results:

"The U. S. Supreme Court has ruled that racial segregation in public schools is illegal. This means that all children, no matter what their race, must be allowed to go to the same schools. Do you approve or disapprove of this decision?"

SOUTHERN WHITES ONLY

Approve	16%
Disapprove	80%
Undecided	4%

"The Interstate Commerce Commission has ruled that racial segregation on trains, buses and in public waiting rooms must end. Do you approve or disapprove of this ruling?"

SOUTHERN WHITES ONLY

Approve	19%
Disapprove	76%
Undecided	5%

All in all, then, the poll found that eight out of 10 Southern whites opposed the Supreme Court's outlawing of segregation in the public schools; yet, the opinion is slightly less opposed to the recent ICC ruling which outlawed segregated travel between states on buses, trains and in public waiting rooms.

To illustrate the wide split of opinion brought about by the court ruling, look at the opinion of those outside the South:

SUPREME COURT DECISION

Outside the South	
Approve	71%
Disapprove	24%
Undecided	5%

ICC'S RULING

Outside the South	
Approve	67%
Disapprove	24%
Undecided	9%

—Staff photo by Kyle Sterling.

BIOLOGY DEPARTMENT — Keeping pace with the "controlled growth" of the college, the biology department, under the direction of Dr. Ben Hill, has continued to improve. Among the more recent achievements was the purchase of several highly technical microscopes. The students above have very advantage for a complete education in the field of biology.

Biology Department Continually Improves With Growth Of HPC

By Art Sereque, Jr.

Across the hill in the Science Building is the home of the High Point College Biology Department. Headed by Dr. Benjamin Hill, and assisted very ably by Mr. Charles P. Daniel and Mrs. Charlotte C. Locke, the biology department is one of the busiest on campus. Approximately 200 students take courses in biology, most of whom are freshmen. There is only a very small number of students who do actually major in biology, as most of the other upperclassmen that take biology are pre-medical or pre-dental students. To receive a B.A. in biology, one must take at least 30 hours of biological sciences. The student starts with the general biology in his first year, and

then continues with courses of his own choosing which closely follow those offered by the department. This is in accordance with the staff whose purpose is "to give instruction in any phase of any organism."

Expanding with the school, the biology department is continually improving. Last year genetics and botany were permanently added to the curriculum. Next year, parasitology and bacteriology are being added, due to the increased demand. This year several "immersion bath" microscopes were bought. These are very expensive and delicate. The reason they are called "immersion bath" microscopes is due to the fact that they have to be immersed in oil to use the 93X objective

lens which is extremely powerful.

The staff is always on the watch for new and changing concepts in their field. Many times a scientific problem will be answered for the first time, which will change the basic idea of some problem. Then there are new answers to old theories which will also change concepts of biology. Thus, there is a perpetual lookout for new ideas.

According to Dr. Hill, embryology is essentially the easiest subject he has to teach. "However," he hastens to add, "it is not necessarily the easiest for the student to learn." If you don't believe that, just ask the students who take it. "Of course," Dr. Hill reiterates, "any subject that has been taught

One of the key topics which has been selected for discussion is racial integration in North Carolina, a topic which is seen batted back and forth in most all commercial newspapers.

Many notable men and women will address the gathering. Some of them are Charles F. Carroll, State superintendent of education; Elmer H. Garinger, superintendent of schools in Greensboro; A. H. Anderson, principal of Kimbley Park elementary school in Winston-Salem; and Dr. Joseph Pittman, professor at North Carolina College in Durham.

Others are Dr. Ambrose Caliver of the U. S. Department of Education and Industrial Employment in Washington; Ralph McGill, editor of the Atlanta Constitution; and Mrs. Sarah Patton Boyle, faculty wife at the University of Virginia and author of the *Saturday Evening Post* article, "Southerners Will Like Integration."

Other topics slated for discussion include racial integration in North Carolina; the role of State and municipal boards of education in the State's public education; the responsibility of the principal, parent and teacher in public education; and youth in politics.

The stated purpose of the conference is "to make the youth of North Carolina aware of the future of education, politics and economics in an integrated society."

Doing the photography work will be Johnny Mann. Jimmy Reavis, Hi-Po editor-in-chief and Art Sereque, Jr., Hi-Po managing editor, will cover the story.

"The time hasn't come yet" is a common expression from those who apparently fear the results of integration — the so-called trouble of violence that may result from mixing the races. Others maintain that "separate but equal" rights justify their opposition to the court ruling.

The report of the State's NAACP will appear in the next issue of the Hi-Po.

(The above information used from Gallup Poll survey conducted by John M. Fenton. Ed.)

An Editorial

Five Day Week?

One of the most popular of the many systems here at High Point College is the six day school week. This six day school week has many advantages over the more common and conventional five day school week. Due to the present system there are no long hazardous week-ends to contend with. Fewer students will go home, which means that those remaining can study and obtain good grades or will have a day and a half of sparkling social life on campus. If we do have a five day week, those few who go home will find themselves tired from the strain which is put on them over the long week-end. They will find that their scholastic standing slipping seriously, and jeopardizing their chances of remaining in school.

The professors also enjoy this six day week. It gives them an excuse to get away from the rigors and turbulence of home life. They will thus be able to relax in the tranquil atmosphere of friendly school life. It means less of the drab and humdrum affairs of family life such as picnics or trips. They can take pride in the fact that they don't mind working more than their colleagues in other institutions. After all, they are building the youth of this nation into a strong intellectual unit, one which will face the future with strength, wisdom, and fortitude.

With the advent of five day classes go those wonderful 1:30 classes on Saturday afternoon. We will also find that Tuesdays and Thursdays the lecture periods will be changed to 90 minutes in order to get the necessary hours in. What could be worse than 90 minutes of a dull course which we are being required to take? Of course during summer school the classes are two hours long, but then it is so hot we would much rather stay inside where it is more comfortable.

In conclusion, let us hope that the administration does not listen to these malicious trouble makers who are trying to hurt us by expostulating a five day school week.

R. T. S.

SGA Activities

What has happened to the Student Government Association here on Campus? To many observers the S.G.A. has died and is no longer functioning. There are several questions that are unanswered as of yet, which are of vital importance to the Student Body. When are the nominations to be handed in for next year's officers? Are we having our annual Spring Frolic this year, and if so, will it be a "big-time" band that will be playing? What has the S.G.A. done to improve its position, on campus? What has it accomplished this year? The students are anxious to know what the S.G.A. is doing as it represents them. They are the ones who will benefit or suffer from the actions, whether firm or lackadaisical, of the S.G.A. Last year a small but strong group of students waged an uphill fight to get the new Constitution approved by the faculty and the students. Are we going to let them down by permitting the S.G.A. to fade into oblivion right in front of us? Let's get some action; let's have a strong Student Government!

R. T. S.

Bookstore Care

"Wouldn't it be wonderful to have a larger, better equipped bookstore?" is a frequent wishful query around the campus of H.P.C.

If the condition of the present bookstore is any indication, it would not be long before a new bookstore would be hidden under piles of crushed dixie cups and wads of paper.

The shiniest, most modern bookstore would become grubby under that kind of treatment, not to mention the effect it has on one that is several years old. A little kind attention, courtesy, or respect never harmed any piece of property. On the contrary, the more interest in and care taken of a valued object, the longer and in better condition it will stay.

And consider the psychological aspect of it. Think of the depression of the mind and spirit when it is surrounded by ugliness. How can you enjoy yourself sitting at a table piled high with soggy dixie cups, and wadded cellophane paper floating in a puddle of spilled coke or melted ice? Uhgg--

The best way to keep pearls lustrous, so say the jewelers, is the constant wearing of them. Of course, the hard wooden seats in the bookstore cannot be compared to pearls, but if you use your imagination a little you will see a small resemblance. Even though the pearls are worn often, the owner never carelessly tosses them aside when she takes them off, but puts them in a soft-lined jewelry box. So the bookstore, even though it is in constant use, would last longer, and be more attractive if a little more care were taken of it. And who knows, maybe some day we'll have that shiny new bookstore!

J. L.

Day Student Responsibility

Attention, Day Students:

No day student meeting is called unless there is a matter of pressing importance that demands your attention. Why, therefore, is the attendance at these meetings such a minority?

When discussing ways to spend the treasury funds, the day student council needs your opinions. After all, it is your money taken from your tuition at the rate of fifty cents each semester.

When things are decided by the few attending the meetings, the majority who do not attend tend to criticize the actions taken. If you wish to have a voice in the matter, please be present when the decisions are made instead of growling about it later.

S. J. M.

around the campus

BROADWAY

I was sitting in my room the other day reading through a TIME magazine when I came upon an article on segregation. In this article there was mention of the college students view on the problem and the way in which they could help the nation in solving it. I began to think about how interesting it would be to find out how the students on THIS campus feel and to see if they have any real solution as to what can or will be done. I think it was Pope that said, "Opinions are like men's watches, everybody has one and each believes his own." I think I can be reasonably safe in saying that EVERYBODY has one on segregation. Almost everyone has thought about what is going to happen to our nation's schools, and I'm sure that most people have their own private solution. I'd rather not hear these verbally, though! If you have anything to say about segregation, interposition, or just about the race problem in general, please drop a little note (no dissertations please!) in the Student Suggestion Box in the Foyer of Roberts Hall. This isn't a poll or a survey of any kind. We, the Hi-Po Staff, would like to know how you feel and your solution, if any.

(Kind of a touchy subject, ain't it?)

ALPHA GAMMA DELTA

At three o'clock in the afternoon on Saturday, February 25, eight Alpha Gam pledges were initiated into full sisterhood of Alpha Gamma Delta sorority. They are: Mary Ruth Smiley, De-lores Stephens, Janice Butner, Shelby Moseley, Phyllis Singleton, Jackie Holden, Patsy Hobbs, and Ann Noe. Following the ceremony, a formal banquet was held in the Sheraton Hotel Ballroom to honor the new sisters. Members of the National Council of Alpha Gamma Delta were in High Point for the festivities.

KAPPA DELTA

K. D.'s are making plans for their annual White Rose Banquet which will be held on April 20. This is the biggest social event of the year for the sorority, and this year we hope to make it the best ever.

The sisters of Kappa Delta elected their new officers for the coming year on Monday night, February 13. They are: Sylvia Fox, president; Rhonda Strange, vice-president; Nancy Crews, secretary; Sue Butt, treasurer; Beverly Deal, assistant treasurer; Pat Jordan, editor; and Barbara Wilson, membership chairman. Our congratulations go to these new officers.

Jane Lucas

Off on a chilly winter's eve
Around a glowing blaze,
We dream of cheerful summertime
With its warm sunlit days.

And when the day is dull and dark
With drizzling rain and gloom,
How we long to see a ray of sun
Or just one tiny bloom.

Before a crackling chimney fire
We dream of other nights,
Of soft, velvety, blackness
Lit by tiny flickering lights.

A palely glowing winter sun
Summons none to cheerful mood,
But, oh, the happy laughter of summer's
Picnics in the wood.

But, look, outside the window there
A wondrous winter sight—
Huge flakes of gleaming downy snow
Float silently down in the night.

Next morning there's a squeal of awe,
A scampering and a scurrying
To struggle into heavy boots—
Say, what's all the hurrying?

I thought we were dreaming of sunny days
And the soft warmth of summertime.
Shux, who cares, it'll come soon enough,
But right now it's snow-ball time!

Here 'n There

TODAY'S GRUESOME TOPIC

DUBUQUE, IA. — (ACP) — Students at a freshman speech class in Clarke College here did a double-take and then shuddered when their instructor blandly announced: "Today we'll have first aid and then blood."

According to the college paper, The Courier, the instructor noted the looks of utter confusion in his class, hastily explained he meant the first speaker would be Nan Aid, followed by Shirley Blood.

COME HOME, LITTLE MOOLA

COLUMBIA, MO. — (ACP) — Two years ago Nancy Drake, now a student at Stephens College here, wrote her name on the edge of a one-dollar bill in Minneapolis, Minn. The same bill was returned to her recently by a store clerk after Nancy had made a few purchases in downtown Columbia, according to the campus paper, Stephens Life.

It Seems To Me...

By Jimmy Reavis
Hi-Po Editor-in-Chief

IT SEEMS TO ME that it is nigh time for the Student Government Association to begin work on a big-name dance band. It would seem only fair, unless there is some sound financial reason, for High Point College students to have the privilege of hearing a top performer sometime during the spring. It would, to say the least, be great to have a name like we did last year to refresh the memories of the upperclassmen and impress the newcomers.

We are inclined to agree with Gary Thompson, editor-in-chief of *Elon's Maroon and Gold* and Joyce L. Smith and Jimmy Ferrell, editors of the *East Carolinian*, who believe that "it's no disgrace to be average."

Thompson explained recently in his column, "I'm inclined to go along with Franklin P. Adams' once expressed opinion that the average man is above the average. If a college neglects or ignores its average student, it is neglecting a numerous and highly important group of people. Statistics show that this average group of people may very well include many who are better rounded people than the academic upper crust."

"An undergraduate school, if it is to serve its best purpose should be neither a trade school nor a sort of scholastic paradise where only the elite among the grade-makers may enter. It should like any other school, be a place of revelation and development. And it should, theoretically, welcome the average student who comes as, Dr. Weltner describes him, 'with no standards, no philosophy of life'. It's a college job to help give him these things."

"As a matter of fact, it appears that in many cases the so-called 'average students' become the graduates of whom the college or university may be most proud'. In all too many cases the top honor students, many of whom have devoted so much time to study as to lack a well-rounded development, find themselves unable to combat the stark realities of life."

"More times than not, it is the average student who goes out into life, well adjusted to his fellow man, and becomes the truly successful person. From such may come the philanthropists of tomorrow, the alumni who are financially able to contribute to the support of his Alma Mater. Then, at least, Alma Mater will be proud of that average student, who was too busy with campus affairs to bother with making good grades."

Sidewalk Symposium

Shelby Moseley

Question of the week:
What is the ideal date?

Mary Ruth Smiley — "One who is sincere, neatly dressed, has good manners, and is original in making plans." I say, ole girl, is there one of this kind??

Jane Lucas — "A boy who has ... oo, just a boy." Enough said.

Walt Moore — "One who doesn't hog the conversation and has suggestions as to where to go. Looks are not too important as long as she has a good personality."

Nell Long — "Someone tall, intelligent, a good dancer, who has nice manners and likes to go to the beach."

Sue Beeson — "The tall, dark, and handsome type."

Jan Kirkman — "A conservative intellectual." This is so ideal that it is impossible.

Jane Bundy — "Not too tall — I'm sort of short, you know. One who is

lots of fun and preferably one who has dark hair." A little bird tells me this is someone in particular.

Mary Stuart — "Someone easy to get along with — not easily angered since I'm the sarcastic type. He should be a good dancer too." To admit one's faults is the first step to cure. Here's hoping ...

Elwin Mackintosh — "Good looks help but the big influence is personality. Also I like a good party girl." Democrat or Republican?

Steve Afendis — "Laura." And after seeing her, I'm sure she would make the ideal anything. Congratulations, Steve.

Bob Duncan — "A fairly good-looking girl who has a good personality and is able to talk, not just say no and yes." And I thought actions speak louder than words.

Luke Livingston — "A girl." Never let it be said that an overstatement came from your lips.

LITTLE MAN ON CAMPUS

by Dick Bibler

Athlete Of The Week

By Marty Neustadt
Bill Huegele has been selected by this department as Athlete of the Week, number five. The sturdily built sophomore from Ft. Lauderdale, Florida was a key man in Coach Virgil Yow's attack and in 33 games scored 501 points for an average of over 15 markers a game.
In his second year at High Point College, Bill broke up many a game with his long set shots and determined hustle. Huegele is the quarterback of the club and the team works a lot smoother with the Florida flash leading the way. It was his great playing against a tough Lenoir Rhyne team during the regular season that gave the Yowmen a victory. What most people don't know is that Huegele played the entire game with an infected toe on his left foot.
Bill Huegele, one of the outstanding guards in the North State Conference.

Three Teams Pace Intramural Play

By Ray Whickes
Three teams remain undefeated in the 1956 High Point College basketball intramurals. These three stalwarts of the Intramurals are the TKE's, Pika, and LCA's. The TKE's are the defending champions and are rated the number one team to beat again this year. There are nine teams entered this year with each team playing the other only one time. The winner of the regular season will be declared the team to represent High Point College in the North State Intramural Tournament.
All of the clubs have unusually strong teams this season and this makes for better games. All students are urged to attend the games and support their favorite teams.

The remaining teams in the league are: SPE, Kappa Chi, NDM, Hot Sparks, Theta Chi, and Day Students.

ON THE SLIMY SIDE

SPRINGFIELD, MO. — (ACP) — The members of Sigma Nu at Drury College may be feeling a little low these days. They're going to get rid of their house pet and mascot. The "pet", a seven-foot boa constrictor, is being donated to a local zoo.

THE POOR PROF

EMORY UNIVERSITY, GA. — (ACP) — Professors are the butt of a couple of funnies that appeared in the "Humor Panel" column of the Emory Wheel.
Prof: "If I saw a man beating a donkey and stopped him from doing it, what virtue would I be showing?"
Voice in the back: "Brotherly love."

TOURNAMENT

(Continued from Page 1)
from High Point College than any other school that night, plus the fact that the band helped out tremendously. Dr. Lewis and his band have been very faithful to the Panthers all year, and they outdone themselves in the tournament.
I am just sorry that the Panthers could not have made a better showing than they did, but as some astute gentleman of the game said "this just isn't our year."
"We are a building team and it is hard to win with a lot of freshmen and sophomores" as a keen student of the game also said. Well, next year we should have sophomores and juniors and the extra year of experience plus the chance to develop, will undoubtedly give us a better team. Let all North State Conference teams take notice.

The story:

High Point	G.	Ft.	F.	Pts.
Powell f.	8	5	3	21
Dunbar f.	1	3	1	5
Crump f.	6	0	3	12
Stanton f.	2	2	3	6
Everhart f.	1	4	0	2
Bledsoe c.	3	2	4	8
Crockett c.	0	0	3	0
Huegele g.	4	1	0	9
Thornton g.	1	0	3	2
Beauchot g.	0	2	5	2

By Marty

I'm a guy who likes to see a winner. Losers bore me. I don't care how I win just as long as my team has scored more than the opposition at the end of the game. Losers seem so helpless and futile, and that's why I never pull for the Pittsburgh Pirates. They're a hundred to one shot every time and the Pirates' fans must have undying patience. I'd go see a movie with Tex Ritter before the Pirates would get my loot.

I go see the champions play. They're the ones that hold my interest. Fans in any sport, all over the country are the same way. There's no substitute for a winning team, and my heart dropped when the Panthers lost to Lenoir Rhyne in the North State Conference tournament.

I went over to Lexington full of high hopes and expectations. The game was sloppily played and only in the first ten minutes did the High Pointers make a contest of it. I was looking for an upset, but it never did come off as the Bears beat the Yowmen by the wide margin of 21 points. Our side ran the whole game, but Aronnyer, Propst, and Wells just kept rolling along in fine style. Coach Jim Hamilton of Lenoir Rhyne, made only two substitutions during the entire game, and they saw only limited service.

There were a lot of disappointed Panther fans after the game was over. I was one of them. The student body was there in force with Captain Lewis leading the band. We lost the game, but we outnumbered any other school in attendance and probably spirit. And don't think that the varsity players do not appreciate it. They were out there trying their best to win for the student body and the school, but as someone at the tournament said, "We just don't seem to have the material."

There may be a lot of truth in that statement, and then again there may not be. I'm not smart enough to know which side is right. I'm just an "immature student" who wants to see a winner. Can you blame me?

However, I do know that our team is definitely lacking in some height. They need a good big man who is ready to play college ball right now, and is not a year or two away. Goons are easy to find. Barnum and Bailey have a few in their side shows. You cannot compete with teams like Atlantic Christian, Lenoir Rhyne, and Elon without another big man. Sure Jack Powell is a good rebounder, but the likeable High Point native needs someone to help him. I go for a winner and I'd give anything for the likes of John Marley.

Next year is Powell's last before he graduates. What will the Panthers do then? Who will take up the slack when Jack graduates? If anyone does know of a seven foot giant with some basketball ability, please contact Coach Virgil Yow immediately. He is in desperate need of such an animal. Even though I'm just an "immature student", I like to see a winner. Don't you?

TENNIS ANYONE?

Coach James F. Jones is very optimistic about the coming tennis season. While losing almost his entire championship team from last year, including his foreign aces (Mike Reyes-Varela and Vincent Leong), the net mentor still has Bill Huegele, Ray Wicker, Paul Stanton, and freshman Ken Tew. The only conference team that should give him any trouble is East Carolina. During Easter week, Coach Jones has a Florida trip planned in which he hopes the boys will pick up some valuable pointers.

Editor's Note: There are some people that did not like the things that I said about Ken Williams in the last issue of the Hi-Po. I believe that everything that I said about Ken is true. If however, anyone would like to voice their own opinion on the subject, they can use my entire column in the next issue of the Hi-Po. Nothing will be censored.

THE RETURN OF SONNY'S JOINT MARCH 15

Personality of the Month

by art sereque, jr.

Have you seen a tall, blonde senior from Rockingham go by? If so, that's Koy. Usually he's seen with a big, friendly smile, but at other times he's seen with a pretty girl on his arm. (He's pinned to Miss Betty Ann Tysinger). Koy is well known by practically everybody on campus. He may be seen at the bookstore playing bridge (what else?) or cheering the basketball team on to victory at the gym. His many achievements on campus include intramural sports, junior marshal, president of the men's dormitory, cheerleader, vice-president of the Sigma Phi Epsilon fraternity, member of the track team, dean's list (he has one of the highest averages in his fraternity), and is a member of *Who's Who Among Students in American Universities and Colleges*. Thus you can see that Koy has been quite active during his four years here at H.P.C. As a hobby, Koy has collected many excellent modern jazz records, including Dave Brubeck and Stan Kenton. Besides this, Koy also builds his own Hi-Fi record players and radios which are very beautiful pieces of craftsmanship. Judging from his all-around ability, it looks as if Koy is Mr. HPC-1956.

Henry Whipple Organ Program In Assembly Feb. 22

By Helena Smith

On Wednesday, February 22, Mr. Henry Whipple, minister of music at the First Presbyterian Church in High Point, presented a very delightful program of organ music for the assembly hour.

Mr. Whipple has been at the First Presbyterian Church for nine years; he is a member of the Kiwanis and Musical Art Club in High Point. He received his degrees at the University of Michigan and Union Theological Seminary of Sacred Heart.

His selections included: "Toccata in D Minor" by Bach; "Jesus, Joy of Man's Desiring" by Bach; "Top and Bottom of the Trumpet" by Cleramleault; "Romance" by Bonnet; "Fountain" by De Lannarter, and concluded with "Psalm 19" by Marvello.

Mr. Whipple presented appropriate remarks on the music, not only information but entertaining as well.

INTRAMURAL QUEEN — Betty Ann Tysinger, Thomasville senior, was crowned intramural queen for this basketball season by Mrs. Jean Pons, last year's intramural queen. Betty Ann has had a number of honors and will reign as May Queen over this year's festivities.

Betty Tysinger Crowned Intramural Queen March 14

Miss Betty Ann Tysinger, a senior from Thomasville, was crowned queen of the 1956 Intramural Basketball Tournament Wednesday night, March 14, in a half-time ceremony in Harrison Gymnasium. Sponsored by the Sigma Phi Epsilon fraternity, Betty Ann was selected from a field of eight contestants by Mrs. E. L. Ring, mother of "Miss North Carolina of 1954"; Mrs. Harold Conrad, wife of Dean Conrad; and Miss Ruth Worthington.

Jean Pons, the 1955 Tournament queen, crowned the new queen after each contestant had been introduced and escorted to the center of the gymnasium.

In addition to the new title, Betty

Ann is also the 1956 May Queen, was Holiday Jubilee Queen of 1955, and was a runner-up in the recent "Miss High Point College" contest. Active in extra-curricular activities, she is head cheerleader and president of the Phi Mu sorority.

Jewell Smith, sponsored by the Hot Sparks, was runner-up for the title.

The other contestants and the organization teams they represented were the following:

Jane Thornhill, Kappa Chi; Arlene Hobbs, Lambda Chi Alpha; Mary Stuart, N. D. M.; Lorraine McCurry, Pi Kappa Alpha; Mary Lou Lanier, Theta Chi; and Ann Moser, Tau Kappa Epsilon.

Mary Smiley and Pat Hauser Elected To Head Zenith Staff for 1957 Publication

The Zenith staff members for the school year 1956-57 have been elected by the Junior class. The candidates for the four top offices of the annual are nominated by the outgoing officers and are presented to Miss E. Vera Idol, advisor to the annual, for approval. Following this, the slate of officers are presented to the Junior class who can then nominate by petition or accept the slate as presented. This year's Junior class voted to accept the slate of members as drawn up by the present officers of the Zenith staff.

In the office of Editor is Mary Ruth Smiley, a junior, from Lynchburg, Virginia. Mary Ruth has served for the past two years on the staff of the annual as picture editor. She is a member of the Order of the Lighted Lamp, Alpha Gamma Delta Sorority, the Methodist Student Fellowship, and is a representative to the S. G. A.

Louise Pugh, next year's Associate Editor of the Zenith, is a sophomore from Franklinville, North Carolina. She is a member of the Lambda Alpha Phi Sorority, Alpha Delta Theta, the Methodist Student Fellowship, and the International Relations Club.

Patricia Hauser, a junior from High Point, North Carolina, will serve as Business Manager for the Zenith. Pat has had past experience on the annual staff, is a member of Phi Mu Sorority and the Future Teachers of America Club.

Robert Gatling, a sophomore from Ahoskie, North Carolina will serve as Associate Business Manager for next year's Zenith staff. Bob has served in the past on the staff of the annual, is the president of the Baptist Student Union and a member of the State B.S.U. Officers' Council. He has also participated in the S. G. A.

Both the associate editor and the associate business manager were chosen from the sophomore class in view of the fact that their experience will be of help to them as seniors on the staff.

ZENITH OFFICERS — Mary Ruth Smiley and Pat Hauser were elected editor and business manager, respectively, for the 1957 edition of the Zenith. They were elected by the junior class March 16. Louise Pugh was elected associate editor and Bob Gatling was elected associate business manager.

Tekes Down Pikas 53-40 To Capture Basketball Intramural Crown

By Marty Neustadt

On March 12, 13, and 14, High Point College held its annual intramural basketball tournament. The tourney under the capable direction of Mr. Arthur Paschal, consisted of eight teams in a single elimination playoff. The Tekes took an undermanned Pika team in tow and were crowned victors for the second year in a row. The Tekes won during the regular season play, also for the second straight year.

This was probably the best team in TKE history. They had five outstanding players, and two or three more sitting on the bench that could have played for almost any fraternity in the nine team field. In order to get to the finals, they had to beat NDM, and Kappa Chi before finally taking care of the Pikas by the lopsided score of 53-40. Spec Allred and "Mighty" Bob Young scored 13 points each, while Joe Carrington hit 15 markers for the Tekes. Perhaps, the key to the Tekes victory was the effective way that they bottled up Dale Swairingen and held him to only eight points. The night before against Lambda Chi, the ace jump shot artist bagged 20 points to help the Pikas win in the semi-finals.

There was just too much muscle under the backboards for the smaller, (Continued on Page 3)

Legislature Meets; Passes Three Bills

The Student Legislature of High Point College met on March 15, 1956, and passed the following Bills:

1. A Resolution to do away with the outdoor May Day Exercises for the year 1955-1956.
2. A Bill to adopt an Alma Mater for High Point College.
3. A Bill concerning Attendance at class meetings.

A BILL CONCERNING ATTENDANCE AT CLASS MEETINGS

WHEREAS: We believe that strong class organization can definitely raise the school spirit at High Point College and,

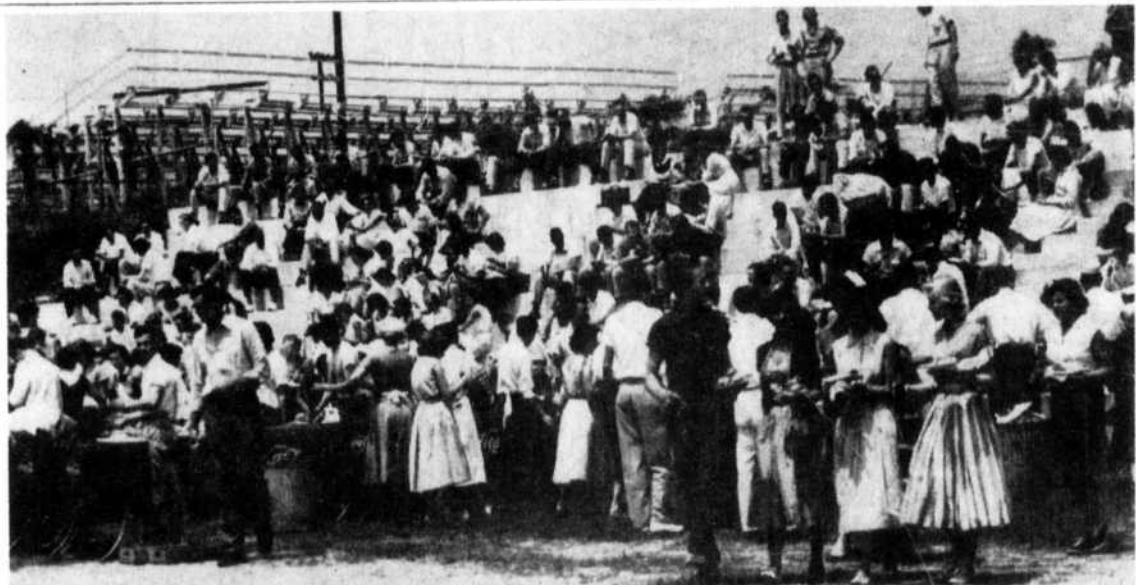

WHEREAS: We believe that the students do not realize the importance of class meetings and,

WHEREAS: We believe that the activities and responsibilities of the individual classes cannot be adequately carried out unless the importance of these classes and their meetings is realized by our student body.

THEREFORE, BE IT HEREBY RESOLVED BY THE STUDENT LEGISLATURE OF THE STUDENT GOVERNMENT OF HIGH POINT COLLEGE THAT:

ARTICLE I:

Section I: Attendance at class meetings (Continued on Page 2)

Fried Chicken'n Trimmings On Menu For Annual Student-Faculty Picnic

There's gonna be free food, folks!

And just look at the menu — fried chicken, baked beans, potato salad, lettuce and tomato salad, fruits, cookies, ice cream, and tea — all of this and in that favorite form of fun — a picnic!

Twelve o'clock noon, March 28, marks the date of this food frolic. The picnic is in its second consecutive year in the history of High Point College, and from the success of last year's and the anticipation of this year's, promises to become an annual institution on the campus.

On next Wednesday, the day for the picnic, the assembly program will not consume the entire time; therefore, 11:20 classes will begin immediately following chapel and will close at 11:40. The 12:20 class will begin at 11:45 and will close at 12:10, then on to the picnic which will be over in time for 1:30 classes.

The picnic was planned by a committee composed of Dr. Dennis H. Cooke, Mr. A. B. Williams, Mrs. Walker, Miss Worthington, Dean Allred, the presidents of each of the four classes, the president of the SGA, and president of the student legislature.

See you at the ball park in time for the picnic!

NAACP Refuses Hi-Po Freedom Of Pictures

Two Hi-Po photographers, Jimmy Reavis and Johnny Mann, were prohibited from making pictures at the National Association for the Advancement of Colored People (NAACP)-sponsored youth conference held at Shaw University, Raleigh, March 17.

Reavis and Mann had previously secured permission from Dr. Margaret Adams, state faculty advisor for the group, however, and made a number of pictures before they were asked to stop. This order to stop came from the state president, Miss Shirley James, senior student at North Carolina College at Durham. Miss James did not want her picture made because she is "persecuted." Her picture appears in this issue.

The conference was attended by (Continued on Page 4)

Resolution-

A BILL TO ADOPT AN ALMA MATER FOR HIGH POINT COLLEGE

Introduced by the Music Department of High Point College.

WHEREAS: Most every college and university in the United States of America has a song known as the Alma Mater of said institution and

WHEREAS: High Point College never has had an official Alma Mater adopted by the students and

WHEREAS: Dr. Lew J. Lewis, Head of the Music Department of High Point College has written a song worthy of being called the Alma Mater of High Point College.

Therefore be it so resolved by this Student Legislative Body that:

The song written by Dr. Lew J. Lewis be officially recognized from this day forth as the Alma Mater of High Point College.

Words of said Alma Mater
To Alma Mater sing we now; To thee all loyalty we vow.
In knowledge, faith, humility—of thee we would be worthy.

(Continued on Page 2)

SGA Nominations

Student government nominations deadline has been set for March 28. As is the custom at High Point College, these nominations are in the form of write-ins. Any organization or individual on campus is allowed to nominate persons for the executive positions on the student council. It is necessary that every student give serious thought to these nominations, and if possible, to take part in the nominating capable persons to fill these positions of president, vice-president, secretary, and treasurer.

Last year the student body and the faculty approved a new constitution giving the students more voice in High Point College's government than ever before. Without capable and hardworking officers, however, our new constitution is worth no more than the paper it is written on. This year S.G.A. has sat back and taken things easy while our hard-won rights and privileges have slipped back into the cob-webby corners of the students' memories. Without strong officers we will not only fail to advance further, but we will lose those rights we do have.

Now is the time to act, and it is up to you, the student body of High Point College, to do so. Think about it, talk about it to your friends in club meetings, sorority and fraternity meetings, and then drop your nominations in the student government box in the foyer of Roberts Hall. You will be glad you did.

P. J.

Dust Bowls and Cockroaches

The Mid-West is famous for its dust bowl, but it has nothing on High Point College. Any visitor to the Men's Dorm can see that. Practically every room in the Dorm is one. It is almost impossible to keep the dust down. The rickety wooden floors with their many cracks catch dust that should be swept out. The moulding at the base of the walls is loose and harbors not only dust, but cockroaches.

Cockroaches are repugnant things. Besides being ugly little insects, they are menaces to health and appetite alike. As indiscriminate feeders they are likely to contaminate any food or thing that they touch. They cause intestinal disorders due to organisms they harbor which come in contact with food. They also impart a foul odor.

The other day I took a jacket out of my closet and found a huge cockroach living in one of the sleeves. This is a rather unusual place for a cockroach to reside, and one place which I do not particularly care for it to do so. Of course I would rather find a cockroach in my clothes rather than a rat. Lately there has been much discussion by the girls of the rats in their dorm.

I think that if linoleum floors were put into the Mens' Dorm and the mouldings were fixed, the Mens' Dorm would be much more attractive and easier to keep clean. It would also help get rid of the cockroaches. I don't know what the best way is to get rid of rats, but the girls might be wise to buy some cheese and rat traps, as well as rounding up some more cats for their dorm.

R. T. S.

Letters To The Editor

It was with grave concern and heavy conscience that we read the front page news story of the upcoming conference of the N.A.A.C.P. youth movement in Raleigh. For several issues our "school newspaper" has made comments upon the racial question, not to mention the untimely attack upon our governor several issues back. However, this new development caps the stack! What is your purpose in going to Raleigh? Is it to soak up as much N.A.A.C.P. propaganda as the organization can hand out for your dramatic "report" in a future issue? It is not obvious to you by now that this is one of the most vicious and dangerous organizations that ever dared perpetuate itself upon the American social scene?

It should be clear to brotherhood and integration workers by now that they are merely tools and pawns in the hands of the NAACP. Do you think that this name calling organization of demagogues intends to stop their fight with a victory on school

segregation? NO! they expect full social equality and acceptance, with intermarriage as the final result!

If you think this is all so much talk, ask the counselor of one of the women's dormitories at W.C. about the telephone call she received March 1 from A & T students who wanted dates for their R.O.T.C. Ball on March 23!!

On October 7, 1955, Roy Wilkins said in a speech to a NAACP group in Charlottesville, Va.: "Even the Uncle Tom do not tell whites the truth. We tell them only what is necessary to keep the peace and get along in the little worlds that we both inhabit." This statement was by the highest colored official of the NAACP!

Once more we question your purpose in making the Raleigh trip. What "Truth" do you expect to obtain?

JERRY KENNERLY,
CECIL THOMAS, JR.,
WESLEY JONES

Jane Lucas

Do you have a dream? I wonder if we took a poll on the question how many would be uncertain, maybe not have one, or what is worse than either of these, how many would be ashamed to admit having a dream, would act apologetic and sheepish?

Too often our generation is accused of not having ideals. Maybe we can't be blamed for this. With the possibility of complete annihilation staring us in the face, it is hard to pick up; but remember it takes more courage and even higher ideals to stand up in the face of great odds. There are other reasons why youngsters lose sight of their stars. Cynicism is one of the bitterest enemies of idealism. You have heard the saying, "there is no prude like the reformed rake." It might also be said that there is no cynic like the ex-idealist. Ridicule, laziness, and abandonment all take their share in forming the blanket that smothers the fire of our ideals.

Do you remember your high school class prophecy? Imagine yourself at a class reunion twenty years from now. How many of those prophecies will have come true? What of the boy who was chosen "most likely to succeed" or the girl who was going to write the great American novel, or the girl who was going to be another Pavlova? Maybe they haven't reached the heights yet, but at least that hope is still alive — or is it? Have their dreams been destroyed by cynicism, ridicule, laziness, or abandonment, or are their dreams still lighting their everyday lives with promise of fulfillment? It isn't necessarily attaining your goal that makes life worth living; it is that striving and working toward it which puts that extra spark in life.

Remember that "dreams are like stars. You can't touch them with your hand, but if you are lost in a desert they will guide you to your destination."

SIGMA PHI EPSILON

On February 20th, seven pledges were initiated into our Chapter. They are: Jim Reavis, Bill Stewart, Roger Davis, Charlie Holcomb, Lane Green, Pepper Burns, and Ralph Wolfe.

Our newly elected executive board members and Chapter officers are: president—Stan Broadway; vice president—David Myers; comptroller—Dennis Pruitt, and historian—Braxton Warner.

The brothers extend their appreciation to the people responsible in making "The Return of Sonny's Joint" a big success. Thanks go to the audience also.

Final plans are being made for the Sig Ep Ball. It will be held on April 7, in Raleigh. Candidates competing for Sig Ep Ball Queen from N. C. Eta are Elaine Mills and Betty Ann Tysinger.

PI KAPPA ALPHA

The newly elected officers of the Delta-Omega Chapter of Pi Kappa Alpha are as follows: president, Don Kearns; vice president, Jim Allred; secretary, Joel Nixon; treasurer, John Abernathy; co-editor, Bob Hunsucker and Cecil Thomas; pledge-master, Al Finley; IFC Representative, Carson Cox. Our congratulations to you men.

Newly initiated into the brotherhood are Don Murray, Dale Swearingen, Bennie Phillips, Richard Hollman, Jim Allred, Bruce Hunt, Carson Cox, Luke Livingston, and Max Loflin. Delta-Omega is proud to have these new brothers.

Special congratulations are in order to Brother Bob Duncan who was recently elected president of the IFC. The chapter would also like to salute Coach Gene Duke and his boys who turned in such a fine record for Pi Kappa Alpha in basketball. The brothers and pledges recently got together for a stag party—a good time was had by all.

THETA CHI

Well, it seems that we have a couple of things that we as a fraternity can be proud of this year. As is known, we are the last National fraternity to be installed on campus but old enough to do our part this year. The grades for last semester came out with Theta Chi heading the list and we would like to thank all of those who contributed to the excellence of our position. Let's just keep it up.

Another matter which adds to our good fortune is that our Alumni are forming an Alumni Chapter here at HPC. This chapter will be, we are proud to say, one of the first Theta Chi Chapters in the state.

Our Dream Girl ball is fast approaching, as a matter of fact, it will be on April 14. Boy, are we going to do it up right! Well, after all, it is our 100th year as a National Fraternity, and this just doesn't happen every year. All of the plans are not completed yet, but it shows great promise, and the men are really behind it.

Some of the men just got back from the Mason-Dixon in Richmond. It seems that everything went off rather smoothly. From what we hear, everyone had a grand time.

LAMBDA ALPHA PHI

The Lambdas had a Valentine Party on February 18, at the Y. W. C. A. in High Point. The members and their guests, along with Mr. and Mrs. George Davis attended the event. At the close of the party, Jack Young and Shirley Lytle were crowned Valentine king and queen.

A committee is now working on plans for our spring banquet which will be held March 24, at the Robert E. Lee Hotel in Winston-Salem.

We are very proud of our new advisor, Mrs. Marge Case. Our other advisors are Mrs. Betty Perry, Mrs. James Moffit, and Mrs. George Davis.

New officers were elected at our last meeting. They are: Genele Hutchins, president; Priscilla Gingrich, vice-president; Louise Pugh, secretary; Irma Jane Scruggs, treasurer; Bobbie Barrett, Panhellenic representative; Cris Barber, SGA representative with Camilla Isley as her alternate, and Norma Kearns, devotional chairman. Congratulations to these new officers.

Helen Gobble has been appointed reporter to the Hi-Po.

Congratulations to Patsy, Jo, Libby, and Faye, who have diamonds, and to Mary Alice, who was recently married.

ALPHA GAMMA DELTA

Officers recently elected from Alpha Gamma Delta sorority are: Babs Huntly, president; Margaret Black, first vice-president; Shelby Moseley, second vice-president; Jahala Eudy, recording secretary; Delores Stephens, corresponding secretary, and Ann Noe, treasurer. Congratulations to these new officers.

Delores Stephens was chosen the most outstanding pledge. Her award was an engraved silver dish. Jackie Holden and Shelby Moseley received certificates for perfect scores on their pledge test.

Alpha Gamma Delta is sponsoring a hay ride for all students in the near future. The rate will be fifty cents for couples and thirty cents stag. Watch the bulletin board for the time and place, and make plans to enjoy a good old fashion hay-ride.

PHI MU

Pledge class of Gamma Zeta chapter of Phi Mu honored its members with a Hobo Party at the Grange Hut, Friday, March 9. Refreshments of sandwiches, pretzels, doughnuts, and cokes were served to the hobos, about forty in number. During the evening, dancing and games were enjoyed, and prizes were awarded to the couple best portraying the role of hobos.

The incoming officers of Phi Mu consist of Shirley Caudill, president; Connie Jawett, vice-president; Elaine Mills, secretary; and Jean Rufty, treasurer. Congratulations!

Sunday, March 18, was initiation into Phi Mu for Martha Ellington, Jean Rufty, Shirley Yokley, Patty Ballard, Elaine Mills, Ann Kurfes, Sylvia Holt, and Connie Jewett.

The second-semester pledge class elected Jackie Nesbitt as president; Helen Harris, vice-president; Sue Beeson, secretary, and Anne Kerr, treasurer.

LEGISLATURE

(Continued from Page 1)

ings be made compulsory.
Section II: The Ten-Twenty period of the first Monday morning of each month be set as the time for Freshman Meetings.

The Ten-Twenty period of the Second Monday morning of each month be set as the time for Sophomore Meetings.

The Ten-Twenty period of the Third Monday morning of each month be set as the time for Junior Meetings.

The Ten-Twenty period of the Fourth Monday morning of each month be set as the time for Senior Meetings.

Section III: Compulsory class meetings shall not exceed one a month.

ARTICLE II:

Section I: Class members are allowed one unexcused absence from class meetings each semester.

Section II: More than one unexcused absence from class meetings shall be subject to the Judiciary Board. If the Judiciary Board so decides, one quality point shall be taken away for each unexcused absence.

RESOLUTION

(Continued from Page 1)

Thy motto may we all obey, nil sine numine.
May we thy children learn to pray and walk with Alma Mater.

When from these halls we must depart, Nurtured in each grateful Heart

Will be the warmth of friendly days, Enjoyed along thy pathways.

When on our ears thy name shall fall It will be a herald trumpets' call To hail thee college, queen of all, Oh well loved Alma Mater.

The mind's eye sees the Campus green,

The mind's ear hears a sound serene—A cherished hymn from bell tower rings

Remembered by thy blessing. Throughout our lives in accents clear,

The chords of memory draw us near To sing again a song sincere in praise of Alma Mater.

Sidewalk Symposium

Shelby Moseley

Question of the week: "How are you going to spend your Easter holidays?"

Marty Neustadt — "Go to Daytona Beach and sip mint juleps."

Thomas Walker — "Take it easy at home and forget school entirely."

Daniel Smith — "I never plan that far in advance."

Bill Huegele — "Play tennis with the team at the College of Charleston, Furman, Jacksonville, and Stetson, and then go home for a while."

Buddy Nance — "Go to the beach and have a good time."

June Elder — "Probably just loaf at home in Lynchburg."

Bob Darden — "Meet Buddy Nance at Ocean Forest, S. C."

Don Smith and Don Cranford — "Work at Marietta Paint Co. during the days. After hours, we won't say."

C. W. Faulkner — "Fish in the Chowan River."

Lane Greene — "I'm going to be anti-social and stay at home."

Margaret Black — "Go to West Virginia and see my relatives and friends at West Virginia Wesleyan College."

Jim Andrews — "I ain't for sure, but I may go to Grandma's."

Jan Kirkman — "Go to New York with my mother on a buying trip."

Sarah Forbis — "I'm going to stay at home and catch up on a correspondence course I'm taking."

Jean Pons — "Go to Myrtle Beach."

Whether at home, at work, or on the way,
To you all a happy Easter Day.

Pantherettes Post 27-3 Record

Ending a brilliant season under the able leadership of Coach Gene Duke and Miss Stillman, the High Point College girls defeated the Mercury Athletic Club to the tune of 59-55. It was only the second loss of the year for the M.A.C. The Pantherettes closed with a 27-3 record.

The "Hosses" were favored to win this tournament, and they didn't let anyone down. In the final game, Mercury Athletic Club gave them a rough moment or two, but the superiority of their sharp shooting forwards Gaynell Pennell, Martha Ellington, and Sara Owen spelled disaster for the M.A.C. Sara Owen bagged 34 points and Gaynell Pennell contributed 19 for the night.

Not only did the College girls win the finals, but they also put three players on the all-tournament team. Selected by the Thomasville officials were Gaynell Pennell, Sara Owen, and Vicki Washburn.

THE WINNERS!

IN VICEROY'S \$50,000 COLLEGE CONTEST!

WINNERS OF 10 THUNDERBIRDS

The judges' decisions are in! Here are the 50 students who wrote the best names for Viceroy's filter... a filter made from pure cellulose—soft, snow-white, natural!... and the college organizations named by the 10 Thunderbird winners to receive RCA VICTOR Big Color TV Sets.

TENNIS SCHEDULE INCLUDES 21 GAMES

Coach James F. Jones has just released his 21 game tennis schedule for the 1956 season. Included on the schedule is Presbyterian College who are ranked in the first ten in the nation! All home games this year will be played at Sedgfield while the home courts will be used for practice. Here is the slate:

March
26—Oak Ridge Military Inst.—Home
28—Erskine College—Away.
29—Presbyterian College—Away.
30—Furman University—Away.
31—College of Charleston—Away.

April
2—Mercer University—Away.
3—Jacksonville Naval Air Station—Away.
4—Stetson University—Away.
10—Guilford College—Home.
12—Lenoir Rhyne College—Away.
17—Guilford College—Away.
18—Elon College—Home.
20—Appalachian College—Home.
23-24—East Carolina College—Away.
26—Elon College—Away.
27-28—Atlantic Christian College—Home.
30—Appalachian College—Away.

May
1—Oak Ridge Military Institute—Away.
3—Lenoir Rhyne College—Home.

Fifteen Game Slate for 1956 Baseball Released

The High Point College baseball team has a 15 game slate for the 1956 season. The Panthers will do a lot of traveling this year as only six of their games will be played at home. Here is the card:

April
5—Guilford College—Away.
9—Elon College—Away.
11—Catawba College—Home.
13—Lenoir Rhyne College—Home.
16—Elon College—Home.
17—Guilford College—Home.
19—Appalachian College—Home.
25—Catawba College—Away.
27—Atlantic Christian College—Home.

May
2—East Carolina College—Away.
3—Atlantic Christian College—Away.
9—Lenoir Rhyne College—Away.
10—Appalachian College—Away.
11—Western Carolina College—Away.
12—Western Carolina College—Away.

WINNERS OF 10 RCA VICTOR COLOR TV SETS

WINNERS OF 40 COLUMBIA HI-FI PHONOGRAPHS

To the Winners

TEKES (Cont'd. from Page 1)

but determined Pikas. They could not cope with the likes of Don Roberts, Harold Davis, and Bob Young. It was a well deserved Teke victory that even Gene Duke will admit.

Kappa Chi pulled the most startling upset in the tourney by beating favored Lambda Chi for third place. The "Preachers" were set to win this one and led by the sharp shooting of C. W. Faulkner and J. L. Peterson, they squeaked by with a 40-39 decision.

The tournament was run off in fine fashion except for one sour note. This was the refereeing of Paul Stanton. In one of the games that he was so-called "officiating" a played was clobbered almost into unconsciousness. All Stanton did was stand around with a whistle in his mouth and look pretty at the crowd. Letting a game get this far out of hand is uncalled for and can lead to serious trouble. I wonder if he knows what constitutes a foul? If he is going to referee the game, then do it. If not get off the floor and give someone else a chance!

NAACP Youth Round Up Held At Shaw University In Raleigh

"Education For Effective Citizenship" Was Theme for Statewide Meeting; 350 Attend

On Saturday, March 17, at Shaw University in Raleigh, the annual N.A.A.C.P. Youth Round-Up was held. The theme for the round-up was "Education For Effective Citizenship." An overflow crowd of 300 attended the proceedings. Among the speakers were Mr. G. H. Ferguson, director, Division of Negro Education, State Department of Public Instruction, Raleigh, N. C.; Mr. W. A. Holmes, principal, Hayes High School; Mr. L. B. Frazier, Durham, N. C.; Mrs. Beatrice Burnett, Tarboro, N. C.; Mrs. Sarah Patton Boyle, faculty wife at the University of Virginia, and author of the Saturday Evening Post article, *South-erners Will Like Segregation*; Mr. Carl DeVane, Professor of Political Science, Shaw University; and Mr. W. L. Greene, executive secretary, North Carolina Teachers Association.

Raleigh Mayor, Fred B. Wheeler opened the meeting with an official welcome to the group. He said that, "Man ought to keep his mind open to the truth. He should try to get something out of meetings." Speaking on principles he mentioned, "Everything comes back to the individual. Think right and live right. Try to live to do something for somebody else. The bigger the man, the more courtesy he shows. Benefit from exchanging ideas."

Dean Foster P. Payne of Shaw University, speaking on the liberal tradition said, "Youth are awakening to the things at hand. We must be interested in the youth of the land. North Carolina is awakening to the part of youths on the scene. . . . We must leave here (N.A.A.C.P. meeting) as an ambassador of what we have derived here."

First Discussion

Dr. Joseph Pittman, Professor of Education at North Carolina College at Durham, the moderator of the proceedings, speaking prior to introducing the main discussion leaders said, "People who believe in thinking will certainly do the best for most people." He then went on to define role as, "A set of behaviors incumbent upon the holder of a position, such as parent, principal, or teacher. What should be the set of behaviors?" He then went on to introduce the speakers, whose topic was *The Role of the State and Municipal Boards of Education in Pub-*

Mrs. Boyle

lic Education in North Carolina and The Role of the Principal, Parent, and Teacher in Public Education in North Carolina.

Mr. Ferguson then went on to speak on the *Legal Aspects of Public Education and the Framework of Such*. "The legal basis in public education is in the state constitution, while the framework is implemented by the general assembly. North Carolina has a general and uniform system of schooling, free to all residents. It is my opinion that in building a system of public schools there are three things that must be considered: 1.) the purpose; 2.) the machinery used in setting up schools; 3.) the cost and revenue derived and expended." He continued in a different vein with, "The people of North Carolina believe school is the agency for maintaining relations between church and home, therefore they voluntarily tax themselves. The people themselves must determine the type and extent of the education both wanted and needed. The quantity and quality of education is determined at the local level. The state level of education is on a very young level."

Mr. Holmes spoke on the principal's role in education. "The most difficult job in the world is working with human lives. School operation is becoming a big business and the principal cannot do the job by himself. He must have everybody's co-operation. He must also make the parents understand

the purpose of school. The principal has to sell school to the community in a functional, interesting manner.

The principal does not know what goes on in the human mind. He is measuring an intangible. Thus he must keep up on professional improvement.

It is a challenge to build more stately schools. If the principal becomes snobbish, he defeats his purpose."

Mrs. Burnett mentioned the responsibility of the teacher in regard to her role in the education system. She also mentioned that the chief purpose of education is to get people to live in harmony in society.

Mr. Frazier spoke on the role of the parent. Included in his speech he said, "I want to keep tragic things from happening to school children. There is a lot of political propaganda about integration, but I don't think the people of North Carolina will allow the banishment of public schools. Parents cannot take the dangerous task of complicity."

Question Period

At this time there were questions from the floor.

Question: "What steps should the student take with parent who is against an integrated society?"

Answer: (by Mr. Frazier) "The student should approach parents and tell him of the advantages of an integrated society."

Question: "Are you in a position to give ratio of money given to white schools as compared to that given to Negro schools?"

Answer: (Mr. Ferguson) "No. However, in 1920, negro schools were worth 2 million dollars. In 1953, negro schools were worth 77 million dollars. Also, the fight between rural white and urban white schools, is as bad as that between the races."

Question: "Would it be more feasible to have one department for both negro and white education?"

Answer: (Mr. Ferguson) "The negro division was set up so that full attention would be given to negroes."

Question: When integrated schools come, will negro teachers be out of a job?"

Answer: (Mr. Ferguson) No comment. . . . However, North Carolina now employs one of the largest amounts of negro teachers in the country.

Question: Does the student have a role in education?"

Answer: Yes, he will have to co-operate and want to learn.

Second Session

The second part of the program focused its attention on "Integration in North Carolina." Featured speaker was Mrs. Sarah Patton Boyle.

Mrs. Boyle opened her speech with the astonishing news that *NORTH CAROLINA IS NOT AS DEEP SOUTH AS VIRGINIA!* Then she continued with, "Minority members carry on (in fight for integration). All data indicates that a large majority of educated whites are in sympathy with the plight of the negro. However, many whites don't say openly what they really want to. The negro is offered bodily violence and mental hurt if he speaks out."

"The white citizen who defends minority rights has no place to hide, for his own people are whom he chooses to oppose. The white person can do a tremendous amount for integration, about twice as much as we think. However, some whites believe that silence is the wisest policy. It takes more than ordinary courage to push segregation in the South. Southern whites are not accepted or trusted by negroes."

"God", Mrs. Boyle continued, "is more real to me than man, thus I am able to carry on. But, I have a vast and unshakable faith in mankind. I could not do the things I do if it were not for love-of God and mankind."

"It is not perfectly safe to speak out, as I have been threatened of life and limb. Yet, there is more goodwill in the South than most negroes think."

"In reality, the common enemy is fear. If this was dispelled, all doubts would disappear. The way to get rid of fear is through something which has roots. Anger has no roots, thus it is no good. One way, in confidence and peace, is through prayer. Concentrate on loving people. But you ask, how you can love somebody you don't even know? Think of their troubles and fears. The joy of the Lord is my strength. Remember Jesus' admonition, 'Love thine Enemies', is the best way to face enemies."

Mr. DeVane was introduced as the next speaker. He spoke of integration "through the traditions of democracy." Mr. DeVane also mentioned the lack of integration in North Carolina and of white supremacy in politics. "Each southern state is in the confederacy of southern warfare. Virginia is playing the role of circumvention, while North Carolina is playing the role of camouflage." The maneuvers of the German Blitz were paralleled to the arresting of the Alabamians in the bus boycott. "The best we can hope for", he said, "is a president who will enforce laws which must be enforced - not use patience and time."

By Marty

The New York Yankees baseball club have that knack of winning. They are champions in whatever they do. People flock to their ballyard because they play an exciting brand of baseball. They have spirit, determination, and an unexhaustible supply of talent; a combination that is hard to beat.

Every team in the league puts out a little extra against the Yankees. They save their best pitchers for them, make impossible circus catches, and dive into the stands for out of reach foul balls. They consider it a noteworthy feat when they beat the Bronx Bombers, and they would rather win from the Yanks at a crucial time than see Grace Kelly in person.

But the Yanks win anyway because they are champions of a thoroughbred nature. They are the very tops in their league and their attendance figures bear this out. People who care nothing about baseball come out to boo them, because they are tired of seeing the Yanks win each year. They want a new winner and that's the norm when one team controls everything.

It's natural for people to root against the champion, and maybe there lies the answer to why everyone cheers for the opposition when the Tekes are engaged in any sporting endeavor. You look around the stands and witness patrons pulling against the Tekemen. The other team scores a basket, runs for a touchdown, or hits a home run and a thunderous applause streams from the stands. They came to see the Tekes lose, and they go away disappointed. The Tekes play like the true champions that they are and the facts speak for themselves.

Last year, they won football, volleyball, basketball, and lost only one game in softball. Not one team scored a point against them in football all season, as they completely dominated the intra-mural scene. They are out to revenge their loss of last year's softball crown. You couldn't tempt me to bet against them. You might say that I am partial, but how in the world can you argue with cold, plain facts!

One reason for their success is that they love to win. They stick together like glue and the look of determination shines in their eyes. They are a hardy lot and losing is not in their vocabulary. I don't deny that they have a lot of talent, but talent if not handled right can go astray. Something keeps their athletes together, and that something is a burly fellow named Don Roberts.

Don is the mainstay and the guiding force behind the Teke kingdom. He is their compass for winning. It is not that he has great ability or talent, but he is smart and he knows what to do and how to do it when things look dark for Tekedom.

"Mr. Roberts", as he is affectionately known by his brothers, was the sixth man on the Teke basketball team this year, (probably the greatest team in TKE history at High Point College). I can't think of a better sixth man in the league. There are a few teams that would have had Roberts on their first five, but only when the Tekes needed him, did they give the muscular senior the call to duty.

The Tekes went through their season like a twister in a small town. No one defeated them and very few came close. They played each game like it was a world's series affair instead of just an intra-mural contest, but that is one of the factors that makes them so good. They play hard and rough, but no matter what anyone thinks, they don't play dirty. Thoroughbred champions don't have to play dirty.

Some day the law of averages will catch up to them and some fraternity will glow in the sunshine as they defeat the mighty Tekes. It will be the hardest victory anyone ever earned. They'll have to earn it because you don't beat thoroughbred champions any other way.

Alumni Launch Drive For \$100,000 To Build New Gymnasium

Architect's Drawing of Alumni Gymnasium

ALUMNI GYMNASIUM — Above is the architect's drawing of the proposed new gymnasium. Charles C. Hartmann, who designed Memorial Auditorium and the Science and Home Economics Building is the architect. The new building, if the proper funds are raised, will begin being built in the latter part of July. The seating capacity will be about 3,200.

Seating Capacity To Be 2300; Can Be Enlarged

By Jimmy Reavis

The High Point College Alumni Association has launched a drive to raise \$100,000 which will enable the building of a new gymnasium on the campus of High Point College. The drive, which was begun with two alumni dinners on April 14, will be headed by Bill Lewis, chairman of the Athletic Council. At the dinner meeting, Bill Henderson, class of 1942 and young man of the year for the state, spoke. Holt McPherson and Dr. Cooke also spoke at the meeting.

At the two dinners, a total of \$10,000 was raised in cash and pledges which are payable by July of 1957.

"The building of the gymnasium will be included in a three-in-one construction program, provided that the goal of \$100,000 is reached by July. If it is not, the building program will be postponed," Wesley Gaynor, executive alumni secretary announced.

The three-in-one program includes the building of the gymnasium, changing the present gym into a cafeteria and building a new kitchen, converting the present cafeteria into classrooms.

NEW GYMNASIUM DESCRIPTION

The new gym, to be called Alumni Gymnasium, will have a seating capacity of 3,200, including seats in the balcony. The outside will be constructed of brick and the inside of hollow tile; the floors will be hardwood and so constructed so that no posts will obstruct the view. The frame of the building will be reinforced steel. The building will be so constructed so that at a future date the north end can be removed and enlargements made so as to seat 5,000 people. Also, a swimming pool can be added.

Included in the building will be four offices for faculty and the athletic staff, three classrooms to be used by the physical education department, a concession stand, and ample storage facilities for athletic equipment. There will also be a first aid room and a bedroom for the several students who will take care of the building. There will be separate shower and toilet facilities for visiting teams as well as for HPC team.

There will be ample parking area for spectators at the athletic contests and Farris Street will be paved, connecting East and West College Drive.

The gymnasium will be located behind the present Science and Home Economics Building.

Tower Players Undertake Macbeth; To Be May 3 & 5

By Mark Eby

The Tower Players of High Point College will undertake their first Shakespearian play on May 3 and 5 with the production of *Macbeth*. With a cast of thirty-four the play will also have the largest cast of Tower productions in the school's history, and Jane Despain, director of dramatics at the college, remarked, "There is a higher degree of purpose and student enthusiasm than has been shown in any other play since I have been at the college; it seems that the larger the challenge, the more intense is the response."

Miss Despain has been fortunate in finding experienced actors for the four key roles of the play, *Macbeth*, Lady MacBeth, Banquo, and McDuff, around which the action of the play will revolve.

Cast as Macbeth is Mark Rose from Winston-Salem, who had extensive dramatic experience in three high school productions there. An accomplished singer at HPC as a freshman last year he played lead in the musical "Nick of the Woods." Commenting on the selection of a Shakespearian play for the spring production at High Point College, he said, "it's a real challenge and I think we can meet the expectations. This is a real test for the players, and I feel that the students in particular will enjoy it."

Probably the most experienced playmaker in the group is Betty Mullinex of Troy, who is cast as Lady MacBeth. Betty played leading roles in high school and has been a mainstay of the Tower Players since she entered college. Already she has played the leads in "Charley's Aunt," "Nick of the Woods," "Arms and the Man" as well as several one-act productions. She too is a singer and is in the Women's Glee Club.

Leon Lee of Charlotte will play McDuff. In high school he participated in three operettas and two light comedies and while in junior college further acquired acting experience in "The Robe." A sophomore, he was a member of the cast of this year's production, "Arms and the Man."

The four-some is rounded out by Gene Duke, junior from Oxford, North Carolina. Back in high school he was the lead in junior and senior plays, and at the University of North Carolina was a member of the Carolina Playmakers, participating in several one-act plays, most of which were summer productions. Gene is familiar in local athletic circles as the coach of this year's women's basketball team, which under his direction went on to a 27-3 season, the best record in HPC history.

There seems little doubt that the possibilities for the competent and spirited production are there. These primary roles are played by actors with some range of experience. MacBeth will also serve the purpose of training some thirty other young actors for roles in future years of greater responsibility and more demanding ability.

Senior Assemblies Begin Wednesday

Next Wednesday in assembly, the senior class will be invested with their caps and gowns. Dr. Harold Conrad will preside and Dr. Dennis Cooke will charge the seniors.

Speaker for the occasion will be Mr. F. S. Royster, Henderson businessman. His topic will be "Business as a Life's Vocation." Mr. Royster has been a member of the State legislature. He also established the Royster-Parker scholarship which consists of four percent interest on \$10,000 which is given annually to two ministerial students at HPC.

The senior investment program is one of four special senior assembly programs.

DR. G. RAY JORDAN

In assembly May 2, Dr. G. Ray Jordan, a professor at the School of Religion, Emory University, Atlanta, will speak on "Christian Vocations as a Life's Work."

ATTENTION

All Hi-Po staff members are urged to be at the regular meeting this coming Monday at 10:20. The meeting will be in the Hi-Po office and the editor and business manager for the coming year will be elected.

MR. HOLT McPHERSON

Chairman of the board of trustees and editor of the *High Point Enterprise* Holt McPherson will speak in assembly May 9. His topic will be "Vocations Other Than Religion and Business as Life's Work."

SENIOR ASSEMBLY

The final assembly of the year will be May 16 and the senior class of 1956 will have charge. Phil Mowery is senior class president and Mr. A. S. Withers is their advisor.

WAA NEWS

Dorm & Day Students Capture Intramural Championship

The Dorm and Day Students' team won the women's intramural basketball tournament on Monday, April 9, by winning their fifth and last game, compiling a no-loss record. Captain of the team was Foy Culp and they were coached by Ruth Reynolds, other team members are: Betty Brooks, Nancy Lee, Nellie Jones, Pansy Livenood, Nancy Wilson, Patsy Hooks, Nancy Beeson, Jane Smith, and Jane Martin.

Second place honors went to Kappa Delta (Marcia Bailey, Captain) and (Continued on Page 4)

GRADUATION SPEAKERS — Above are Dr. Samuel Miller Brownell and Rev. Edgar B. Fisher, the speakers for graduation exercises for the class of 1956. Reverend Fisher, pastor of Duke Memorial Methodist Church, will preach the Baccalaureate Sermon on May 27. Dr. Brownell, Commissioner of Education, Department of Health, Education, and Welfare, will deliver the commencement address May 28.

Campus CALENDAR

APRIL

- 20—Kappa Chi banquet
IFC dance from 8 to 12 p.m.
- 21—Phi Mu banquet and dance
NDM party at High Rock Lake
- 22—Theta Chi motor trip to the mountains
- 24—Choir concert in Memorial Auditorium at 8 p.m.
- 25—Kappa Sigma Delta educational fraternity weiner roast at 5:30 a.m.
- 27—Kappa Delta banquet and dance at Robert E. Lee Hotel
- 28—Junior-Senior dance

MAY

- 1—Voice recital in Memorial Auditorium at 8 p.m.
- 2—Alpha Delta Theta retreat from 2:45 to 8 p.m.
- 3—Tower Player's presentation of "Macbeth" in Memorial Auditorium at 8 p.m.
- 4—May Day Dance and crowning of the May Queen from 8 to 12 p.m.
- 5—Pi Kappa Alpha banquet and dance at Starmount Country Club
Tower Players' second presentation of "Macbeth"
- 10—Choir recital
- 11—Faculty wives dinner for husbands
Sophomore class picnic at city lake from 5 to 9 p.m.
- 12—Alpha Gamma Delta dance
NDM banquet and dance at Emerywood Country Club
Tau Kappa Epsilon dance
- 19—Lambda Chi Alpha Banquet

SGA OFFICERS — Above are C. W. Faulkner, vice president; Ernie Ball, president; and Murphy Osborne, treasurer for the Student Government Association. They were elected by the students in recent election in which 78.5% of the students participated.

Ball, Faulkner, Osborne Elected To Head Student Government Association Activities

(Note: The run-off election for secretary for the SGA had not been completed at press deadline. Consequently, the results of that election are not contained herewith. Ed.)

Ernest H. Ball, C. W. Faulkner, Jr., and Murphy Morgan Osborne were elected April 12 and 13 to head the Student Government Association for the year 1956-1957.

E. Ball, a rising senior from Mooresville, was elected to lead the student body as president of SGA; he has

gained experience in that line by serving as vice-president of SGA this year. He is an active member of Lambda Chi Alpha and has served as president of that group.

C. W. Faulkner is from Mount Airy and is a rising junior. He has been active in various campus activities, particularly with his class and comes qualified to preside of the legislature.

Murphy Osborne, an Elkin native, is well known over the campus and was elected treasurer. He has been an

outstanding member of the HPC basketball team.

The other candidates for office were: Delbert Kirkman, president; Robert Gatling, vice-president; Don Frye, Luke Livingston, treasurer.

Of the 884 eligible students to vote, 694 voted for a 78.5% of the student body voted. This is in contrast to last year's 60% who turned out to cast their ballots.

Chapter Rooms?

According to what has been said around campus, construction will start soon on a new gymnasium. This means that the cafeteria will move over to the old gym, where special air vents were put in during Easter, in anticipation of the move. What the fraternity men on campus are wondering is whether the promised space for fraternity meetings will come along with these other moves. The six fraternities on campus sorely need a place to keep their files, as there is barely any room in the dormitory. They also need a place where they may conduct meetings undisturbed by outsiders. Many times, formal meetings have been interrupted by people bursting in on the meetings. This is a matter of great consternation to all fraternity men. It is hoped that this matter will be decided, once and for all, in the near future.

R. T. S.

Personally Speaking

By Art Sereque
Hi-Po Managing Editor

The Student Government elections are over and we have another slate of officers. Ernie Ball rises from vice-president to president; C. W. Faulkner is veep, Murphy Osborne is treasurer, and either Sylvia Fox or Dolores Stephens will become secretary.

Now that they're elected, I wonder what will become of their campaign promises? It seems to me that last year we heard a lot of promises too. We elected some very capable people to office, but what did we get? We got some fellow students in office who were lackadaisical and unconcerned. I believe, though, that they were interested in the honor of being part of the S.G.A. and not at all interested with the responsibility which went with their position.

Not very much was accomplished this past year by the S.G.A. Among the things that were done, perhaps the most significant things were:

Doing away with the May Day exercises and instead, having a May Day dance.

The adoption of an Alma Mater.

Keeping the library open on Sunday from 2-4.

Making attendance compulsory at class meetings.

The latter is a fine step forward, but it is dubious whether the S.G.A. can actually impose such a penalty upon the students. Even if within constitutional powers, the mass of students may object to having a quality point taken from their grades for missing a compulsory class meeting.

Due to complacency on the part of the S.G.A., we do not have a "Spring Frolics" this year. Last year the S.G.A. worked hard for a spring formal with a name band, one which was a great success. This year—only the May Day dance.

But getting back to the campaign promises. Practically all the campaign speeches were about a stronger Student Government. Will we get it though? E. Ball has demonstrated that he can do a good job, due to the fact that he has been twice president of Lambda Chi Alpha fraternity and the vice president of the S.G.A. Now we want to know what he will do next year. Will his fraternity demand too much of him? Will he be willing to work long and arduous hours for the S.G.A.? Will he still have the ambition and inclination to be a good president? The new constitution is a part of E. Ball. It is certainly hoped that he will not forsake something that was of his own creation.

C. W. and Murphy have both been officers of their class. They have the experience and the ability. I just hope they won't act as dead weight on the S.G.A. They didn't when they were officers of their class. I believe that if they stay on their toes, they will help the S.G.A. go a long way.

It seems that the administration does not encourage strong leadership for the S.G.A. Perhaps they are afraid the students will try to pull a "fast one" over on them. I do not believe that the students themselves know their leaders very well. If we knew them better, it would be conducive for a stronger S.G.A., something which has been lacking here at High Point College. Perhaps if we had three or four student assemblies every year, instead of one, we would get to know our leaders much better. But whatever the case may be, we, the students, must strive to get the most out of our Student Government Association.

Gatling

LAMBDA ALPHA PHI

The most memorable event of the year for the Lambda Alpha Phi Sorority took place on Saturday night, March 24. This was our formal spring banquet on the Balinese Roof of the Hotel Robert E. Lee in Winston-Salem. After the program and delicious meal there was dancing with the music furnished by "The Swingmen" of High Point College. Faye Peedin was crowned "Our Lambda Girl of 1956" by the Queen of 1955, Ellen Elgin. She was chosen by secret ballot by the sorority and the winner remained a secret until she was crowned.

Congratulations to Bobbie Barrett on being elected President of Woman's Hall. We are proud of you, Bobbie!

SIGMA PHI EPSILON

Immediately after returning from the Easter vacation, the brothers of N. C. Eta made preparations for the Sig Ep Ball which was held April 7 at the N. C. State Student Union. Eight Sig Ep chapters from North and South Carolina attended the ball, as well as many alumni. Highlights of the ball were the crowning of the Queen of Hearts and the song contest, which the High Point Sig Eps won with their rendition of *The Battle of Jericho*. A large gold trophy was the prize.

Recently three brothers pinned their girls. On April 7, Stanley Broadway, president of the chapter, pinned Miss Elaine Mills, a Phi Mu. John Rierson, chapter secretary, pinned Miss Jane Bundy. On the same day on April 13, Walt Moore pinned Miss Sarah Lyday of Women's College.

Parents' Day is to take place Sunday, April the 29th. The brothers will attend church as a group with their parents. Following a church service, a picnic will be held at City Lake.

THETA CHI

The big news this time of course is our newly instituted annual Theta Chi Dream Girl Ball. It was held April 14, 1956 at the Sheraton Hotel and I must say it was quite a success, especially since it was our 1st in three years. It was quite an event for us and we really appreciate the good turnout of the brothers and pledges.

Our faculty was well represented by Mr. and Mrs. N. P. Yarbrough, Mr. and Mrs. H. E. Coble, and Dr. and Mrs. Hill. We appreciate the interest that they have shown in us.

Miss Shelby Jean York who was escorted by our president, Delbert Kirkman, was selected from the undergraduate's dates as the Dream Girl of Theta Chi. It was a most commendable choice.

Along with our celebration of our 100th year, we also are celebrating the founding of the 1st chartered alumni chapter of Theta Chi in the State of North Carolina. Our alumni are to be commended for their excellent work and achievement.

N. D. M.

On April 21, the N.D.M. Club had their monthly party at High Rock Lake.

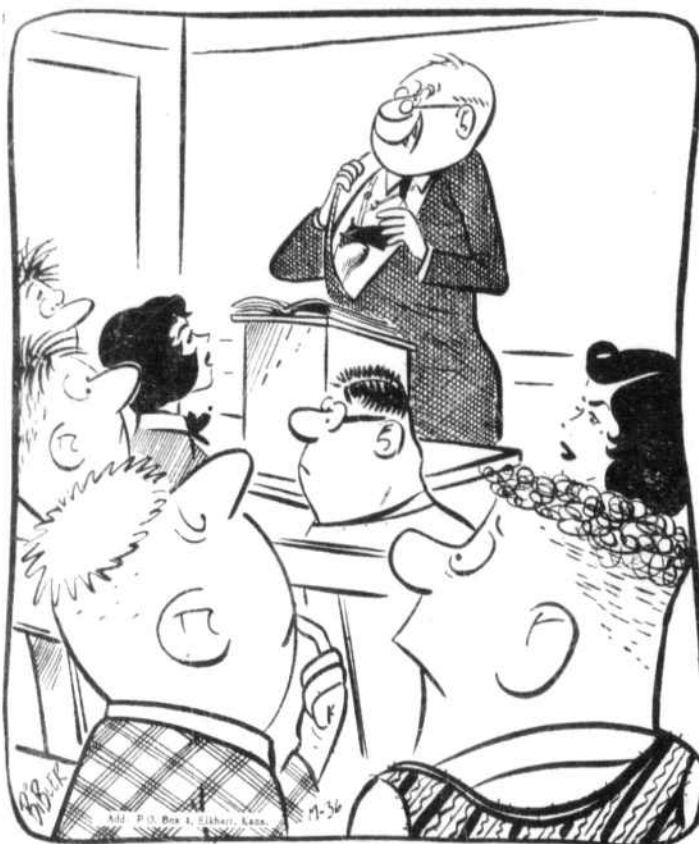

During the open rush the N.D.M. Club took in as pledges: Bobby Ayers, Bobby Suggs, and Vernon Tate.

At the meeting on April 9, officers were elected for the coming school year. They were: president, Jack Beck; vice president, Don Frye; secretary, Frank Collins; treasurer, Roger Shelton.

The annual banquet of the N.D.M. will be held at the High Point Country Club on May 12.

LITTLE MAN ON CAMPUS

by Dick Bibler

"I'VE WAITED FIVE YEARS FOR SOMEONE TO ASK ME THAT QUESTION."

Elegy Written In A College Bookstore

(With apologies to Thomas Gray)

By: K. S. and M. E.

The tower heralds the academic day,
The drowsy crowds wind slowly o'er the lea,
The foggy scholar classward plods his way,
And leaves the bookstore cluttered with debris.

Now come the straggling coeds on the sight,
And all the air a smoky stillness holds,
Save where the textbook pages turn so slight,
And scattered coughs presage some coming colds.

Save that from yonder juke box blaring loud,
Bo Diddley does of Diddley's Daddy sing,
But sings in vain to that departed crowd,
Who now are sealed beyond the bell's last ring.

Beyond those walls where knowledge can be had,
Where old and profound truths are sometimes read,
Some groggy ivy-tailored lad,
Yawns once or twice then closes lids of lead.

For him no more to learn of pomp and power,
Or ancient treaties that our fathers kept:
At least it's lost to him for this one hour.
He groaned; he tilted backward; and he slept.

Let not the pedant mock his lack of toil,
His somnambulistic state do not disturb;
Fear not the aesthetic soul to soil,
Because he often called a noun a verb.

Nor you, ye proud, impute to him the fault,
If memory o'er these halls no trophies raise.
Here in this place of smoke and chocolate malt,
Rhythmic rock and roll will swell its praise.

Perhaps beneath this veil of hibernation,
Once lived a soul to set the world afire,
Hands even destined for college administration,
And lips which could reveal a living liar.

Here in this cluttered spot he oft did sit,
Among the rugged booths which range the wall,
And talked of nights before with jocund wit,
Or Stamoslovski's chase of flying ball.

Full many a gem of purest gam, and lace
In this dark cave of leisure is described,
Full many a coed trumps her partner's ace
For whom a winning hand is e'er denied.

The boasts of horse-power, the pomp of Ford,
And all that speed, all that drag race gave,
Awaits alike the dictates of the Lord.
The paths are gory leading to the grave.

One morn I missed him from his custom'd booth.
The jubilent bell had tolled the end of class.
The minutes sped; with ardour I picked my tooth;
My doll arrived. We went out on the grass.

EPITAPH

There rests in class his head on back of chair
A lad for whom fortune will ne'er unfold;
The pedant frowned upon his lethargic air,
And marked a lurid "F" upon the roll.

Low were his marks, his theme e'er brief,
Oft called he was before the Dean to see.
He gave to College, all he had, their grief,
He gained from them ('twas all he wished), a degree.

Good Vote

An astonishing 78.5% of the student body turned out in the rain to cast their ballots in the recent SGA elections.

This large percentage is indicative of the active interest in SGA affairs. Last year, considered by many as one of keen interest, found only 60% of the student body voting.

At Carolina, where student government's student government, the number of voters was only 3,399 out of a possible five or six thousand.

The large percentage of voters at HPC reflects that the entire student body is behind the newly elected officers. With such a close-knit set-up, the activities of the branches of student government should become coordinated with the result being a wise and efficient governmental organization.

It is not only possible, but highly probable, that Ernie Ball will carry out his campaign promises by improving the "food situation," putting the social calendar in the hands of the students, having student representation on the assembly committee.

Doing something about the food "we unwillingly pay for and reluctantly eat" will, no doubt, present a formidable challenge. This is true because it involves a change in the administration's policy.

At any rate, the Hi-Po commends the new officers and challenges them to keep in mind their campaign promises. Remember, too, that 78.5% of the student body is awake.

Coke Time

Have a frosty bottle of Coca-Cola; it's only six cents. Throw the empty bottle on the floor, under the chair, or out on the lawn. The janitors will pick it up. They always do. After all that is what they are getting paid for. You wouldn't want to see them sit around and loaf all day.

Take a look at the T.V. room in the boys dorm at about four in the afternoon, then observe it again at 10:00 P.M. What happened, baby? Bottles by the carloads sitting on the floor, laid all over the tables, and even behind the video. Notice the candy wrappers in every place but the trash can. They don't belong there anyway. What attractive wallpaper and floor-coverings they make. Where else can you get a mixture of Planter's Peanuts and O'Henry all in one design?

Why should grown college men create such an uninhabited environment? The answer is laziness and disrespect for your fellow college students. Surely it would not take much of an effort on the part of each Coke-drinking student to put the bottle back into the crate. The television room might then be a decent place to sit down in without fear of messing up that new suit you just got for Easter.

M. E. N.

Sidewalk Symposium

Shelby Moseley

Question of the week: "What do you think High Point College needs most by way of improvement for next year?"

Rossie Gardner — "A name band for the big dance of the year. A broader social program in general."

Bobby Valentine — "Assembly programs of popular music rather than long hair."

Walt Moore — "Better food than we are getting now."

Ann Sherrill — "A new gym and other athletic facilities."

Kyle Sterling — "No comment."

Bobbie Barrett — "A good student government that functions effectively."

Weldon Idol — "A larger student union with more and better facilities."

Tom McLean — "Better relations between students and the administrative departments, particularly concerning the remarks made of late. I am concerned primarily with the openness that should prevail between the students and the administrative body."

Garland Young — "A student government that stands strong on its constitution."

Shelby York — "More people to take deep interest in the student government and its functions."

Phyllis Capps — "One of the improvements needed is some furniture for the girls' day room."

Jim Sumner — "Some additional classrooms are needed. Also, a bigger turnover of teachers in some departments would be effective."

HPC Wallops Guilford By 13-5

On April 5, the High Point College baseball team handed Guilford College a 13-5 defeat. The highlight of the contest was a grand slam home run by hard hitting centerfielder Harold Watson. Jim Ward received credit for the victory as he relieved Frank Miller in the fourth and held the Quakers runless.

In the next two games against Elon and Lenoir Rhyne, the Panthers still showed they had the ability to produce runs even though they lost both affairs. Slugging shortstop Roy Cockerham poled two home runs against the Christians, as Elon beat HPC 9-8. Greatly aided by eight High Point College errors, the Lenoir Rhyne Bears clipped the Panthers 10-3.

As of this writing, the Panthers stand 1-2 in conference play. The big difference between this year and last is some strong hitting power. The team is a little weak in pitching, but Coach Virgil Yow hopes that his hitters can offset this weakness.

The infield is pretty well set with

Harold Bull at second, Roy Cockerham, at short, Johnny East at third, and probably Charlie Faust at first. Bill Kiser who batted .323 for the Panthers last year, injured his ankle while sliding into second at Elon, and will probably miss the rest of the season.

The outfield has Harold Watson in center, Bobby Hall in right, and Don Cooke or George Ivey in left field. The catching will be handled by Bill (Pappy) Beasley. Beasley made all-state while playing for Greensboro High before entering the service. Paul Hodges was declared ineligible due to the fact that he went to Carolina for a year. He will serve as batting practice catcher for this year.

Jim Ward, Frank Miller, Frank Scott, and Bobby Pharr will throw from the mound for the Panthers. Hazel Phillips and her magic pencil will score the games, while the incomparable, Marty Neustadt will handle the managerial duties.

BULL HUSTLING back to first on Watson's attempted hit as Lenoir Rhyne first baseman waits for throw from the outfield. Gray Everhart signals for Bull to slide.

Softball Captures Sports Spotlight

By Ray Wicker

Intramural softball moves into the spotlight as the final intramural activity of the 1955-56 season. The Intramural Department under the direction of Mr. Paschal has enjoyed a year of tremendous success. In all of the intramural sports this past year there was keen competition and rugged play by all of the clubs entered. Mr. Paschal said, "every year the competition has been getting tougher between the participating teams, and the caliber of men playing in the intramurals is getting better."

High Point has one of the best intramural programs in the Carolinas. This fact has been proven by the inquiries other schools have sent to High Point about how the Intramural Program is set up. As another establishing factor High Point has won the North State Basketball Championship for the past two years. When the new

gym is completed the program will be strengthened even further by the addition of much needed playing surface.

The talk around campus this spring is that the defending softball champions SPE Fraternity are going to have to be on the ball to retain their status quo. All of the teams have had their hurlers warming-up getting ready for the opening game which is slated on April 16. The SPE's still have their slugging power, but have lost their ace pitcher, Dale Swearingen.

All games will be posted on the bulletin board in front of the bookstore and all students are urged to go down to the baseball and softball fields and yell for their favorite teams.

A Round Robin tournament will be held this year and in case of a tie there will be a play off at the end of the regular season. There are eight teams entered, they are: Lambda Chi, Theta Chi, SPE, TKE, Pika, NDM, Hot Sparks, and Kappa Chi.

Tennis Team Starts Slowly

The 1956 edition of the High Point College tennis team is by no means the greatest the Panthers have ever had. It is a team that will have to fight hard if they are to retain their championship of last year.

For the first time in over five years, the Panthers lost a North State Conference match. Guilford College squeaked out a 4-3 upset win over the Jonesmen. But showing amazing rebound power, the team journeyed to Lenoir Rhyne two days later and trounced the Bears 6-1. As of this writing, the Panthers are 1-1 in conference play and 4-6 overall.

Coach James F. Jones is still confident that his boys can take the crown, even though they have suffered a setback this early in the season. Bill Huegele and freshman sensation Ken Tew provide him with probably the best one and two men in the loop, but after that it's anyone's guess. Dale Swearingen and Ray Wicker have looked good in spots, but have not played enough consistent tennis to be considered sure winners. Tommy McMahon, Ben Zambrana, Ken Paxton, Elon Cook and Sonny Thornton's roommate round out the rest of the team.

Track Team Is Small But Potent

The 1956 edition of the High Point College track team is a small, but potentially powerful one. Although it lacks in manpower and equipment, there are some determined men who are seriously taking training for the team. Among the top men are Ken Black, sprinter, high jumper, and broad jumper, and Jim Wilson, the best bet to break the North State mile record.

One of the team's most serious handicaps besides the lack of manpower is the lack of equipment. Despite the fact that track equipment is relatively inexpensive, the school has none. There are a few javelins, a shot put, and a stop watch. However, at the moment there are no track shoes, uniforms, or other equipment. It seems as if there is no remedy in sight. If anybody can help the team, it will be gratefully accepted.

There are two meets this year. The first is April 21st at Elon, one which is a dual meet. The second, the North State Conference meet, is May 12th. This one will also be held at Elon.

By Marty

Everyone has to lose sooner or later. It happened to the New York Yankees in the 1955 World's Series. No one can keep on winning and winning forever. They just don't stack the cards that way. It's like a hot poker player who keeps on getting full houses and buying inside straights. Then suddenly his luck changes and even "the man with the golden arm" can't help him."

The gravy train just doesn't keep rolling along. Call it luck or fate, or anything else you want, but even the great ones have to lose sooner or later. They used to say never bet against the New York Yankees, Notre Dame, or Joe Louis. But take a look for yourself and see how many times their applecart has been turned over. It's too numerous to count.

The law of averages keeps anyone from getting too far ahead. You never know when they'll trip you up and send their victim sprawling on their embarrassed faces. The High Point College tennis team was no exception. For over five years, the Panthers completely dominated tennis in the North State Conference. Then, on a muggy April 10, Guilford College sneaked out a 4-3 win in a match that took over four hours to complete.

This was the first North State Conference loss in five years for High Point College. There is no doubt in my mind that it would not have happened had the "Latin Lovers" been roaming the courts for Coach Jones. Mike and Carlos were quite a combination, but even they had to eventually graduate. You can't hold the clock back forever. Duncan Reddit was the only man I

know who did it. The amazing thing about these Mexican marvels was that they never practiced. They didn't need to. They just took the court and literally slaughtered any opposition. They weren't afraid of anyone either. Mike and Carlos would drive up to the matches in a beat up old Ford after just having completed an eight hour work shift. Coach Jones would be frantic with worry. Mike would flash that easy smile and say, "Don't worry coach, don't worry." He would saunter on the court and the situation was then well in hand.

The tennis team lost four men from last year's squad and as yet, they have not been adequately replaced. Coach Jones believes that he still has enough to take the crown anyway. It is a young team that should get better as the season progresses. There is only one junior on the squad, and the remainder of the team is made up of freshmen and sophomores. Bill Huegele and Kenny Tew have played exceptionally well so far this year. Ray Wicker and Dale Swearingen have come through in spots and they show a great deal of potential.

The fifth spot is the only place that they are really weak. Paul Stanton makes a poor attempt to plug the hole. His game is sorry, but Coach Jones has no one else, so he goes with the cocky Greensboro native. Stanton must think his name is Mike because he can never find time to practice. I see no resemblance of any kind.

If you would ask this writer who he picks to win the North State crown, he would have to go with the champion and say High Point College. Guilford and East Carolina will give them trouble, but everyone has to lose sooner or later and the High Point College tennis team was no exception. I wonder how ole' lady luck is stacking the cards this year?

Personality of the Month

By Koy Dawkins

When this month's personality walks by, people turn and say, "That's strange." Larry is an active member of the student body and has been known to be on campus from early morn to late hours, but this is changed now. Seems that he took a trip down to a neighboring state and came back a married man. His bride of Jan. 6th is the former Miss Jo Lutz, also a student here at HPC. We will just have to add that we wish them both the best together in their life together.

Larry Strange is from High Point, and a junior majoring in chemistry. Larry says that he intends to go into the chemical sales field. Larry is a brother in Pi Kappa Alpha, and besides being Conductor is well known for his hustling for the various activities of the P.K.A. He has also been active in the Tower Players, Judiciary Council, and the American Chemical Society. Larry said he would like to see stronger student body support for the S.A., and is anxious to see a scholastic Honor System set up for the campus. "It's got to be a fair and workable system, though," he added. (We've got to add that we agree with Larry, and wish we had about 75% of the campus who would help out with seeing that High Point College has a strong student government, and a workable and fair Honor System). Don't let married life keep you away from campus too much, Larry, this campus needs good "hustlers!"

HAVE FUN - NOW!! Make "College Life" Movies

And here's your opportunity to own a high-grade 16 mm Outfit. Make real-life-like action movies of your college days - sports - social gatherings - days and events that will live in beautiful color and black and white action-pictures. This outfit can be yours:

Intramural Championship

(Continued From Page 1)

Alpha Gamma placed third (Janice Butner, Captain). The officials for the tournament were Barbara Edwards and Vicki (Muscles) Washburn. The program was under the direction of Miss Stillman.

Softball intramurals are expected to begin next week with the same teams entering.

Jan Thornhill, Toby Barrier, Ann Sherrill and Barbara Edwards are representing the Woman's Athletic Association in tennis matches being scheduled with other colleges in this area. The first match will be at Guilford College Friday, April 13.

Nell Long Elected To State Office

Nell Long was elected secretary of the College Clubs Division of North Carolina Home Economics Association last week end.

She was elected during the association's annual workshop held at Women's College of the University of North Carolina. The meeting was attended by home economics students and advisors from several colleges in the State.

Miss Long is now secretary and treasurer of Epsilon Sigma Omicron of High Point College home economics professional sorority.

She will attend the national home economics convention in Washington, D. C., during the summer.

The Hi-Po

PUBLISHED BY THE STUDENTS OF HIGH POINT COLLEGE

VOLUME XXX

HIGH POINT, N. C., FRIDAY, MAY 4, 1956

No. 12

Mosley, Lucas, Perry To Head Hi-Po Staff

Shelby Mosley and Jane Lucas have been recently named as Editors-In-Chief of the 1956-57 HI-PO, the official college newspaper. John Perry, this year's business manager, will again fill this position for the coming year. These new heads were announced after the usual procedure of nomination by the staff and approval by the publication committee.

Mosley, a mathematics major from Archdale, has been on the staff of the Hi-Po for the past two years, serving as news editor for the past year. A member of Alpha Gamma Delta sorority, in which she holds the office of second vice-president, Shelby is also a junior marshal, a member of the Future Teachers of America, the educational fraternity, and was secretary of the Day Students. Her journalistic record dates back to high school where she was closely associated with the school paper.

Lucas, an English major from High Point, has been associated with the Hi-Po since entering High Point College. Serving in the capacities of feature editor and managing editor, she has become familiar with the workings of such a paper. A feature writer for her high school paper, Jane was also feature editor for the 1955-56 Zenith.

Perry, a senior from High Point, served as associate business manager prior to becoming the business manager. Outstanding on the campus, John is a member of Sigma Phi Epsilon.

Both Mosley and Lucas will assume their official duties with the printing of the next issue of the Hi-Po.

Art Sereque has been named as managing editor for next year. Other staff positions will be announced in the first publication of the next school year.

Junior-Senior Termed Success

The annual Junior-Senior Prom was held on April 28, at the Shrine Club from eight until twelve. Music was furnished by the eight piece combo, Men of Music from Mooresville. At intermission, Bob Hunsucker, acting as master of ceremonies, introduced the officers of the two classes and their dates. The officers are: president, Stan Baker; vice president, Frank Daniels; secretary, Voneyle Linthicum; and treasurer, John Powell, of the junior class. The senior class officers are: president, Phil Mowery; vice president, David Moore; secretary, Margaret Westmoreland; and treasurer, Mary Lou Lanier.

Graduation Schedule

Thursday, May 24, 8:00 P.M.—Band Concert, Memorial Auditorium.
Friday, May 25, 8:00 P.M.—Music Department Recital, Memorial Auditorium.
Saturday, May 26, 6:30 P.M.—Alumni Dinner, College Cafeteria.
Sunday, May 27, 11:00 A.M.—Baccalaureate Service, Memorial Auditorium.
Sunday, May 27, 5:00 P.M.—Senior Class Vesper Service, Memorial Auditorium.
Monday, May 28, 10:30 A.M.—Graduation Exercises, Memorial Auditorium.

Campus CALENDAR

MAY

- 4 May Day Dance and crowning of the May Queen from 8 to 12 p.m.
- 5 Pi Kappa Alpha banquet and dance at Starmount Country Club
Tower Players' second presentation of "Macbeth"
- 10 Choir recital
- 11 Faculty wives dinner for husbands
Sophomore class picnic at City Lake from 5 to 9 p.m.
Home Economics department food sale in Student Center at 10:20
- 12 Alpha Gamma Delta banquet and dance at the Bliss Restaurant in Greensboro
NDM banquet and dance at Emerywood Country Club
Tau Kappa Epsilon dance
- 18 Freshman class picnic at City Lake
- 19 Lambda Chi Alpha Banquet

May Day Dance To Be Tonight

The annual May Day Dance, sponsored by the Student Government Association, will be held tonight, May 4, from 8 until 12:30 in the gymnasium. Those attending this semi-formal event will dance to the music of Reg Marshall and his band.

The dance committee is headed by Hardy Tew, Student Government Association president; the committee is subdivided into three groups, arrangements, decorations, and refreshments.

The May Queen, Betty Ann Tysinger of Thomasville, will be crowned in the center of the gym with the May Court forming a figure dance. Those composing the court are the following: Senior representatives, Jean Pons of Leaksville and High Point and Patsy Cranford of Denton; Junior representatives, Delores Stephens of Elkin and Jackie Hoover of Greensboro; Sophomore Representatives, Barbara Huntley of Charlotte and Carol Groth of Lexington; Freshman representatives, Sylvia Shirley and Shirley Yokeley, both of High Point.

Girls will wear dressy dresses and boys, suits. Refreshments will be served.

SENIOR CLASS ACCEPTS CULLER'S CHALLENGE

The senior class, in a special meeting called for April 23, voted to accept the challenge of alumnus Dick Culler. Culler challenged the class of 1956 to increase their funds for a gift to the college of \$1,000 and to put this into the alumni gymnasium fund.

Culler, a member of the College Athletic council, will then put a four faced clock in the alumni gymnasium with a plaque stating it is a gift from the Class of 1956.

Mindful of the fact that they would soon be a part of the alumni association and of the opportunity afforded by Dick Culler to give a valuable gift to the college were the chief factors in bringing about this decision.

Mr. Tucker

Seventy-year Old HPC Student Visited All But One Continent

By Jane Lucas

With his French beret tipped at a jaunty angle, there is a little amazement in the fact that Mr. S. E. Tucker

is "three score and ten" years of age. At High Point College Mr. Tucker is receiving his first contact with formal higher education; however, his full and active life both in the business world and in his four trips abroad have certainly lacked no advantages nor opportunities for learning from experience.

Having visited every continent in the world except one, Australia, for which he is now planning a trip, Mr. Tucker feels that the "greatest education one can receive is in travel." "I'm attending High Point College," says Mr. Tucker, "because I want to share with these young people the marvelous privilege they enjoy which I was denied as a boy."

Mr. Tucker has written and published four different accounts of his travels, the first of which he entitled "Hello, Folks" a series of letters which he wrote home. "A Visit to Oberama-gau," "Central Europe Yesterday and Today," and the most recent "Let Us Now Go Even Unto Bethlehem" are others.

Stanley County, North Carolina is the birthplace of Mr. Tucker, and for forty years he has lived in High Point. He is the secretary and treasurer of the Columbia Panel Manufacturing Company in Thomasville, North Carolina.

As a hobby Mr. Tucker is an ardent numismatist, collector of rare and unusual coins. He has collected more than 1,500 different United States coins.

After many years of living and watching others live, Mr. Tucker has arrived at the conclusion that the inspiration of young people has meant more to him in his lifetime than any other accomplishment. He has manifested his interest in young people through teaching Bible in Sunday school.

E. Vera Idol Received Zenith Dedication In Assembly

Zenith Officers Presented Honor

The breathlessly awaited event of the year, the presentation of the 1955-56 Zenith to the student body, occurred Wednesday, May 4, at the regular assembly, with the dedication of the annual to Miss E. Vera Idol.

Miss Idol has been an inspirational teacher and a devoted friend to students of High Point College since the school first began. A native of High Point, she holds degrees from Greensboro College and from Teachers' College, Columbia University. She has also taken special work at Columbia and Oxford Universities and at George Peabody College.

Aside from her interests in traveling, collecting antique glass, cups, souvenir spoons, and oil painting, Miss Idol also finds time to write — her most recent publication being "Paths of Shining Light."

Her years of serving as advisor to the Zenith have resulted in a year book of which High Point College can be proud.

Heading the staff of this year's Zenith were Faye Peedin, editor-in-chief; Mary Alice Herbert, associate editor, and Elton Cook, business editor.

The Zeniths were distributed Wednesday after assembly from 11:20 until 3:30 and on Thursday from 10:20 until 12:20. Any annuals which go unclaimed or any left over can be purchased for \$5.

Get X-Ray Today

The TB mobile unit is in the rear of Robert's Hall today, May 4, to X-ray the chests of all students, faculty, and staff. Everyone is urged to participate in this free check, which will take only about a minute per person. You will be notified if any condition of the lungs is detected in the X-ray.

This unit was here in 1947, at which time practically all students had free chest X-rays.

Dr. Moffitt's Contract Not Renewed By Administration

Art Sereque

One of the faculty members, Dr. James W. Moffitt, has not been offered a contract for the school year 1956-57 by the administration. According to reports, the reason that Dr. Moffitt is not receiving a new contract, is that his health is too poor.

After interviewing Dr. Moffitt, it was found that his Doctor verified his health as good. Therefore, Dr. Moffitt is "puzzled" at the administration's action.

Dr. Moffitt is 58 years old, and will be able to collect Social Security when he is 65 if he teaches one more year of school. He says that he has fallen in love with the students and school. He likes to work with the students, as is shown by the fact that he is advisor to the Veterans Club, Education Club, History Club, and also advisor to the Sigma Phi Epsilon fraternity. He teaches sociology, education, psychology, and history. The holder of five degrees, Dr. Moffitt is a Director of American Scholars, American Men of Science, and Who's Who in America.

There have been over 400 signatures to petitions which have been circulated to retain him and six hundred are expected. These shall be in right away. An S.C.A. meeting will be held Thursday, part of which shall be devoted to consideration of Dr. Moffitt. This meeting will probably also consider the possibility of the administration reconsidering its action.

Roster Of Officers

The new officers for the coming year in the various organizations on campus are: *Student Government*—President, Ernie Ball; vice president, C. W. Faulkner; secretary, Sylvia Fox; treasurer, Murphy Osborne. *Senior Class*—President, Johnny Mann; vice president, Don Kearns; secretary, Mary Ruth Smiley; treasurer, Jack Young. *Woman's Dorm Council*—President, Bobbie Barrett; vice president, Phyllis Singleton; secretary, Beth Peterson; treasurer, Jane Martin; head proctor, Rhonda Strange. *Baptist Student Union*—President, Bob Gatling; vice president, Elaine Mills; secretary, Hazel Shore; treasurer, Bob Williams. *Day Students*—President, Stan Baker; vice president, Pat Jordan; secretary, Barbara Wilson; judiciary council representative, Larry Strange; Craig Kester. *Zenith*—Editor, Mary Ruth Smiley; assistant editor, Louise Pugh; business manager, Pat Hauser; assistant business manager, Bob Gatling. In the sororities—*Kappa Delta*—President, Sylvia Fox; vice president, Rhonda Strange; secretary, Nancy Crews; treasurer, Sue Butt; assistant treasurer, Beverly Deal; membership chairman, Barbara Wilson; editor, Patsy Jordan. *Alpha Gamma Delta*—President, Babs Huntley; first vice president, Margaret Black; second

(Continued on Page 4)

More Pledges Boost Total For New Gym

There is greatest expectation that the gym fund will be sufficient to warrant the start of the new Alumni Gymnasium this July, according to Alumni Secretary Wesley Gaynor. He further disclosed that several alumni chapters have pledged money to the fund. Those that have not pledged are planning on having meetings with the purpose of raising funds.

Mr. Gaynor and Dr. Cooke are planning on attending the Washington Chapter's alumni meeting to solicit funds for the gym. This meeting will be held Saturday, May 12.

Examination Schedule

MAY 21 - 26, 1956

MAY 21—
8:20 A.M. All sections English 2 and Sociology 2
10:30 A.M. All classes scheduled for 8:20 MWF
2:00 P.M. All sections of Psychology 2
MAY 22—
8:20 A.M. All sections Biology 2
10:30 A.M. All classes scheduled for 8:20 TTS
2:00 P.M. All sections Spanish 2 and 4, French 2 and 4
MAY 23—
8:20 A.M. All sections Religion 2
10:30 A.M. All classes scheduled for 11:20 MWF
2:00 P.M. All sections History 2 and 6
MAY 24—
8:20 A.M. All classes scheduled for 10:20 TTS
10:30 A.M. All classes scheduled for 9:20 MWF
2:00 P.M. All sections of Business 4 and All classes scheduled for 12:20 TTS
MAY 25—
8:20 A.M. All classes scheduled for 9:20 TTS
10:30 A.M. All sections of Business 9 and English 23
2:00 P.M. All classes scheduled for 11:20 TTS
MAY 26—
8:20 A.M. All classes scheduled for 1:30 MWF
10:30 A.M. All classes scheduled for 12:20 MWF
2:00 P.M. All classes scheduled for 1:30 TTS
NOTE: If a course is specifically mentioned above (for example, English 2, Religion 2) the period assignment must be used for its examination rather than the period it would fall on in the general class schedule. Teachers should see to it that every student understands the time for his examination.

SENIOR SCHEDULE

In order to complete all senior examinations not later than May 23, it will be necessary for seniors to take examinations which normally would fall on the last three days of the above schedule as follows:

MAY 17—
8:20 A.M. All classes scheduled for 10:20 TTS
10:30 A.M. All classes scheduled for 9:20 MWF
2:00 P.M. All classes scheduled for 12:20 TTS and Business 4
MAY 18—
8:20 A.M. All classes scheduled for 9:20 TTS
10:30 A.M. All sections of Business 9
2:00 P.M. All classes scheduled for 11:20 TTS
MAY 19—
8:20 A.M. All classes scheduled for 1:30 MWF
10:30 A.M. All classes scheduled for 12:20 MWF
2:00 P.M. All classes scheduled for 1:30 TTS

Calibre of Teachers

To keep the standards of a school as high as possible, there is an imperative need for stable, efficient teachers in all departments. When a teacher is an asset to his departmental subject, he is consequently an asset to the students and to the school in general. This calibre of teachers should be retained in their positions to build up and maintain the various departments of an institution of higher learning.

Public sentiment should not be a criterion for selecting or retaining a teacher to the extent of the deterioration of a department's quality. The teaching ability of a person should take precedence over personal qualities. Adherence to policies which are for the welfare of the school, and ultimately, of the student should not be condemned on the basis of nonconformity.

The elimination of those who no longer function effectively in their role as teachers is to be commended, but to dismiss those who have proved fit is an injustice to everyone concerned.

As students of High Point College, you should prove your interest in the college's standards by standing behind those in teaching positions who are assets to their posts and demanding that the new instructors be of the highest potential in our school.

Dear Editor:

I am writing to you on behalf of Dr. Moffitt. As you are well aware the administration has decided that Dr. Moffitt has outlived his usefulness here at the college, and they have decided to force him to retire.

I wonder if the administration realizes what this means to Dr. Moffitt? I wonder if they think this is being fair and showing justice to one of the most beloved of professors? Fair. How can they consider it fair when they force him to retire just one year before he is able to receive the retirement plan provided for by the State. After five years of service to the school, years of which are filled with honor and distinction, they cast him out.

The administration, of course, is a group of conscientious, hard working gentlemen; perhaps they work too hard, and at times lose sight of the human elements involved in operating a fine college such as High Point. Being human, it is expected that they make some mistakes. Now let us only hope that they are men of enough integrity to admit they were wrong, and reconsider their rash actions, and give us what we all want. Namely, that Dr. Moffitt be allowed to continue instructing classes at High Point College.

Sincerely yours,

Name withheld upon request.

Dear Editor,

Many students of this institution are unaware of the fact that one of the most beloved of its Professors will not be with us next season, unless something is done immediately.

For reasons unknown, the Administration feels that this Doctor is not fulfilling his obligation as a Doctor of History; as one of his students I wish to challenge that.

This fine gentleman has been employed by the College for the past five years; now that he is within one year of receiving his retirement plan he is being turned out by the Administration. Why?

Of the present student body approximately 450 students have had the privilege of being in one or more of his classes. I, for one, would most certainly like to see him back on the Faculty when the doors of High Point College are opened for the term of 1956-57.

Petitions are now being circulated to every fraternity, sorority, departmental clubs, music organization, dorm students, and day students. Join in the cry WE WANT MOFFITT, sign the petitions that pertain to you, do it now, tomorrow may be too late.

Name withheld upon request.

Short Week-ends

Week-ends are very short, even if they are started on a Friday evening. However, at H.P.C., it seems as if there is no week-end at all. Students and faculty alike have hardly a leisure moment in which they may enjoy themselves. The strain of the long week eventually takes its toll when, towards the end of the semester, the arduous grind makes one give up in desperation.

Saturday classes are the main reason for keeping the students on campus, which shows that there is something wrong with the program. There should be other things to keep the student (and faculty) occupied; movies or dances. Saturday should be used as a day to relax, that the following day might be used in preparing studies for the coming week. Faculty members find it hard, indeed, to be with their families, as they have only half a day on Saturday. Sundays, they too, must prepare their assignments for the coming week.

As it is now, there is no distinct break for the week-end. Time goes by so fast, that before we know it, there is another hard week ahead of us.

From the indications that some teachers have shown, a six day week is a punishment that if they were looking for another job, they would immediately inquire as to whether they would be teaching a five or six day week. Some schools have six day weeks, but there the teachers only work five days. According to some schools of thought a person is being lazy if he teaches only five days a week. Airline pilots fly eighty hours a month, the equivalent to two forty hour work weeks, yet they make close to \$10,000 per annum. The faculty of H.P.C. works much longer than this, yet they receive very poor pay. Certainly out of consideration to the teachers, they should get compensation in leisure, if not in monetary gain.

Economically, a school would be better off. Fewer students would be on the campus, which would mean money saved at the cafeteria, as well as other places.

Another benefit for the students would be that they would study more, due to their afternoon classes. Fewer students would be working full time shifts, thus, as their studies improved, so would the STANDARDS of the school.

It is hoped that in the near future a five day school week is placed into effect, for the benefit of the whole school.

R. T. S.

Jane Lucas

If you happen to see a few zombie-like creatures making their way slowly and not so surely toward classrooms, don't be alarmed. It is probably just a mild case of Spring Fever, commonly known as a good excuse for just everyday loafing.

For centuries this malady has occurred once a year excluding no one from its grasp. Though the symptoms are varied and seem to affect different people in different ways, still there is no mistaking it when it strikes. The dull, glazed look in students' eyes becomes even more dull and glazed, and even more often they lapse into a mingled state of stupor and stupidity (often given as principle parts of the verb *stoop*).

Classroom windows are thrown wide to admit the beautiful chlorophyll green of the outside world, and the colorful rays of the sun as they strike the forest of looming television aerials. Now and then a drunk bee reels in, excites a few squeals from the girls, then zig zags off again leaving the room to silence and/or the teacher.

Teachers receive very strange answers to their even stranger questions, which results in such a general confusion, that both parties become disgusted and either the professors dismiss class early or the students walk out.

Ah, well, such is life when spring fever strikes and there's nothing to be done about it but to let it run its course (which usually lasts 'til the end of school), then everyone becomes comparatively normal again. Of course, there may be scars in the shapes of F's seared across your report card, due to the general apathy and listlessness of those last few weeks, but these in time are healed by the hot rays of the summer sun. All in all you'll remember it only as a vague dream (probably because you slept most of the time), and there's nothing to prevent or remedy it, so relax and enjoy it!

It's All Greek

EPSILON SIGMA OMRICON

The Epsilon Sigma Omicron Sorority elected officers for the coming year on April 23. They are the following: President, Gladys Robertson; vice president, Nancy Crews; secretary and treasurer, Evelyn Dixon; publicity manager, Rachael Goodman; historian, Nell Long; student government representative, Lillian Galbreath; and alternate representative, Sue Perry.

Plans are being made to send Nell Long, secretary of the College Clubs Division of North Carolina Home Economics Association, to the national home economics convention in Washington, D. C., during the summer.

KAPPA DELTA

Gamma Gamma chapter of Kappa Delta held its annual White Rose Banquet and Dance at the ballroom of the Robert E. Lee Hotel on April 27. Favors for the dates were white desk pens with the shield of Kappa Delta in bronze on the base. Alumnae attending the event were: Sue Gary, Marie Essa, and Mrs. Paschal. John Perry was chosen as this year's "Sweetheart of Kappa Delta."

A retreat in honor of the seniors will be given by the North Carolina Alumnae Association in Winston-Salem on April 12. K. D.'s from all over the state will participate in this day of fun, which includes swimming and a picnic lunch.

Congratulations and best wishes to Arlene and "Sleepy" Burrus, Jo and Larry Strange, and Pat and Bob Snyder, who have recently announced their marriages.

PHI MU

The annual Phi Mu banquet was held April 21, at the Robert E. Lee Hotel in Winston-Salem, N. C. Dr. Clyde N. Parker was guest speaker, and Mrs. Alice P. White and Miss Jane Despain were honored guests. After a banquet in the Salem Room, the group enjoyed dancing in the Winston Room to the music of the "Club Men." The dates received gold cuff links with the Phi Mu crest and the girls were presented with long-stem pink carnations.

Mrs. Alice Paige White entertained the members of Phi Mu with a tea at her home April 26. The group gave Mrs. White a copy of *Leaves of Gold* as a token of appreciation.

Phi Mu honored Miss Cater Snow, field secretary, and Mrs. Jimmie Hopper, district president, with an informal get-together in the new wing club room, April 25. We would like to welcome Miss Snow and Mrs. Hopper to our campus, and we hope they will enjoy their visit.

Informally Speaking

By Marty Neustadt

You're Dr. Moffitt and where do you go from here? This is your school and for six years you have worked hard. It is rumored that next year you will not be back at the place you love. You are puzzled and disheartened at the thought of this. There is regret in your voice and that once easy smile is now harder than ever to flash.

You're different than most people because you see no evil in all your fellow humans. You've never said anything bad against anyone and that quality of goodness glows in your eyes. You believe the world is good or else God would not have made it. Never before has a teacher at HPC commanded the respect from his students that you have. Hate is missing from your vocabulary. It is a wonderful virtue that only you have.

You're Dr. Moffitt and Oklahoma seems far away. There have been other towns and other cities but right now High Point is the only place for you. You like its students and this is your school, but people have other plans for you. You wish that someone would rewrite the ending of the script, but the director is out to lunch. You haven't the time to wait for him.

You teach in an interesting way. True, you don't stick to the subject sometimes, but your students come out with a well-rounded education. You're up on current events and the subjects you know about couldn't be put in a 1,000 page book. Philosophy, science, education, psychology, religion, and sports crop up in your lectures, and your students learn a little of each.

You're Dr. Moffitt and there is no superiority in your voice. You put yourself on the same plane as your students and for this, among other things do they respect you. You see good in everyone and you have that quality of love for your fellow human beings. It is a quality that more people should have and the world needs more Dr. Moffitts.

Your hair is white, but the sharp mind still purrs like a sound watch. You take an interest in what your students do and you try to understand their needs. Your dress is neat and the voice talks with a smooth authority. Devotion to your wife and family is keen, and who can blame you for this? Your blue Dodge takes you home at nights and Mrs. Moffitt seems as sweet and understanding as you. How else could she have married you?

You want to return to High Point College in the Fall more than anything else in the world. Your students want you and need you, but how can you make others understand this? Two strikes have been thrown past you. Are you ready for the last one? The crowd is in your corner, and they want you to swing at that last one.

You've established a place in the student's hall of fame. Their memory of your hard work and character will never fade out of their sight. You only hope that they will take some of your teachings with them wherever they go.

You're Dr. Moffitt and where do you go from here? Time is running out and for you there is no tomorrow. The sun is going down, and the forecast is cloudy and dim. You're the same person that came to HPC six years ago. You haven't changed your opinions or your ways. You look the same, and can six years make that much difference? The student body says "No", but what do the others think? The answer comes later. You will take their decision because you're Dr. Moffitt and there is only good in this world.

Sidewalk Symposium

Shelby Moseley

Question of the week: What do you notice first about someone you are meeting for the first time

Gene Simpson - "You don't want me to answer that, do you. I try to look for personality more than anything else - a cheerful, a friendly appearance. Also, I look to see if they have on blue suede shoes, so I'll be sure not to step on them."

Shirley Caudill - "In men, I look at their eyes. I don't notice anything about women anymore."

Sidney Lanier - "Men - their handshake. Girls - their anatomy."

Otis Gardner - "Their teeth."

Mary Stuart - "If a boy, I see how tall he is and note the third finger, left hand. If a girl, I notice to see

what she's wearing."

Stan Baker - "I look to see if a girl's hair is long or short. I note boys' clothes." (He works in a clothing store, you know).

Phil Crockett - "For boys or girls, I notice their general appearance."

Margaret Black - "Their smile - if they have a friendly smile."

Jan Kirkman - "Always their eyes. You can read so much more from one's eyes than any other feature."

Dick Wilson - "Boy - general appearance. Girl - smile. If a girl's smile is sweet, I'd like to get to know her."

Ronald Fulp - "Boy - I notice the size, physique. Girl - the shape of her lips."

Bronna Deaton - "Their mouths."

SIGMA PHI EPSILON

A successful Parents' Day was held on Sunday, April 29. The brothers went to church with their parents as a group. Following the services, a picnic was held at the High Point City Lake. After eating lunch, Open House was held in the fraternity section for the brothers' parents.

The recipient of the Sigma Phi Epsilon Fraternity Interfaith and Good Fellowship trophy was decided upon by the fraternity. The person will be announced during a future assembly program.

At the present, plans are being made for the fraternity to spend a week at Myrtle Beach, South Carolina as soon as graduation is over.

On April 28, Stan Broadway, Dennis Pruitt, and David Myers attended the Sigma Phi Epsilon Leadership School. It was held at Lenoir Rhyne College.

KAPPA DELTA

On Friday night, April twenty-seventh, Gamma Gamma chapter held its annual White Rose banquet and dance at the Hotel Robert E. Lee. Howard Von Stein furnished the music for the evening. Toasts were given by Sylvia Fox, Mary Lou Lanier, Ruthie Ridge, and Rhonda Strange to the alumnae, fellows, and to the new sweetheart of Kappa Delta for '56 and '57 who is John Perry. Those present were alumnae, sisters, and pledges, plus dates and husbands.

The sorority congratulates the following couples who got married: Mr. and Mrs. Larry Strange, Mr. and Mrs. Allen Burris, and Mr. and Mrs. Robert C. Snyder. The best is wished to the newlyweds from all in the sorority.

(Continued on Page 4)

Golfers Win Five, Lose Only Three

Coach Wayne Hoover and his golf team have put together a very respectable record so far this year. They have won five and dropped three. Hoover's ace golfer is Jack Powell who seems to have that magic touch on the links as well as on the basketball court. Jim Ward, Tom and Don Murray, Al Finley, and "Flattop" Rutledge round out the squad.

The Panther's three losses were to Guilford and Elon twice. With the North State Conference golf tournament coming up on May 7 and 8, at the Starmount Country Club, Coach Hoover is very optimistic about his team's chances. "We may not win it, but we'll give someone a fit," declared the pint-sized ball of dynamite. Let's hope so Coach.

HPC Baseballers Post Surprising Record

Track Team Drops Opening Meet To Elon

Members of the track team opened the season with a loss to the powerful Elon Christians on April 21. Despite the fortitude of the Panthers, the greater numbers of the Christians was the difference in the final analysis. Highlights of the afternoon were the first place taken by Harold Davis of High Point in the javelin throw and the breaking of the North State Conference mile and two mile record by two Elon men.

The next meet will be the conference meet, which this year is being held at Elon on May 12. Among the men who will perform at that time will be Ken Black, high jump and broad jump; Ernest Albert and Willard Formyduval, 100 and 220; Albert Trevarthen, hurdles; Art Sereque and Gene Riddle, 440; Jim Wilson, 880; Roy Dawkins, discus; and Harold Davis, shot put and javelin throw.

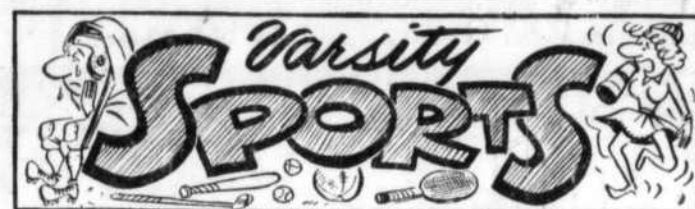

The Panther baseball team so far this year has a very surprising 5-2 record. You would have to say surprising due to their last place finish during the 1955 season. Right now they are right near the top of the ladder in second place, and they are going to be hard to beat from here on in.

They have a power packed lineup and can explode at any moment as Catawba found out when they clipped the Indians 18-9. Harold Watson, Roy Cockerham, and Bill Beasley all hit homers in the slugfest.

Against Atlantic Christian, the Panthers won it the easy way. Coach Jack McComas of the Bulldogs forfeited the game to High Point because the umpire, Pugh Thomas, threw his pitcher out of the game. In the fifth inning, High Point centerfielder Watson raced to deep center and pulled down a long drive off the bat of a Bulldog batter. As he started to throw the ball back to the infield he slipped

and dropped the ball, but the umps ruled that he had held it long enough. As the Panthers prepared to bat in the last of the fifth, pitcher Ken Norvel was still fuming about the decision and he let umpire Thomas know of his feelings a little too violently. Pugh threw the brash youngster out of the game and then McComas stubbornly refused to play anymore, and took his team back to Wilson. He was leading 5-1 at the time. Final score, Panthers 9, Bulldogs 0. Winning pitcher—forfeit.

Jim Ward and Frank Miller each have two victories apiece, and both have pitched well in spots. But the big factor is the ability of the Panthers to get runs. In six games this year they have scored 59 runs for an average of almost ten a game! Harold Watson is leading the team with a .476 batting average, followed by Bill Beasley, .423, and Roy Cockerham, .400.

Athlete of the Week

BILL BEASLEY
By Marty Neustadt

One of the major weaknesses last year of the HPC baseball team was a burly catcher with a strong arm and a big bat. This year it is a different story as husky Bill Beasley more than adequately fills the spot.

Beasley has been selected by the Hi-Po as Athlete of the Week number six. The ex-service man is fast becoming one of the outstanding catchers in the North State Conference. His four out of five helped the Panthers route league leading Catawba 18-9. One of his hits was a tremendous homer over the left field fence.

Bill is a tower of strength behind the plate as well as an outstanding stick man. His handling of pitchers is one of the reasons for the Panthers unexpected rise to the first division this year.

Beasley made all-state while playing at Greensboro High just before entering service. With Beasley, the Panthers have a very formidable batting order as North State teams are finding out the hard way.

Coach Yow's eyes almost fell out of his head when he saw the big backstop in action. "He reminds one of Bill Dickey, the old New York Yankee catcher," remarked the veteran High Point College mentor.

Bill Beasley; solid man, solid.

SPORT SHORTS

Former HPC track and basketball star Harold (Slick) Sykes has just been released from the Army. Slick just happened to be over at Elon when High Point was engaging the Christians in a dual meet. Sykes was watching Harold Davis win the discus throw when he got a little interested. He leisurely strolled over with his street clothes on and tossed it over 115 feet to beat out all actual competitors. The amazing thing about the toss was that Sykes hasn't touched the discus in over two years!

Speaking of Sykes, rumors have it, that the 6' 3" Durham flash will be back at High Point College next fall. All North State teams take notice!

Hats off to Miss Stillman for the great job she did with the girls' intramural program this year. It was the first time in many years that the girls have had such a well-rounded program.

Look for High Point College to have at least one man on the all-conference baseball squad. Catcher Bill Beasley looks like the top receiver in the conference, and he knows what that piece of wood is for as well.

Boner of the year goes to Coach Jack McComas of Atlantic Christian. With his Bulldogs leading the Panthers 5-1 in the fifth inning, he took his team off the field because plate umpire Pugh Thomas threw his pitcher out of the game. McComas forfeited to HPC 9-0.

The Purple-White basketball game will be held this year on Wednesday, May 16. Gene Duke and Wayne Hoover will be the competing coaches. Last year, Jack Powell racked up for 29 points as he led his team to victory. This Spring, the "electric rebounder" has been playing a little golf. The opposing team hopes that his "magic touch" will be gone for one game. The public is cordially invited.

Did you know that High Point College once had a soccer team? It had a big-time schedule too. After the 1948 season, they abandoned it for better things. Did you also know that two guards of that team are still students at High Point College? Ralph and Cliff Moran graduate in May 1957!

On Every Campus... College Men and Women are discovering why
VICEROYS
are Smoother

Here is the reason: Only VICEROY has 20,000 filters in every tip—twice as many filters as the other two largest-selling filter brands—to give that smoother taste—that VICEROY taste!

VICEROYS are Smoother than any other cigarette. Because Viceroy's have twice as many filters as the other two leading filter brands!

THE MOST FILTERS FOR THE SMOOTHEST TASTE

The exclusive Viceroy filter is made from pure cellulose—soft, snow-white, natural!

"THIS IS A POOR CLASS TO TAKE FIRST PERIOD—SO NOISY YA CAN'T SLEEP."

IT'S ALL GREEK (Cont'd from page 2)

KAPPA ALPHA

The PiKa's Jazz Show was successfully presented in Memorial Auditorium April 26th. Charlie Morrison and his T. V. All Stars were the main attraction.

As of this date the PiDa softball team is undefeated and is looking forward to a perfect record at the season's end.

May 5th the annual Dream Girl Ball was held at the Starmount Forest Country Club. A buffet dinner was held followed by a dance with music by Reg Marshall and his orchestra. A combo played for a party before and after the Dream Girl Ball.

TAU KAPPA EPSILON

Delta Kappa Chapter of Tau Kappa Epsilon Fraternity held its annual election April 1. Elected Prytanis was Jim Sumner; Epi-ptyranis, Harold Crump; Hrammateus, Freddy Perdue; historian, Fred Peters; Crysophylos, Ray Hughes; Hypophetes, Henry York; Hegemon, Jim Newman and Pylortes, Bill Huegele.

Thursday, April 26, the Tekes held a formal initiation for the benefit of five associate members. They were: Robert Woods, Spencer Smith, Bruce Long, William Allred and Frank Cockerha. The Rainbow Supper Club was the scene of the informal gathering.

LAMBDA CHI ALPHA

The Inter-Zeta Ball for all the Lambda Chi's in North Carolina was held at the Tar Heel Club in Raleigh April 27. Many brothers of Iota-Phi Zeta attended the ball, and afterward some of them went to Atlantic Beach at Morehead City. Miss Lequita Hartsell represented us as our Crescent Girl.

On May 19 we have planned to have our White Rose Banquet. It will be held at the O. Henry Hotel in Greensboro.

We are proud to have the following men as new brothers: C. B. Crook, Bill Konkle, John Madison, Bill Place, Fairrell Myrick, Charles Dyson, Charles Watson, and Dick Gilbert. We are sure that these men will be a definite asset to the brotherhood.

Recently we held our elections of officers for the coming year. They are as follows: Ernie Ball, president; Paul Nash, vice president; Harry Gray, secretary; Ray Wicker, treasurer; Aubrey Flynt, social chairman; Murphy Osborne, pledge trainer; Craig Kester, rush chairman; Jimmy Starnes, ritualist.

THETA CHI

You know the old saying, "No news is good news"; well it seems there is not much to tell so it must be good news.

There is, however, the attendance of the Jr.-Sr. by about 5 of our men. I think that most of us really enjoyed this occasion and feel that it was a success.

We have planned a mountain trip to Hanging Rock Park this Sunday, May 5, and we hope to have quite a crowd there. We'll be looking for you Theta Chis.
