High Point Faculty Bolstered To Meet Enrollment

Dr. H. C. Allen in his invocation at the beginning of the annual pres- session seminar set the keynote for education here at High Point Col- lege. It is "The emulation of Jesus as the master teacher." Dr. Allen arrayed three traits that made Christ a "master teacher," calling to the pro- fession, a thorough knowledge of His subject and a love of the students. These points were borne out by the guest speaker at the seminar, Dr. Sidney J. French, in his speech "The Teacher: His Preparation and Performance.

According to Administration officials, many measures have been taken to improve enrollment at High Point College this year in the impetus being put into the faculty and staff. Many new additions have been made to the fac- ulty and staff, which, according to Administration officials, "will relieve the pressure on one of the master teachers," a calling to the profes- sion, a thorough knowledge of His subject and a love of the students. These points were borne out by the guest speaker at the seminar, Dr. Sidney J. French, in his speech "The Teacher: His Preparation and Performance.

Programs Slated

The Assembly program schedule for this fall is incomplete, according to Dr. William B. Locke, Chairman of the Chapel Committee, but Wed-

ness. Assembly programs now scheduled are as follows:

September 25: Speaker--Dr. Cooke, President of High Point College.
October 16: Program -- Student Government.
October 27: Speaker--E. Stanley Jones, Methodist Ministerial and Author.
November 12: Speaker--H. B. Bankage, radio News Commentator.
December 4: Speaker--Dr. Her- bert G. Maier, Author, and lecturer on world affairs.

Art Class Offered

A night class in Art History will be offered this semester, according to Dr. Graham, who, according to Administration officials, "will relieve the pressure on one of the master teachers," a calling to the profession, a thorough knowledge of His subject and a love of the students. These points were borne out by the guest speaker at the seminar, Dr. Sidney J. French, in his speech "The Teacher: His Preparation and Performance.

High Point Faculty Bolstered To Meet Enrollment

Enrollment Nears 1,000 Mark

An overview enrollment ushered in the thirty-fourth academic year at High Point College this week, when approximately 1,000 students arrived to begin the fall term.

This year's freshman class of 325 -- the largest in the history of High Point College -- completed orientation week according to Mr. Yarbrough, director of ad- missions, "this year's freshman class is in every respect the best qualified. A majority of the freshman graduated in the upper half of their high school classes," he said.

Last week all dorm facilities were packed. Both McCallough and Wo- man's Hall were filled to capacity, as well as the new dorm space in the basement of Harrison Hall. Some new students and others are being housed in a college-owned building at Five Points. According to H. K. Martin, McCallough Hall Dorm Counselor, "the Five Points housing is hoped to be a temporary arrange- ment, and the students there will probably be moved on campus this week."

This year's enrollment represents a wide geographical region of the Uni- versity, as students are coming from nine foreign countries and U. S. Territories.

A high school coach, and a health workshop, staged for the benefit of high school students, were disclosed by Dr. Hertz. As to qualifications, both Dr. Netcher and Hertz have similar back- grounds. Dr. Netcher has played pro- fessional baseball and basketball, served as an Executive Secretary for a Vo- luntary Health Organization, and served for the American Red Cross, and worked as an Executive Secretary for a Vo- luntary Health Organization. (Continued on Page 3)

Tower Players Plot Course: Seek "Talent"

Miss Jane De Spain in an inter- view last week stated that she has an interest in the dramatics department right now was "the collection of new talent." She went on to say that "al- though we have some very talented performers returning, the loss of some due to war service created vacancies which needed filling." She said those interested in participating in the pro- ductions should get in contact with her or watch the Speech bulletin board in the auditorium.

A tentative schedule for the first production this Fall is November 21 and 22. It will be a "serious" play, with the first pro- duction to be a musical written in entirely by Mr. Jack Hertz. Mr. Lewis wrote the two final scenes in the last year's production, the musical "Medieval Radios," and as the annual student-faculty musical is to be called.

A closer inter-working of the var- ious departments of the Fine Arts Department is expected to make this year's shows even more successful than last year's. Mr. Raiford Porter will conduct the scene designing, and Mr. Richard Davis will head the voice design. Miss Natalie Ethington, "the collection of new talent." She went on to say that "al- though we have some very talented performers returning, the loss of some due to war service created vacancies which needed filling." She said those interested in participating in the pro- ductions should get in contact with her or watch the Speech bulletin board in the auditorium.

**Prophet Without Honor?**

John Kasper, self-appointed champion of the segregationist cause, has been termed by some as a "Prophet without Honor." It is more probably that Mr. Kasper is a man, symbolic of a legion of opportunists and demagogues, who find the racial situation a stepping stone to greater glory. It is from this mind of demagoguery, of which Mr. Kasper is a chief disciple, that men come to obscure the real issue at hand. The racial problems of our country, or of any other country, will not be solved by men like John Kasper, nor will they be solved by court decisions, or by violence, or by any means that we can devise. For the real issue lies beyond these things; it is an issue which dwells in the minds of all men when they ponder the question of truth.

**New Look: New Era**

"There is a new look at High Point College this year," spoke a member of the faculty last week. He went on to say, "High Point College is truly expanding in its equipment and facilities, Faculty and Staff, enrollment and its position among the better colleges of the United States." A student aid.

"More courses are being offered in more fields. This increase in selection will establish High Point College as one of the greater colleges of the United States." A student said, "I am looking forward to the opening of basketball season."

**High-Brow and Otherwise**

**MUSIC**

Although Tchaikovsky's Concerto No. 1, in B-flat Minor Op. 23 is not a neglected composition, it was recorded by a Russian pianist, Emil Gilels, whose telling technique brought the miracle of recreation.

Largely responsible for Mr. Gilels' tour of the United States this year was the summit conference at which he played in July of 1953. The tour in a way was short, but said, "An extraordinary combination of power and poise of the Slavic pianist, carried on the tradition of beautiful pianism of Russian artists before and after the revolution under Anton Rubinstein. This younger pianist has shown that his fingers equal to the crudest arabesques in the second movement are his fingers able to send forth power and poetry of note, but they also manage a successful melody with compassion."

Along with Fritz Reiner, conducting the Chicago Symphony Orchestra, the Russian virtuoso recorded the Tchaikovsky for RCA Victor Red Seal. They spent five hours recording, playing back, selecting opinions in German, correcting and re-recording until they were satisfied. The result is a release which means "This way it's correct."

In the past five or six years there has been another revival in the musical world. This time it encompasses a whole field of jazz. Jazz has its roots in the music of the Southern Negro. The first great music which closely resembled what we now regard as the first true jazz was ragtime. It developed from the work songs, marches, prison songs and chants. Later ragtime merged with the blues, which the Negro developed from church and field music into a secular commentary on life. The product of this merger became known as jazz. In the French Quarter of New Orleans around 1900. From there it traveled up the Mississippi River to Chicago, and then it was carried to New York and the East Coast, picking up several refinements along the way. This kind of jazz lasted through the Twenties."

Then came swing. Up until this time jazz had been played by small combos of five, six and seven. Now the large big bands and a smooth beat and a more lyrical melody, Durango, World War II swing, softened a revolution, a new kind of music came onto the scene. At first it was called "jazzology," then "bebop" and finally just "jazz." But in the past 10 years this music was refined and was given the high sounding moniker of "progressive jazz."

In the early '60s many jazz players began using classical elements into their music, and it became known as "modern jazz." About this time New Orleans and San Francisco jazz enjoyed a revival. A revival inspired Columbia Records to make their albums I Like Jazz. This album gives a brief history of jazz and some samples of each kind of jazz music from its roots to modern jazz. Some of the names on the "I Like Jazz" albums are Wally Russel, Benny Carter, Lionel Hampton, John Coltrane, Billie Holiday, Duke Ellington, Teddy Wilson, Doris Day, Rex Stewart, Goodtime Charlie, Bud Freeman and Dave Brubeck. -C.R.J.

**BOOKS**

William Faulkner has created an imaginary country, Yoknapatawpha, and several imaginary families in his many books. All of us, whether white and among these families he portrays the social and economic revolution that has occurred in the deep South be- ginning with the reconstruction days to the present. The Snopes, the Coopers, and the Compson, the family that he uses to portray the old order of Southern Families. Most of his books deal with the slow degenera- tion of this old guard and the decline of their society and culture. In almost every case of their decline these families have been in one way or another the victims of the un- scrupulously shrewd dealings of the Snopes family.

The Snopes are rapacious and grotesque looking, impudent, man and unbeatable. They are sharp dealers with a genius for trade and have their origin, in the "Gay white trash." By applying an extreme sophistication and an eye on every situation in life that can possibly be turned into cash, they al- ways come out on top. They are the birds, the monkeys, the includes the men, women and children. They are taking every opportunity to cut down the Snopes and the decline of the old aristocracy.

In Faulkner's latest book, The Town, the Snopes are now coming over the town. (another figment of Faulkner's imagination). By the most direct and least conceivable schemes these monstrous peddlers are now coming over the Snopes family. They are coming at the Snopes family and are coming at the fall of the old aristocracy.

In To The Tones the reader can feel the brooding of the old families, the stench of the old families and the decline of the old aristocracy.

-C.R.J.
Who'll Replace Powell?  
"Too Early To Tell," says Yow.

Although basketball season is officially two months away, the question of who will fill the shoes of Jack Powell, Panther forward, last year, last season, is still unanswered.

Replacing Powell will be a hard task. Not only was he one of the best rebounders in the North State task. Not only was he one of the best rebounders in the North State, but his presence was felt on the inside and functioning as a sort of psychological king-pin for the other four-fifths of the varsity-men. "Probably Danny Sewell, will move in and be a power house," Coach Yow said. Returning to the coming season, Coach Yow said that freshmen prospects include two High Point boys, Ken Proven, guard, and Bobby Joiner, center. Another freshman prospect is Jackie Short, a 5 ft. 11 in. guard from Williams, Indiana.

Yow said, "We shall look forward to working this year. We want to improve over two seasons last year, if you look at it season with a 19-8 record, but recounting events prior to the Tournament," Coach Yow said. "A.C.C. in the finals last year was a forerunner of Endowment and Development. Succeeding Mrs. Marjorie Case as Secretary to Dean H. E. Conrad and Dr. Harold Conrad, whose biography is listed in Who's Who in Education, is Dr. Marcus W. Collins, rector of P. E. from the University of North Carolina.

Pharr and Powell both had good seasons last year, but look at it from a team point of view. Beach doesn't look so good to the spectator if he isn't scoring, but both Powell and Huguenot are team good men. Pharr will make a big difference to the squad as far as deceptive play is concerned," Yow said. Coach Yow feels that Beach will continue to show his versatility this year as he did the past two years.

Last year, the Panthers finished the season with a 19-8 record, but washed away much of the laurels of the North State Tournament at Lexington, when Atlantic Christian downed them 82-72. This year, however, A.C.C. in the final was a let down to the fans, but Coach Yow feels that Beach will continue to show his versatility this year as he did the past two years.

In the coming events prior to the Tournament, blemises the loss on player fatigue. On Thursday before the Tournament game with A.C.C., we played Eastern Carolina at Wilson, and won by 99-69. Coming back to High Point, the team broke down between Wilson and Raleigh. After spending the night in the E.C.G. gym without heat, about half of the squad caught colds. Two days later we played Lenoir Rhyne here in a overtime game. When you consider all these things, I don't see how the squad did as well as they did in the Tournament," Coach Yow said. Returning to the coming season, Coach Yow said that freshmen prospects include two High Point boys, Ken Proven, guard, and Bobby Joiner, center. Another freshman prospect is Jackie Short, a 5 ft. 11 in. guard from Williams, Indiana.

Freshmen who plan to go out for J. V. basketball are requested to come by Coach Yow's office before the first of October.

By way of suggestion to the Freshmen class, Dean Allred called for active participation in as many College activities as possible, and an intense emphasis on scholarship. "I would like to see more members of the student body qualify for our two honor societies," Dean Allred said.

Meet the Deans
The offices of HPC's two Deans, Conrad and Allred, stand side-by-side, and because of the nature of their principal duties, their offices have been referred to as the "shape-up or ship-out department."

However, the functions of HPC's two Deans are not as menacing as this epithet would indicate, Dr. Conrad, Dean of the College has issued an invitation to all students, and especially freshmen, "to come by and see him at any time, either about scholastic problems or personal problems."

"My office door is always open," Dr. Conrad advises.

The faculty:
Dr. Harold Conrad: "an open door policy.

Dr. Allred: "emphasize the scholastic."

Belles: By Barber

By Barber

Belles by Barber will be a regular feature in the Hi-Po. This week's Belle is Ann Kurfces, a Junior from Mocksville. Ann is a member of Phi Mu Sorority. No one selects Barber's Belles but Barber. The only rule is that you have to be around when Barber is looking. Be on the alert, you may be Barber's next Belle.

From The Top Of The Tower

By Charles Johnson

We were down in the bookstore peacefully drinking a big grape (it's too hot for coffee right now), the first day of freshman registration, when whoosh a whoop and holler ed greeting Patric Fitzgerald and Gerald Fitzgerald came in on a wave of welcome. As soon as the handshaking and back slapping were over, they joined us at the book booth, where we were observing the comings and goings of the Freshman between appointments.

"It looks like a good crop this year," said Pat.

"I wonder what the parity is for Freshmen?" said Gerry, attempting his first joke for the semester.

Then we started fishing for a story for our first column. Fishing was rather poor that day. Old friends were rushing in and out meeting new faces and greeting old ones, and everyone was in a hurry, trying not to miss out on any of the excitement. The bookstore was in a chaos of introduction and book sales. Expressions were rampant and varied: consternation, casualness, gayness, thoughtfulness, wondertment, concentration, and rank confusion.

We left the bookstore and went up to Roberts Hall. There we met again rampant expressions, but there was an overall feeling of just a little more orderliness. The registration was not as feverish as the book sales and reunions in the bookstore. The day before, we had been over at Woman's Hall carrying in luggage for the new arrivals. (Do all girls have at least a dozen pairs of shoes?) Even in the task of getting settled, then, there was evidence of frenzy.

Such was the beginning of school at High Point College this year, last year and all the years before that and all the years after that.

Alfred Neuman says: "Everybody reads the Hi-Po."

Hi-Po Meeting

Hi-Po staff members will meet in the Hi-Po office, Roberts Hall Tower, Monday, September 23 at 10:20.

New students interested in joining the Hi-Po staff are requested to attend the meeting.

Sororities Take Tea, Talk Greek

By Pat JORDAN Staff Writer

Girls who are seeking entrance into the Greek letter world were entertained by the Panhellenic council at a tea at the Student Center on Sunday, October 6, from 2 until 4. All possible rushers were required to attend this official opening of the rush season. At the previous Tuesday, Panhellenic Council president, Jo Harrington, explained the rushing rules and fees to possible rushers. Also, each sorority president presented a short history of her sorority and an estimate of costs and procedures of the S.G.A., was brought before the Student Legislature on October 19. Each sorority also presented a short history of her sorority and an estimate of costs and procedures. Also, each sorority president outlined at the meeting, will be to determine strength of interests of the various organizations which members of the Board represent. In the event of controversial issues involving the student body, Straigl said, "The Board will meet to determine what should be taken in regard to Hi-Po Editorial Policy.

"The sole purpose of the Board," Straigl said, "is to guarantee that the majority of student opinion is known when editorial policy is formulated. The Board will not function as a censoring body, but will ensure that the slogan of the Hi-Po, "The Voice of the Students," is, in fact, what it purports to be," he said.

Sororities Take Greek

Freshmen seeking entrance into sororities were entertained at the Panhellenic Tea last Sunday. Presidents of the four HPC sororities are (first row, l to r, Shirley Yolesky, Flo Michaele, Sue Freshwater, Alpha Gamma Delta; Barbara Wilson, Kappa Delta; Pat Olmsted, Zeta Tau Alpha.—Staff Photo.

TO DETERMINE OPINION

Editorial Board Organized

The Board was formed and will consist of the Presidents of the following organizations: S.G.A., Day Students, S.C.A., Veterans Club, I.C.P., Panhellenic Society, and the editor of the Hi-Po.

The responsibility of the Board, as outlined at the meeting, will be to determine strength of interests of the various organizations which members of the Board represent. In the event of controversial issues involving the student body, Straigl said, "The Board will meet to determine what should be taken in regard to Hi-Po Editorial Policy.

"The sole purpose of the Board," Straigl said, "is to guarantee that the majority of student opinion is known when editorial policy is formulated. The Board will not function as a censoring body, but will ensure that the slogan of the Hi-Po, "The Voice of the Students," is, in fact, what it purports to be," he said.

H. P. C. May Receive $850,000

If the Western North Carolina Methodist Conference approves a $500,000 fund campaign by the Christian Higher Education Commission, High Point College may receive $850,000.

HPC would receive the capital fund grant along with Greensboro and Western Carolina colleges, who would receive the same amount. Duke Divinity School would receive $500,000 of the proposed total. The balance of the sum would go to Wesley Foundations at tuns-supported colleges and universities.

According to Dr. Fletcher Nelson, Morgan, executive director of the commission, the proposed campaign is part of a 12-point program aimed at strengthening relationships between the colleges and churches.

The Higher Education Commission is composed of Methodist Bishop N. B. Harmon, of Charlotte, director laymen, college presidents, laymen, and ministers.

The campaign has been tentatively scheduled for the fall of 1958 and spring of 1959.
EDITORIAI\s

Black Days At Little Rock

The events at Little Rock's Central High School have been grossly mis-handled throughout the whole affair. The Mayor of Little Rock had worked out with the School Board a plan for the gradual integration of the Little Rock schools. When he and the board started to initiate their plan, Governor Faubus interfered with the National Guard "to maintain law and order." President Eisenhower has interpreted this as a move to avoid the U.S. District Court's order to integrate, and he ordered the Guard to be removed. When the soldiers were gone the violence began, the President sent in Regular Army troops, and this intervention of "outsiders" heightened the tension and violence.

We deplore the lack of intelligent reasoning of the general public that made the whole event possible, but even more so do we deplore the lack of understanding in the negotiations to end the crisis. The edict of the U.S. Court can't be ignored, nor can we deplore the lack of understanding in the negotiations to end the crisis. The edict of the U.S. Court can't be ignored, nor can the sovereign powers of the Governor be infringed upon. The President will quibble about the wording of a statement, and the Governor will be dogmatic in maintaining the statement in its original form. Like little boys on the sandlot one will take his ball home, and the other will take his bat home while the rest of the team (the other Southern Governors) are left on the lot with a chance to play.—C.R.

Hi-Po Policy

As an instrument of free speech, the Hi-Po does not advocate a running fit between any group or groups. It is not necessarily pro-student and anti-administration, but will give a true and objective report of current news as it is seen. The repertorial policy of the Hi-Po shall be governed by the following principles:

1. A recognition of the concept of free speech and its accompaniments.
2. A recognition of the requirements of good taste and decency.
3. A recognition that the Hi-Po is, by virtue of its being, an instrument of the concept of free speech, and that as such it cannot be dictated.—K.S.

The "Greek" Rush

This month, the daughters of Greece will swell their ranks, next month, it will be Greeksmen, returning in droves to bring into their respective orders. The merits of sorority sisterhood and fraternity brotherhood are too numerous to outline here, but they are merits which will be advantageous in later life. Choosing a fraternity or sorority is a two-way process. Choose the one which can offer you the most, and, at the same time, the one to which you can offer the most.—K.S.

A Red Moon Rises

Old man moon has been kicking around the universe for many eons, and has been variously worshipped by the pagan, considered an evil portent by mighty rulers, and looked upon with relish by lovers as something by which they could spoon.

The Middle East continues to be the hot spot of the world. Syria, already outstanding leftist among Middle East nations, has moved further to the left as a result of the death of President Makari. A revolutionary flavor in the air. Syria is coming perilously close to becoming a Russian satellite. Whenever the Communist threat becomes political moves, with at least the tax money of the U.S. involved, there is no way that the U.S. can take, not even through the Eisenhower Doctrine.

For the moment we have to content ourselves that Syria is not quite a Communist satellite and probably has no intention of becoming one. The Syrian leaders, so far as we have heard, have no ideological connection with Communism. They are nationalists who feel they can best serve the country by working with people by collaborating with Russia.

They hope to get the advantages of this accord, of being put under Russian thumb, without becoming a fruit, for it is not an option. The Middle East situation is littered with the graves of nations which thought they could derive some advantage from the Communists without becoming a Russian satellite. It is advisable for us to refrain from blaming nations which can only have the effect of alienating the Syrian leaders from us and pushing them even more deeply into the Communist orbit.

The World In A Nutshell

(Tony Wen, a political science major from Indiana University, compiled several articles to the Hi-Po, expressing his views on foreign policies and especially the Asian scene.)

Indian spokesman for Asia

India is now faced with a serious economic crisis. Her first "Five-Year Plan" ended last year with an increase in production and national income. But the promise of this limited success has not been maintained. This condition is not short of miserable.

To prevent panic and a standstill in new projects

Tony Wen

The Middle East continues to be the hot spot of the world. Syria, already outstanding leftist among Middle East nations, has moved further to the left as a result of the death of President Makari. A revolutionary flavor in the air. Syria is coming perilously close to becoming a Russian satellite. Something Borrowed . . .

from the Daily Tarheel

The University campus is currently undergoing the makeover of sorority rushing and pre-frosh terrors rushing.

It is, of course, during this period that all manner of propaganda is disseminated concerning the necessity of Greek affiliation to insure social acceptance among the younger set of University students.

May we be iconoclastic for a moment? This is a myth— an icon which should be shattered. We would like to impress the following principles:

1. A recognition of the concept of free speech and its accompaniments.
2. A recognition of the requirements of good taste and decency.
3. A recognition that the Hi-Po is, by virtue of its being, an instrument of the concept of free speech, and that such as such cannot be dictated.—K.S.

Whenever the Communist threat becomes political moves, with at least the tax money of the U.S. involved, there is no way that the U.S. can take, not even through the Eisenhower Doctrine.

For the moment we have to content ourselves that Syria is not quite a Communist satellite and probably has no intention of becoming one. The Syrian leaders, so far as we have heard, have no ideological connection with Communism. They are nationalists who feel they can best serve the country by working with people by collaborating with Russia.

They hope to get the advantages of this accord, of being put under Russian thumb, without becoming a fruit, for it is not an option. The Middle East situation is littered with the graves of nations which thought they could derive some advantage from the Communists without becoming a Russian satellite. It is advisable for us to refrain from blaming nations which can only have the effect of alienating the Syrian leaders from us and pushing them even more deeply into the Communist orbit.

The World In A Nutshell

(Tony Wen, a political science major from Indiana University, compiled several articles to the Hi-Po, expressing his views on foreign policies and especially the Asian scene.)

Indian spokesman for Asia

India is now faced with a serious economic crisis. Her first "Five-Year Plan" ended last year with an increase in production and national income. But the promise of this limited success has not been maintained. This condition is not short of miserable.

To prevent panic and a standstill in new projects

Tony Wen

The Middle East continues to be the hot spot of the world. Syria, already outstanding leftist among Middle East nations, has moved further to the left as a result of the death of President Makari. A revolutionary flavor in the air. Syria is coming perilously close to becoming a Russian satellite. Whenever the Communist threat becomes political moves, with at least the tax money of the U.S. involved, there is no way that the U.S. can take, not even through the Eisenhower Doctrine.

For the moment we have to content ourselves that Syria is not quite a Communist satellite and probably has no intention of becoming one. The Syrian leaders, so far as we have heard, have no ideological connection with Communism. They are nationalists who feel they can best serve the country by working with people by collaborating with Russia.

They hope to get the advantages of this accord, of being put under Russian thumb, without becoming a fruit, for it is not an option. The Middle East situation is littered with the graves of nations which thought they could derive some advantage from the Communists without becoming a Russian satellite. It is advisable for us to refrain from blaming nations which can only have the effect of alienating the Syrian leaders from us and pushing them even more deeply into the Communist orbit.
TAU KAPPA EPSILON - As the fall semester of 1957 gets underway on the High Point College campus, the Teke's are looking ahead with high hopes that this should be one of their best years on campus.

With the newly elected officers, Art Taylor, President; Robert Smith, Vice-President; Manny Benchoa, Treasurer; Dick Wilson, Secretary; Bill Taylor, President; Robert Smith, Vice-President, the Teke's are looking ahead with high hopes that this should be one of their best years on campus.

Several men who were graduated last year have come back to the college. Among those who have come back are: Delbert Kirkman and Bill Grey, who have been at Georgia Tech studying in the insurance field here in High Point, and Bill Brown, who is teaching English in Asheville.

SIGMA PHI EPSILON - On Saturday, September 21, the Brothers and Pledges held the first party of the year, a hamburgher fry, at the home of David Myers.

On September 23, Danny Severance was initiated into the Brotherhood.

Attending the 25th Grand Chapter Conclusion and Initiation held in September, 3, 4, and 5, were: David Myers, Bob Taylor, and Mr. Richard Cox.

Miss Ann Williams who is engaged to Sunny Thornton was married September 29.

Marriages among the Brotherhood this summer were: Jackie Hoover to Dick Sykes, Elmhurst Mills to Stan Broadway, Jane Bundy to John Burrow, Peggy Smith to Larry Williams (last March).

LAMBDA CHI ALPHA - The Lambda Chi has been active all summer in that we published and mailed out most of our newsletter which won the Lambda Chi National Award for the Best Off Set Publication.

The award was presented at the Lambda Chi Alpha Seminar which was held at Ball State College in Muncie, Indiana. Murphy Osborne, C. R. Cook and Charles Johnson presented our res of the Seminar.

To start off the many social activities of this year, we had a steak supper at the farm of our High Pi, Fred Cox. The food was delicious and the party was another success.

On the 26th of October we will initiate into our brotherhood R. C. Hines.

Look for our Clovers versus Facultv Basketball Game coming soon.

DELTA SIGMA PHI - On August 28, 29, 30, Fred Barber, Bob Wimper, Vernon Tatum, and Buddy Brawley travelled to St. Louis for the Grand Chapter. They were initiated into Sigma Phi Fraternity.

Congratulations to president Kyle Stirling on his marriage to Jackal Fuls of Charlotte, a graduate of HPC, and to C. W. Faulkner on his marriage to Mrs. D. A. Atty.

On September 26, the Delta Sigs gave a sendoff for the girls in Women's Hall.

Plans are complete for our first date party, which will be held on the tenth of October at the Marietta Club House in High Point.

On October 17, Pledge Brothers C. W. Faulkner and Charles Hall will be initiated into Delta Sigs. Congratulations to our future brothers.

ALPHA GAMMA DELTA - New initiates into the sisterhood of Alpha Gamma Delta this year are: Humanities, Lenard, Lem Lemmon, Pat Ray, and Liz Peterson. The girls were formally initiated Alpha Cen's on October 4 at the Blair Park Club House. Congratulations girls. Dates are now underway for "Bash Week." The first Alpha Gam party of the year was held October 2.

KAPPA DELTA - KD's began the new college year with a number at the YWCA on Tuesday, September 10. Selling tickets for the Broadway, Jane Bundy to John Burrow, Peggy Smith to Larry Williams (last March).

were married in beautiful summer weather. Among those were: Anne and S. J. Parker, all of whom are in computing "other income" by those eligible for Veterans Administration benefits.

The significance of Greek Letter Organizations in our society is best appreciated when we realize that over 10% of the young men and women enrolled in the colleges and universities of our nation are members of Greek Letter Organizations.

For a great many people, fraternity and sorority are as much a part of their concept of the college campus as are the library and classrooms.

The significance of Greek Letter Organizations in our society is best appreciated when we realize that over 10% of the young men and women enrolled in the colleges and universities of our nation are members of Greek Letter Organizations.

GET VICEROY! GET 20,000 filter traps, for smoother taste!! It's All Greek

HELPING TO RAISE THE STANDARDS OF OUR COLLEGE.

The relationships which one experiences with his Frat brothers are relationships he will always cherish, remembering they made college a more delightful and profitable period in his life, and he can maintain his contacts with chapter brothers and further enrich his future.

A common misconception is that only young people from wealthy homes can become Greeks. The vast majority of Greek students are children of families belong to the Middle Class. In almost all cases the parents of many members who are working their way through school proudly, though not completely.

Fraternity membership provides a great deal of social activity leaving little need to spend money for socialized amusement, hence, a student will find the cost of Frat membership fit much higher, if any, than living as an independent.

High Point's national fraternities, Theta Chi, Sigma Phi Epsilon, Delta Sigma Phi, Alpha Chi Rho, Lamba Chi, Alpha, and Pi Kappa Alpha, and four national sororities, Alpha Gamma Delta, Zeta Tau Alpha, Kappa Delta, and Phi Mu all rank high in their standing among all Greek Letter Organizations; the national organizations. Consider them ... they will consider you.

State bonuses received for war service are no longer be reported in computing "other income" by those eligible for Veterans Administration benefits.

Activities Added

Intramural Program Gets Underway

By MURPHY OSBORNE

This year the men's intramural program has added six new activities which were not included in last year's curriculum. These activities are badminton, tennis, horse show, golf, basketball free throw, and track. These sports have been added in order to get a larger number of students to participate in a more varied sports program. The sports which have been offered in the past years, football, soccer ball, basketball, and softball have become inadequate, when offered alone, in filling the needs of the students and our growing Physical Education Department.

Dr. Hertz, the head of the intramural department, has had numerous meetings with the managers of the teams who plan to enter the intramural competition. He has stressed that the program is for the students, and that he will do anything within his power to help the students improve this program. A complete new and improved point system has been devised in order to adequately adjust to the enlarged intramural program.

This year's intramural program will undoubtedly be the best ever offered here at High Point College. The competition proves to be keen and the enthusiasm is at its highest pitch.

**Football Season Opens**

By MURPHY OSBORNE

The football season opened with nine evenly matched teams, seven fraternity teams and two independent (The Bulldogs), managed by Bill Beaul, have been tabbed as the team to beat, however.

The dark horse is an independent team managed by Tommy Kerr and "Wimpy" Jones. Other teams entered are: Kappa Chi, Theta Chi, Delta Sigma Phi, Sigma Phi Epsilon, Tau Kappa Epsilon, and Pi Kappa Alpha. Every one of these teams is capable of winning the championship with a few breaks. This year's competition is undoubtedly the stiffest ever seen at this college.

**Traveler's Aid**

At last count, Coca-Cola was delighting palates in more than 100 countries around the world. This news may not rock you right now. But if you ever get thirsty in Mozambique, you may appreciate the change from goat's milk.

**Juniors Elected to Judiciary**

At a meeting of the junior class on Friday, September 27, called by the president, Charles Dyson, Aaron Moss was elected to the Judiciary Council. Following a motion from the conference championship, "Slick" Sykes, a well known figure on campus, will don the purple and white uniform this season. His biggest problem this fall, will be looking toward the freshmen class as he probably will a few more than usual. Well, place your bets people, your guess is as good as anyone's.

**Panther Prospects**

Jack Shore and Buddy Joins

Jack, a short, flashy, little guy, who hails from Williams, Indiana, has a chance of becoming one of High Point's future stars. Even though he stands only 5'11", his skilful maneuvering and ball handling make up for the deficiency in his height.

Buddy Joins, Ken Prosser: may see action

Ken Prosser may see action

Legislature Elects Officers

At the initial meeting of the Student Council, Thursday, September 26, David Myron was elected President pro-tem; Bill Mauser, Facilitator; Jean Bubby, Recording Clerk; Jack Benfield, Reading Clerk; and Larry Williams, Sergeant-at-Arms.

Jim Rose, vice-president of the Student Government, presided over the meeting.

It was announced that a penalty will be inflicted upon those legislative members who fail to be present at the next meeting.

The New Look Basketball Previews

By DICK WILSON

As basketball weather is just around the corner, we turn our thoughts to our new modern gymnasium, and there each afternoon we find a group of young men working three or four hours each day in trying to make the 1957-59 season a winning success.

With only ten varsity men returning to action this fall, Coach Yow will be looking toward the freshmen newcomers with high hopes. Coach Yow's biggest problem this season will be to find someone to fill Jack Powell's shoes; and this, as the fans know, will be almost impossible.

On the hardwood court this fall, the fans will sit up and take notice of three young freshmen, who, in early practice have shown that they may be expected to give the returning players some stiff competition. The new freshman boys are: Howard Seaver, a six footer who has shown up well in pre-season workouts, is expected to see considerable action this fall.

Great things will be expected from these four fine athletes in the future.

Herald "Slick" Sykes, a well known figure on campus, will don the purple and white uniform this season. "Slick" was a regular starter in the 1952-53-54 seasons and then took a leave of absence from school to enter the U. S. Army. If Sykes can round himself into shape by opening season time, he should lend considerable strength to the team this year. If Sykes still has the ability he once had, he will prove to be a mighty tough opponent to hold down on the court this year.

From all indications Coach Yow and the Purple Panthers, with the support of the fans, are sure to have a line and successful season.

**Scribblings**

Oh, ho, ho, ho! — who said the Yankees were not going to win another American League Pennant? Of course, my being a Kansas City fan, I lost some money along with the rest of you doubters.

Yankee fans spent the summer at Marine Officer Training camp at Quantico, Virginia. It is a good program and I recommend it to all interested energetic young men. No doubt about it, though, I was mightly glad to be back to some good old college life.

Well, isn't it a good to be back on the campus and start cutting classes again?

by Ray Wicker

You had better save those old football tickets for Saturday's, so you can skip down and watch some of the big football games coming up. As it looks now, the Fabulous North Carolina State Wolfpack led by two great halfbacks, Casey and Hunter are going to be up there fighting it out with Duke for the Atlantic Coast Conference Championship Pennant.

For Saturday's, so you can skip down to Sports; and on Friday, September 27, called by the president, Charles Dyson, Aaron Moss was elected to the Judiciary Council. Following a motion from the president, Charles Dyson appointed Steve Margolis to represent the junior class in the Legislature. He was appointed the student C. C. (Coca-Cola) Bottling Company by

Dean Outlines Infirmary Policy
By KYLE STIRLING

With the common cold season just around the corner, and with rumors of a possible flu bug hovering over campus, Dean Allid, yesterday, gave suggestions to students about health practices and Infirmary Policy.

He cautioned students against overtaxing themselves physically. "Medical authorities have recommended that between the months of October and March, everyone should eat regularly, get plenty of sleep, and avoid overexertion."

In reference to current Infirmary Policy, he said that students should avoid the penicillin bad. "Often," he said, "students go to the infirmary with a self-diagnosed cold and ask that they be given penicillin."

"If the nurse decides that the student should see a doctor, the will send him to the College, and only if the doctor recommends penicillin, she to allow him to take it," he said.

"The staff of doctors retained by the College will make the call to the campus only in case of unusual emergencies," Dean Allid said. This is a current policy of most doctors today," he said, and there is nothing that we can do about it.

Dean Allid asked that students not become anxious if a friend should need emergency medical attention. "If a doctor is not available," he said, "the College has access to the emergency room at the local hospital."

Tower Players To Present "Room Service"

H.P.C. Tower Players have selected "Room Service" as their Fall Season Repertory, a hilarious comedy by John Murray-Auber, and will play for the evenings of 21 and 22 November.

The play will be presented in the college auditorium and will run for one week from November 21st to 28th. It is directed by Miss teams will be reg-

Concert Band Seeks Players

According to Dr. Lewis, the High Point College Band needs two clarinet players and one saxophone player to complete its instrumentation.

Interested in joining the concert band should get in touch with Dr. Lewis in Room 8, Fine Arts Building.

I threw in my poker hand and rose from my chair. Grabbed my coat and hat, and dashed for the room. Out in front of the door I stopped the mob already forming. It was 9:00. The premiership had begun. I was looking for the commuters who were getting up off the train who were getting up off the train who were getting up off the train.

I lit another Winston and goggled over the Ritual.

I sat alone in the dark of the room, with the white light of the air conditioning on the grass. A windless night is necessary for warm air pressure over the ground to prevent it from cooling.

Belles: By Barber

Our current "Belle" seems to be in a very pensive mood. Maybe it's the rainy weather, or it could be that she's been called before the Judiciary Council for not wearing her beanie? At any rate, she's a freshman from North Wilkesboro, and a very welcome addition to our campus.

Poetry Competition Announced
The National Poetry Association announces the Eleventh Annual Competition. The closing date for the submission of manuscripts to the college is November fifth. Any student attending either junior or senior college is eligible to submit verse. There is no limitation as to form or theme. Shorter works are preferred by the Board of Judges, because of space limitations. Each poem must be typed or printed on a separate sheet, and must bear the name and home address of the student, as well as the name of the college attended. Manuscripts should be sent to the Office of the Association, National Poetry Association, 3210 Selby Avenue, Los Angeles 34, California.

Mademoiselle Opens Guest Editor Contest
Mademoiselle is now accepting applications from undergraduate women for membership in its 1957-58 College Board. The magazine's College Board Contest offers a chance (for the freshman as well as the senior) at winning one of the twenty Guest Editorships. A month on the staff of Mademoiselle. Those who are accepted on the College Board do two assignments during the college year. Assignments give College Board Members a chance to write features about life on their campus, to submit art work and fashion as well as feature, fiction or promotion ideas for possible use in Mademoiselle. The top twenty Guest Editors will be brought to New York next June to help write, edit and illustrate the August College issue. They will be paid a regular salary for their month's work, plus round-trip transportation to New York City. November 30 is the deadline for applying for College Board Membership. Successful candidates will be notified of acceptance on the College Board before Christmas, the first College Board assignment will appear in Mademoiselle's January issue.

For further information see the August, September, October or November issue of Mademoiselle.

Fellowship Teams Hold Retreat
"We Would Be Building" is the theme of the H.P.C. Fellowship Teams. The foundation of this building was laid Saturday, September 28, during the annual retreat at the First Methodist Church. Seventy-four participated.

A Fellowship Team is a group of five trained college students who have a concern for others. The team visits local churches on weekends to stimulate fellowship among youth and their adult leaders and to make the total program of their Youth Fellowship more meaningful. This program also enables the H.P.C. students to gain experience in youth work of the church. This is the fifth year of operation for the H.P.C. Fellowship Teams. Training sessions will continue during October.

In American Colleges and Universities

‘Who’s Who’ Named

The names of fifteen seniors selected for publication in ‘Who’s Who in American Universities and Colleges’ were released this week by Dean Alfred.

Selection was made by a special committee composed of the president of the Senior Class, the president of the S.G.A., and the executive committee of the Student Council. Nominations were made on the basis of scholarship, leadership, campus activities, and general service.

Those selected as ‘Who’s Who’ are Paul Atwell, Beverly Deal, C. W. Faulkner, Aubrey Flynt, Fred Macon, Helen Simon, Aubrey Flynt, Beverly Deal, C. W. Faulkner, Aubrey Flynt, Fred Macon, Helen Simon, Aubrey Flynt, Beverly Deal, C. W. Faulkner, Aubrey Flynt, Fred Macon, Helen Simon. (Continued on Page 6)

Delegates Named For S.G.A. Meet

The Student Government Assembly of the colleges and universities of North Carolina is being held in Raleigh this week end. The Assembly started its sessions yesterday the 7th and will end them Saturday the 9th.

Attending the sessions for High Point College are two representatives. Some of these sessions were presently underway in Roberts Hall, which would provide four classrooms and office space. The renova-

H. R. Baukhage To Speak At Assembly

H. R. Baukhage, radio commentator, foreign correspondent, editor and lecturer, will speak at the College Assembly on November 13.

Mr. Baukhage has had a varied career which included stage experience and soldiering. But his chief interest has always been reporting. He has covered history in the making at home and abroad, in daily and weekly papers, over the air and on the television screen.

November 13

Deans' Old rimber

Mr. Baukhage has had a varied career which included stage experience and soldiering. But his chief interest has always been reporting. He has covered history in the making at home and abroad, in daily and weekly papers, over the air and on the television screen.

Among the colleges and universities represented are those in North Carolina, including Duke, North Carolina, and North Carolina State, and the colleges and universities of Illinois, including the University of Illinois, with a degree of Ph.B., he studied abroad in several famous universi-

Publication Program

May Change

Dr. Dennis H. Cooke, President of High Point College, said last week that studies were being made in connection with the student publications; however, he said there was nothing definitive to be reported at the time.

The rumor had it that three quality-point systems would be moved from the ground floor to new quarters on the first floor.

In other matters, Dr. Cooke said that a botong would be added to the Biology department as soon as the administration could find the right man for the position.

Rumors of new girls' dormitory building and expansion of classroom space were disclosed today by Dr. Dennis H. Cooke, H.P.C. President.

According to Dr. Cooke a special meeting of the board of trustees will be held on November 20 to discuss the building of a new woman's dormitory. The building would be located near Susanna Wesley Hall.

Plans for the construction of a new girls' dormitory building and expansion of classroom space were disclosed today by Dr. Dennis H. Cooke, H.P.C. President.

In other matters, Dr. Cooke said that a botong would be added to the Biology department as soon as the administration could find the right man for the position.
**W.H.P.C.-A $50,000 Possibility**

During the past summer, Hi-Fi officials explored the possibility of establishing a radio station for High Point College. Correspondence with Federal Communications Commission, and radio equipment manufacturers, indicated that such a venture would be possible.

At a cost of about $50,000.

The HFC radio project, if tentatively outlined, would be located in Robert Hill Tower. And operated in conjunction with the college, and it would be available for use by student organizations and all phases of college activities. Later, expansion might be made to include educational facilities for the College.

Hi-Fi officials are not adverse to the idea of a radio station for HFC, but at the present there is no money for such a venture.

"We could be a worthwhile project for this year's Senior Class," indicated that the Senior Class would initiate the project, perhaps some benefactor would underwrite the balance of the cost.

---

**The World In a Nutshell**

ZHUKOV

Under the Communist system of government, it is difficult to accurately say the whole of the nation, because all individuals are kept under constant supervision by the state and its agencies. The political situation over the entire country cannot be fully described, for in the Communist system, the state has very extensive powers.

There is little expression of the will of the people, and the government is an all-powerful entity. The state controls all aspects of life, and any deviation from the line can lead to severe consequences.

During this period, the mystery of Zhukov's decline has not been solved. The former Marshal of the Soviet Union is suspected of being involved in a conspiracy, and according to Moscow, is not in favor of the new leadership. However, there is no evidence of his involvement, and he remains under surveillance.

In the absence of Zhukov, perhaps the leadership will look for a new figure to lead the country.

---

**Possibility of "Red" Revolt Seen**

By Kyle Stirling

Dr. Alexander Berkis, professor of history at High Point College, believes there is mounting understanding of the current Russian situation as any other period in the United States. Russia's fear of an attack on its border is so acute that it has to live with the possibility of a "red" revolt, according to Dr. Berkis.

Russia needs a man with a mind of moderation, and would have to be patient and consider the possibility of any sort of major military action.

According to Dr. Berkis, there is a possibility of altering the Russian people as a result of the Zhukov incident. For "a revolutionary man," as he said, "it will begin at the top of the Communist hierarchy, not at the bottom."

Tower Players Casts 'Room Service'
The laughter and loud guffaws emanating from the auditorium during the evenings of the last week have been typical of the Tower Players in their rehearsal of Room Service. This comedy, which has been de- nounced as one of thegmnest plays of the past twenty-five years, will be presented at 8 p.m. on the evenings of November 11 and 22. The play, selected because it is admirably suited to the comedy talents of the college, is one that no student should miss.

Some of the students who made such a hit in the production of Har- riet last year have again been selected for major roles. Sonny Thornton plays a similar type of role to the one that brought him so much acclaim last year. "Shrimp" Flynn, is in the long- est role that he has had to date. Richard Cox, of the faculty, offers comic opposition to the efforts of Thornton, Flynt, and Mark Rose. Mark Rose has been selected to play the part of the producer of show skeletons most of the play's roles. The plot concerns the attempts of a group trying to find mon- ey to produce a play while living in a hotel on credit.

Others in the cast include Fred Barber, as the brother-in-law, Hilda Mamer, played by Edna White, furnishes the love interest playing opposite Sonny Thornton. Christine Brandow, played by Wini Stuart, is in love with the producer. Significant parts are also played by Larry Wil- liams, of the faculty, offers comic opposition to the efforts of Stuart, Mark Rose, and Richard Walker.

The colorful sets being de- signed by Mr. Ralidport, art director of the college.

Intramural Action

Bulldozers Lead Intramural

By Murphy Osborne

The battling Bulldogs have taken an unsightly lead in the Intramural football league; however, they are closely trailed by the Lambada Chi, Dix Eagles, Sig Eps, and Tekes. The Bulldozers' record has been only scratched with a four wins and one tie record, while the Bamboozlers, hands of the Sig Eps, Lambada Chi is in a second place and has a few wins and one loss record.

Each team has had many outstanding players. At the end of the season an all star team will be picked from these outstanding players from each team. Leading the way for the Bulldozers are such men as Stan Stafford, Harrod Watson, Bill Bosley and many others who go into the combined efforts of the team. The Lambada Chi team has helped a great deal by the pass catching and timely interceptions of Larry Beav and Frank Beav. The Pikes are led by Martin Powers, Dale Swanger and Joseph Carrington. The Sig Eps have found a very reliable pass catching end in Bill Texas. Jim Parish has proven to be a standout for the Tekes as the right for a upper berth. The kicking and passing of C. W. Faulkner has led the Delta Sigma Chi, Bill Pennwell has been the "B redeemed" ball carrier for Theta Chi, Dean and Hector have proven to be very good running backs. While on just about every campus in the state, the Rebels are looking for talent in small groups. These conversations run along these lines. 

by Ray Wicker

Who is going to win Saturday? How tough is the team we are playing? I will give you Duke and six points. These students are of course, speculating about the coming football games on Saturday.

Football, it has to be said, adds tremendously to the spirit of a college campus, just the thought of getting a date, going to the game, and backing your team seems to put a person in better spirits. It is hard to say how football does this more than any other sport. Perhaps it is the union of voices raised in common courses, or just sitting in the brisk atmosphere watching a hack break loose for a sixty yard run. Who knows what makes football so stimulating, but the fact remains that it is stimulating and High Point College does not have this stimulation.

Since there has been a turn-over in the Physical Education Department and a new gymnasium has been built, maybe these are steps towards a brighter future. So far it looks as if the new Physical Education Department and Dr. Hertz is going to do a job. With the help of a few boys, he has fixed up the former course which in the past has been used as a baseball field. He has spent many hours, often by himself, resowing the field in grass and surveying off the whole diamond.

Huegel Lost To Uncle "S"

Bill Huegel will report to the military camp of C. W. Goodwin, Fort Jackson, N. C., the 7th of December for his physical examination; he expects, he will probably report to Fort Jackson, S. C., for basic training.

This comes as a severe blow to the basketball team, because Bill is one of the better players on the team. In losing Bill, the High Point College basketball team is definitely weakened. There are no doubts. You have heard the old saying, "if you can't go, so goes the Yankees," well, without Bill Huegel the basketball team will have a tough time.

Since coming to High Point College in 1954 from Fort Lauderdale, Florida, Bill has made quite a name for himself on campus as well as being a star basketball player.

Of Two Minds

Panther News  by Dick Wilson

On October 15, the first organized basketball practice was held with twenty-two players working out. These twenty-two men, some new, some old, will take their orders from head coach Volgi Yow. Coach Yow is receiving some assistance from Dr. Gil Hertz, who comes out twice a week to lend his help to any of the players who need some advice on a particular phase of the game.

Coach Yow has found the going pretty rough so far, as the ball bag has hit his players quite hard in the past two weeks. I am quite sure Coach will agree with me that it is pretty hard to hold practice with just a few of your players on hand each day.

With the ice breaking off on the edges, some of the old reliable men are beginning to show their proven ability once again. Because of the wearing down of the "beachhead" of old, fast as ever, Dunbar and Pharr, two boys who have very much ability, are looking in excellent shape. Huegel can still hit that basket as good as ever from any spot on the floor. Two of the freshman crop, Short and Joiner are showing up quite well in practice.

Coach Yow and his Panther men will play host to a team from Fort Bragg the week-end of November 8.

The Four-Wheeled Tragedy

by Fred Barber

I was almost to the High Point city limits when it happened. A car approaching from the opposite direction swerved into my lane to pass, and before I could apply my brake I had wrapped my car bumper around his steering wheel. For a few minutes everything was blank, and when I came to, I was standing outside the pile of wreckage. Dozens of people were crowding around the cars, and with drawn white faces they were telling each other "Oh, how awful!" and "Ain't it a shame?" I walked over to the crowd to see what the tragedy was.

I looked through the broken windows of what had once been my car, and the bloody mess of my car, and the bloody mess of what had once been my car, and the bloody mess of my own remains. I looked closer and blinked my eyes to make sure I wasn't having optical illusions. Yep, no doubt about it, what had happened. I remember that I was staring at my college kid on his way back to school. I remembered that I would have been going right back home before I started back to school. I remembered that I had been very tired, and that the traffic had been bumper-to-bumper all along the highway.

My thoughts were interrupted by the sound of an ambulance screaming down the highway. Two white-coated attendants jumped out and loaded my remains on a stretcher.

"Take your time, fellow," I said. "There's no need to rush." I followed them to the ambulance and watched them put me through the back door. Beside me a tear-streaked woman asked the driver, "Is this—" I was "Some college kid on his way back to school. I don't think," she told. "You're right," I said. "It's me."

I watched the ambulance drive away, and looked at the people walking away from me. Suddenly I felt very alone and hopeless. "Hey, look," I screamed, "It's me; here I am!"

My roommate turned on the light and shook me. "I know you're here," he said. "So why don't you turn over and quit talking so darned much?"

I sat up in bed and sighed with relief. "Bemused," I said. "I pulled the cover around my shoulders. "Not to go home for Thanksgiving." He shocked his head. "You turned out the light. Something's not right. I think you're crazy.""November 8, 1957

175 Flu Cases At H.P.C."

"Approximately 175 cases of the flu have been reported on campus this year," Dean Alfred said to- day. The total number of flu cases on campus this year is about twice the number reported last year, he said.

"The college has done the best it can by making it possible for students to get flu immuni- zations at very little cost. But there were only about 125 per- sons taking the first of the two shots," he pointed out.

"There is a rate of four to five new cases of flu each day, on campus, but approximately the same number is released from the infirmary each day, so there is an increase in the oc- currence of cases."

"Most of the cases on campus have been their course in about two or three days. There have been only a few bad cases," he said.

Dean Alfred suggested that students report to the Infirmary in the event of ill. The message to do, he said, "is to fol- low the advice of the nurse or doctor."

hi-Po Magazine Planned

The final issue of this year's Hi-Po will be replaced by a literary magazine. Exact length of the magazine, which will be gauged in part by advertising space not been determined, but will probably be about 35 pages.

All members of the student body and faculty, are invited to contribute articles. Included in the literary magazine will be short stories, poetry, paintings and drawings, and photographs.

Contributions to the magazine should be sent to the Editor of the Hi-Po. The deadline is Feb- ruary 15.

MOOP - This is the first picture and the artwork was done. The photo- swap was accomplished by staff photographers Fred Barber.

Dr. Jones Views Segregation

"You can't degrade another person without degrading your- self. The South was seeking segregation from itself national leadership. The whole issue is an inevitable part of the present agitation for the rise of man."

The Panther Prowls

In the last issue of the Hi-Po, I expressed the opinion that the Birinyi in the Bush would be my hero, and an hour after my editorial, I received an urgent call from Otto B. - at least not many weeks after the birth of the Birinyi."

I, the Panther, do solemnly promise to neglect, to disregard, to visit no one couple in this column, because of their inability to "stay going through the motions."

My line of duty sorts keeps me much in the press, and I get all kinds of reports. Somebody went to Ernst's party and reported that he was "as cool as a cucumber." In the electricity shortage in Winston-

As I checked my wire-tapper's recent book, I noticed that Dr. Jones served as principal of schools both in India and America. And the fact that he was born in Singapore and Penang does not make me say anything."

Moore's - This is the first picture and the artwork was done. The photo-

we asked her if we could interview her at this time. She consented and the interview commenced. It ran something like this:
Pat, Gerry, and I: "How long have you been with this company?"
Miss Emerson: "This the next to the last of twenty-five con-
cert tours which runs for four weeks!"
F.G.M: "And you Mr. Babin?"

Mr. B.: "My wife and I."
F.G.A: "Then Madame Vron-
sky is your wife?"
Mrs. Babin: "Yes."
F.G.A: "What your plans for after the tour, Miss Emerson?"
Mrs. E: "Timg home to New York, rest for a while, and then I start rehearsals for a new play."
F.G.A: "What your plans are, Mr. and Mrs. Babin?"
Mr. B: "We are going on a coast to coast tour that will reach into Canada."
Mrs. B: "Yes, and Havana too."
F.G.A: "Where are your homes?" (To the Babins.)
Mr. B.: "In Santa Fe."
F.G.A: "Where are you from originally?"
Mr. B.: "We are Russian by birth. We came here in 1917."
About that time Mr. Babin went to the door in response to a
knock. Miss Emerson poured two cups of something from a
flask, and gave one of the cups to Mrs. Babin.
Mrs. B.: "Don't get the wrong impression. This is tea that we
are drinking."
Miss E: "Yes, after each per-
formance Mrs. Babin has a se-
vour of tea."

Hectic Rush Season Ends; 106 Go Peach

What is perhaps the collegiate world's greatest social event ended last week with 106 new pledges

HFC's social fraternity

Climating "Rush Week" was the traditional "Line-Up," set for nov. 7 at 6 p.m. on November 18. Lambda Chi, Phi Delta Theta, Sigma Chi, and Phi Sigma

Men pledging the various fraternity

equipped with the necessary paraphernalia of their respective organizations.

From The Top

By CHARLES JOHNSON

Let us pause for a moment to pick out those men involved in what was perhaps the most intense spirit week of the students' lives. Those who dealt with the administration, those who indulged in the social events, and those who just couldn't stay out of the middle of it all.

That's a blazoning old "Gerry"" interrupted Pat's answer, but only for a moment. He added rather wistfully, "That's all about that。「

That was only the beginning of the discussion which followed.

"Somebody's got to do something about this situation," said Pat. "It's all over.

Gerry grab-

"No, I asked, loosening my grip on the phone. "Do you know what they did?"

"I'm not sure," said Pat. "It was a terrible situation which our generation had created.

When I asked, "Why does it all matter?"

"It's a terrible situation," said Pat. "You see, the issues involved are

It was a terrible situation which our generation had created.

The issue was whether or not the students should be allowed to

At President's Home

"Problems" Discussed At Student-Staff Confab

Members of the Student Legis-

lature and representatives of the various organizations met with the adminis-

terative staff at the home of Dr. Cooke on November 12. Purpose of the meeting was to present and dis-

cuss various problems of the two

groups.

After a buffet supper, the meeting progressed through a series of questions and answers which ran the gamut from class cuts to the recent S.G.A. meeting at Raleigh. Most of the meeting, however, was centered around the Thanksgiving holiday.

S.G.A. President, C. W. Faulk

and the Student Curriculum Com-

mittee had presented a proposal that the Administration extend the Thanksgiving holiday next year, and the time involved in the activity would become effective next fall.

Dr. Cooke stated that the ex-

tension of the holiday period would possibly cause a hardship for students who lived a great distance from the college.

However, after further discussion, members of the administrative staff voted to extend the Thanksgiving holiday period on an experimental basis. The extension would become effective next year, and the time involved was made up by beginning the fall term at an earlier date.

Other discussion included the regulation of class cuts and the current method of calculating quality points.

Delegates Attend S.G.A. Meet

The Student Government Legis-

lative Assembly of North Carolina College held in Raleigh at the first of this month was full of action and drew comments from the North Carolina News and a Representative to the House from North Carolina.

The assembly debated and passed a resolution asking the repeal of all laws in North Carolina prohibiting interracial marriages. The stand of the affirmative on this resolution was that such laws are infractions of "Human Rights" and that such laws are in direct violation of the Fourteenth Amendment, which states "No State shall make any law which shall

bridge the privileges or immunities of the citizens of the United States. Twenty-four of the States have such laws at this time.

At the second plenary session of the Assembly, Representative Cook (D., fourth district) departed from his usual stand on inter-racial marriages and said that the leaders of his generation had created a terrible situation which our generation had to live with. A few days later the Governor of North Carolina in a radio statement censured the action of the Assembly in regard to their stand on inter-racial marriages. Also up for consideration by these two groups was a bill which came up before the House but not the Senate. It was a bill to legalise prostitution.

Other noteworthy bills and resolutions presented in the Assembly included legalising euthanasia, defeated; instituting a panel of judges instead of trial by jury, defeated; establishing a federal technological academy, passed; providing for accelerated education of mentally gifted children, passed; and prohibiting the classification by sex of children in the nursery.

The two poems, Graduation, and The American Viceroy, were presented by two HPC students.

The American Viceroy was written by HPC students and included in the Annual Anthology of College Poetry for 1957-58, according to Miss Jane DeSpain, "The Inside:"

On the Inside:

Poetry written by two HPC students will be included in the Annual Anthology of College Poetry for 1957-58, according to Miss Jane DeSpain, Stage manager was designed by the Art Department under the direction of Flatford Porter.
Fraternal Pride

100 men have not pledged H.P.C.'s fraternities. Why did these men not pledge fraternities? What do they expect to receive, and in turn, what do they expect to give in return for it? The social fraternity can be a valuable asset to our college, as well as being a valuable asset to the man who chooses it. If you pledge a fraternity, look at it with pride. Work for its suggestion. Give it help and shoulder some of the work. Learn to know and understand the men who will be your brothers. Fraternities are an added responsibility, an added sense of loyalty, and a feeling of companionship for your fellow man. —F.B.

Although the only real issue settled at the recent student-administration canvass was the extension of the Thanksgiving holiday next year, the meeting itself was evidence that many campus problems can be worked out in a sensible manner.

As a method of promoting better student-administration relations, we suggest that similar meetings be held throughout the year.

Unrelated Conversation

by CHARLES JOHNSON

Preceded in some circles around the campus three days is the "unrelated conversation" or "someone conversation." The other day in this particular type of discussions, the participants were three persons who possess a common bond, a love for the game of football at least at a very dry cask. The object of these converging circles was the game itself which is unrelated to the statement, and yet people still make mistakes and the usual banter between the two circles is made up of perfectly rational conclusion at any time without warning.

The other day I witnessed one of these "unrelated conversations" and in so doing I was able to see not only that I was taken almost by shock, but it seemed somewhat like this:

"Why are you taking to the inside man?"

"I have cheated tobacco in my life."

"Well pass me the trampides."

"But I don't have any dress shoes in the back seat of my car."

"It's an expensive trip to South Africa."

"I prefer tractor tires with liners."

"He plays the violin beautifully."

"Shouldn't have said that."

"I don't think that the trampides treated the Indians properly either."

"I prefer catching to watching sports."

"A dollar three ninety-eight for clothes."

"I don't have a date yet. Who can"

"I like your pickles."

"Neither is that. That's why I don't have a date yet."

The Morning After

by FRED BARBER

I hung the Winston loosely on my lip and walked up to the section. Above me was the sky of a cloud, and there was no evidence of a shining sun. Small reflecting pool had been covered with the mist of the air. The air was still and soft, and audibly I heard the bobbles tied to the Ladies, and I seemed to hold New York against the cold sharpness of the wind. What a day for class. I gazed finally as I plunged my hands deep into the pockets, and I shivered. I started toward Roberts Hall, my head held on the tip of my nose. What am I doing, collared? I asked myself, and I felt myself pulled into the idea of sitting through an hour-long lecture. I flipped the burning filter of my Winston into a puddle of water, and stood watching the cold liquid transform the redness of the fire into a soggy, polluted hue. I shook my head with a dejected sigh and opened my purse. The balls claimed the call to the 8:20. I was haunted by the frightful perishing of the evening.

I tried to push in the bags under my eyes and as I started the steps going up to the Ad Building. "This routine is killing me," I said to myself. "Go to class, ... study, ... go to class. Ever since I can remember I've been going to school. I'm sick of it," I just dropped down the hallway. Wearing my favorite sweater, the Communist had left an individualizable taste in my mouth, and it was apparent that I had gotten up too late to shave. Just as I crossed the door to the auditorium I saw an Igno smile and a couple of bright, cheerful eyes. "Hello, nice to see you," she said. "Maybe it's not so bad after all."

As the lecture began I blew a quick picture of Mrs. Novok and then started taking notes.

The World In A Nutshell

by TONY WEN

In writing this article I wish to present a part of the real background of the current Indonesian situation, and to convey the Asian national feeling. Having lived in Indonesia, I believe it is important to have Westerners understand the relations between East and West, both for the sake of maintaining the harmony of democracy and to aid in the right national commonwealth.

Indonesian Tension

The tension between Holland and Indonesia, which has existed for about eight years—arises out of a territorial dispute over New Guinea. It was not until four years ago that the Dutch authorities finally answered the problem up before the United Nations. The Indonesian claim was based upon a previous agreement with the Dutch in 1947, whereby the Dutch agreed to return the former Dutch East Indies territory, including West New Guinea, to the Indonesians. This was also included in the 1949 Security Council Resolutions.

We can only hope that the tension is not carried over to other parts of Asia. In fact, it is not likely that the Dutch and her allies will ever want to fight, as it would simply chain the entire atmosphere of all the Asian nations toward the West, and it is in the hands of the United Nations to see that the enemy nations will not war over any other force in shaping this world.

Perhaps one reason for the lag is due to an admission increase, and this year, as an Entertainment Sports Editor, Bill Hodges, points out, "Maybe the fans are just out of practice.

Whatever the reason, it isn't good enough.—KS

A Date With "April Love"

by FRED BARBER

Hi-Pos Feature Editor

Barber's still at it, doing off [01 the routine. He still uses Old Spice and still smokes Winchesters. —Ed.

The present ode of my Old Spice almost sliced me as I looked across the dimly lit room. I passed long enough to straighten my tie and light a Winston before heading for Woman's Hall. I glanced around and saw Patsy as I passed the row of windows. I had to admire my feminine appearance, and I had to admit that I couldn't see how any woman would be glad to rest her eyes on me. My coat was borrowed, but it looked sharp and fit me

I asked the girl at the desk to call the drive-in and while I waited I stood fingering the two Stephnies that I had borrowed and thinking how nice it was to have two feminine brothers. A soft feminine voice attempted to say something, but I cut it off. I scanned the "ones" back into my pocket and smiled. Before I could explain my tardiness she had gone to the desk to sign out, "O.K., love you," I said to myself, "One more job—coming up.

She said nothing as I walked by her in borrowed car. I jumped under the wheel, the borrowed coat, and the borrowed dough in my pocket and drove out into the cold night. I had a small coke. She sat next to me and we listened to Topper, I shelled out my last sixty and Pat Boone all the way to the Drive-In. On the cool, discouraging type, so I lit a Winston and said to heck with the borrowed car. I jumped under the wheel, the borrowed coat, and the borrowed dough in my pocket and drove out into the cold night. I had a small coke. She sat next to me and we listened to Topper, I shelled out my last sixty and Pat Boone all the way to the Drive-In.

"Honey," she leaned toward me and her face completely drowned in my Old Spice, "Where are we going tonight?"

"Oh, I don't know," I lied, "girl my Surprise".

"There's a wonderful picture at the Forest," her voice was dripping with "Love, and it's starring Pat Boone again. Each time I started to put my arm around her she seemed to move and start lecturing on some form of April love.

**Student Center To Open on Saturdays**

According to Dan Frye, IPC President and Jo Harrington, Panhellenic President, Campus IPC Fraternities and campus organizations have set up in the interest at the student center each weekend. Under this plan, the student center will be open each Saturday night for the remainder of the year.

The complete weekend schedule for the year will be published in the next issue of the HI-PO.

**S.C.A. News**

The annual Nativity pageant was presented by Kappa Chi, Monday and Tuesday, December 9 and 10, at 7:00 pm, in front of the Men's Dorm. Carry Cornell supervised the pageant which was narrated by Mark Rose. The Westminister Fellowship presented "The Creation", a folk skit at the Presbyterian Home, November 21, concluding the service with a devotional. After touring the Home, the Fellowship returned to the campus and held their Poinsett Fair for a brief business meeting.

DELTA SIGMA PHI

On December 7, brothers and pledges attended the state-wide Delta Sig Caramation Ball in Winston Salem. The dance was sponsored by the Delta Lambda Chapter of Wake Forest College. Dancing was enjoyed to the music of the Southerners of Winston Salem. The Delta's 25 pledges were Kay Spinkles, Joyce Young, and Shirley Fulkers.

The pledge class has been hard at work putting up the annual Christmas decorations for the fraternity. For the lighted Christmas tree on the front of the fraternity section and the Christmas wreath above the main entrance of the girls dorm the pledges deserve much credit.

Congratulations to Kay Spinkles, Delta Sig candidate for the title of Miss IPC, who has been chosen to be among the ten finalists.

Congratulations to our newly-elected pledge officers: Floor Hall President; Dick Vert, Vice President; Don DeBoy, Secretary; Sue Taylor, Treasurer.

SIGMA PHI EPHISON

The annual Christmas party of North Carolina Eta was held on Friday night, December 7, at the Marchetta Clubhouse. Music was furnished by Glenn Lloyd and his combo. During the open moh period, Dan Hickey, freshman from Durham was pledged.

Recently, the following alumni visited the campus: Bill Ward, Tom Stanton, Don Duckey, Charles Cateshill, Louise Eample, David Austin, Percy Powell, Roger Davis, and Stan Broadnax.

PHI KAPPA ALPHA

Congratulations go to our brothers Michael Kibble and Charles Cohen who are now pled to Miss Jan Davis. On December 2 and later, a little party was held for them on December 7. Among those attending were: George and Mildred Finley who decided he'd like to take a ski show.

The week of December 9 through 13 was our traditional "Help Week", in which our pledges have many types of duties to perform. Fun will be had by all and the brothers enjoy saying that they are proud to be associated with the pledges.

Two brothers and pledges of Kappa Alpha would like to take this opportunity to same to Merry Christmas and a Happy New Year.

LAMDA CHI ALPHA

The Lambda Chi and the Phi Mus held their annual joint Christmas party at the Woodmen of the World lodge. An exceptionally good time was enjoyed by everyone. For President, Mrs. Katherine Warner recently visited with us for a few moments.

We're proud to boast of three Phi Mus making the top ten in the Miss IPC contest - Sylvia Holt, Whi Smith, and Shirley Skol.

On December 16 the Phi Mus, in addition to the pledges and alumnus, will go to Greensboro for the annual Christmas supper and the exchanging of gifts. Afterwards a trip will be taken to the Pilgrim Lodge where the patients will be entertained and treated. Congratulations to our alumnus, sorrows of Christmas cards will be given to Bernard Chapman, who was recently initiated into the brotherhood.

**ZETA TAU ALPHA**

Zeta Tau Alpha presented its pledges at its annual White Dress Ball, December 7, at the Eno- wood Country Club. Music was sup-
plied by the Four Jacks. Pledges and Sisters enjoyed a house party held from them as alums, Mrs. W. H. Lathem.

**PHI MU**

Only Viceroy gives you 20,000 FILTER TRAPS FOR THAT SMOOTHER TASTE

**The Viceroy Filter**

These simplified drawings show the difference...show that Viceroy's 20,000 filter traps are actually twice as much as the ordinary filter! Compare! Only Viceroy gives you 20,000 filter traps—twice as many as the other two largest-selling brands—For that smoother taste!

Plus—finest-quality leaf tobacco, Deep-Cured golden brown for extra smoothness!

Get Viceroy! Get 20,000 filter traps, for smoother taste!
Fellowship Teams Announced

The completion of training sessions at the High Point College Fellowship Teams was recently announced. The sessions consisted of instruction in worship organization, and a workshop program.

The Fellowship Teams to serve this year are: Team No. 1 - Rodolpho Valega, instructor; Alice Seabrook, team leader; Bell Gerald, team leader; and Carol Lundy. Team No. 2 - Carol Brown, chairman; Budy Luton, team leader; Carl Miller, team leader; and Tole McKee. Team No. 3 - Gilbert Boscarelli, chairman; Ethel Linn, team leader; and Nancy Smith, team leader. Team No. 4 - Carol Birdwell, team leader; Sam Thomas, chairman; Dean Jackson, and Phil Byrd. Team No. 5 - Francis Ave. Lewis, chairman; Hugh Compton, Joyce Whidmore, Carl Gordy, and Reta Mihalek, team leader.

Team No. 7 - Jim Calloway, chairman; Margaret Shearer, team leader; Edna Jane Snipes, and Bill Dawson, team leader; Team No. 8 - Barbara Slew, chairman; Rosalee Robbins, team leader; Emma Thomas, team leader; and Carolyn Nick, team leader; Team No. 9 - Nilla Yale, chairman; Point Woodcock, Marilyn Baffine, Dwight Winkler, and Jane Ford, team leader.

Teaching Experiment Underway

PROVIDENCE, R. I. (AP) - A unique experimental student teaching project is under way at Brown University this year, where 20 senior engineering students have been assigned to counsel and assist in the teaching of the 100 freshmen making up the engineering division.

Each student teacher has the satisfaction of a group of a group of group of students, giving one hour a week to a special class for discussion of the basic concepts of planning, attending lectures with the new students and giving each freshman a half-hour personal conference each week. They will also grade homework and go over their students' papers with them. They will be paid 600 for the year.

The program, made possible by a $4,500 grant by the Fund for the Advancement of Education, has a dual purpose. Principally it is designed to aid freshmen in acquiring effective habits of study. It is hoped also that it will initiate qualified upperclassmen into active teaching and perhaps in breaking the acute shortage of teachers.

Coast Guard O.C.S. Class Offered

The United States Coast Guard will receive two more O.C.S. Cadet classes for college men during the coming months. The first will be in March, with the second class starting next July.

To be eligible, a candidate must be a graduate of an accredited four-year college. He must have completed two years of college and have completed two years of college law and have completed an interview.

More information is available at the Coast Guard Office. Candidates must pass physical examination and other requirements. They must be accepted within 30 days after completing the interview by the O.C.S. Class officer.

The program is made possible by a $8,000 grant by the Fund for the Advancement of Education, has a dual purpose. Principally it is designed to aid freshmen in acquiring effective habits of study. It is hoped also that it will initiate qualified upperclassmen into active teaching and perhaps in breaking the acute shortage of teachers.
