

HIGH POINT UNIVERSITY LIBRARIES

Mission, Vision, Goals

June 6, 2019

MISSION

HPU Libraries actively support and deliver exceptional educational experiences that challenge, prepare and empower learners to achieve lives of success and significance.

VISION

The librarians and staff of High Point University Libraries seek to exemplify a “learning family” by promoting inclusive, accessible, and collaborative endeavors among students, faculty, staff, alumni, and community members, providing dynamic resources and materials, and empowering all members of the learning family to succeed.

GOALS

Librarians and staff of HPU Libraries are fully committed to working with all members of the learning family to:

- Supply the best electronic and physical resources and collections, providing for both academic needs as well as individual interests
- Provide a welcoming service-rich experience, in comfortable library spaces that are inviting and support learning activities
- Deliver a wide variety of proactive teaching experiences to encourage and sustain learning at any level
- Support intellectual growth by acting as “information enablers”, promoting the efficient exchange of materials, knowledge and ideas
- Provide a robust archival record of the University, preserving and promoting the proud history of HPU as we grow into the future.
